## **INTRODUCTION**

The Organizational Handbook documents the processes of the Board, the Officers, Committee Chairs and Event Leaders for Poudre Wilderness Volunteers. These process write-ups are meant to document how the organization performs its day-to-day functions. The process write-ups in this Handbook describes the implementation of the policies of the PWV Board of Directors and does not modify the boards policies. This Handbook also documents the Policies and the Standard Operating Procedures that guide PWV's activities. These Policies and Standard Operating Procedures are controlled by the PWV Board of Directors. Further Handbook documents PWV's Goals and Objectives, this section is still in draft form and will be finalized at a latter date. It is the responsibility of the Organizational Handbook Committee to manage the Handbook and ensure that changes are made when necessary. The process for managing the Handbook can be found in the Organization Handbook Committee process write-up in this document.

## **GOVERNANCE**

### **GOVERNING ROLES & AUTHORITIES**

(J Shaklee: October 2011)

#### **Board of Directors**

*The affairs of this Corporation [PWV] shall be managed by a Board of nine (9) or more directors each elected to a three-year term, who shall be members of the Corporation [PWV]. One Directorship (non-voting) is reserved for the official representative of the U.S. Forest Service – PWV Bylaws: Article IV, Section 1*

Meetings of the Board of Directors are typically held on the third Thursday of each month (except May) at the USFS Building beginning at 6:30 PM and are open to Advisory Board Members, all PWV members, and the general public.

#### **Advisory Board**

*Advisory Board members will provide guidance, direction and support to the Corporation [PWV]. – PWV Bylaws: Article IV, Section 4*

#### **Executive Committee**

*The day-to-day management of the Corporation [PWV], including coordination of all working committee activities, shall be overseen by an Executive Committee. – PWV Bylaws: Article IV, Section 7*

#### **Other Committees**

*The Board may establish committees and subcommittees from time to time and may assign appropriate duties and authorities to them. The Board of Directors will appoint all Committee Chairs. – PWV Bylaws: Article IV, Section 8*

#### **Action Taken Without a Meeting**

*The Board may take any action in exceptional circumstances that do not permit the convening of the Board, by obtaining the written approval, including by email, of a majority of the voting Members of the Executive Committee. Any action so approved shall have the same effect as though taken at a meeting of the Directors. – PWV Bylaws: Article IV, Section 9*

#### **Powers, Duties, and Responsibilities of the Board of Directors**

##### **Duties of the Board of Directors** (PWV Bylaws: Article VII, Section 2):

- A. Cause to be kept a complete record of all its acts and corporate affairs open at all times for inspection by the members.
- B. Supervise all officers, agents, and employees of this Corporation, and see that their duties are properly performed.
- C. Supervise all programs of the Corporation.

##### **Responsibilities of the Board of Directors** (PWV Bylaws: Article VII, Section 3)

- A. The Board of Directors is legally responsible (and liable) for the financial practices and decisions of the Corporation.
- B. The Board of Directors is legally responsible to protect, maintain, and uphold the tax-exempt status of the Corporation

***Normal Elections of Board Members and Officers, and Appointments of Committee Chairs***

- A. Typically, elections are conducted and appointments are made by the Board at the October Board Meeting (unless needed at other times)
- B. Newly elected Board members, officers, and appointed committee chairs typically take office at the Annual Meeting of all PWV members held in the autumn of each year.

## BOARD OF DIRECTORS

(J Shaklee: October 2011)

The Board of Directors consists of a minimum of 9 PWV members and the USFS representative, and functions to oversee and direct large-scale and long-term aspects of PWV, including its vision, goals and objectives; the size and nature of its membership; its policies and procedures; strategic and operational planning; and fundraising and financial management.

Directors are expected to prepare for, attend, and actively participate in all regular and special meetings of the Board and the Annual Meeting and Year-End Event. All Board members (including all officers) except the USFS representative have Board voting rights. Board members are legally responsible—and liable—for the financial practices and decisions of the organization, and are legally responsible to protect, maintain and uphold its tax-exempt status. Directors are also asked to serve as chairs/leaders or members of one or more PWV committees/programs throughout their tenure. New Directors are elected to staggered, 3-year terms by the current Board, at its October meeting.

*Desirable Skills and Experience: Active participation in trail patrols and other activities; a strong commitment to making PWV better; a commitment to attending and participating in all Board meetings; specialized skills and experience pertinent to the functions and operations of the Board; e.g., personnel management/supervision; teamwork; project management; fundraising; bookkeeping/accounting; online survey creation and management; website design, operations and management; database, spreadsheet and/or word processing; layout and publication.*

Cannon, Kevin <i>USFS-PWV Liaison</i>	

## **NOMINATION, FAMILIARIZATION and ELECTION TO THE BOARD OF DIRECTORS**

(J Shaklee: October 2011)

### **NOMINATIONS TO THE BOARD AND FOR OFFICERS**

Identifying, nominating, and electing committed and qualified members to lead PWV is a key process for maintaining the vigor, quality, and effectiveness of the Organization. Because the by-laws allow for a Board of 9 or more, the sitting Board has the authority and responsibility to set the number of Board members (which will determine whether or not any vacancies exist). Nominations to fill the open positions to the Board may be made by any director, at any meeting of the Board, when there is a vacancy. Similarly, active members may nominate themselves or other active members. In addition, the Executive Committee may serve to nominate active PWV members to the Board and as Officers or establish a Nominating Committee to accomplish the same purpose.

In 2011, the Executive Committee asked the Chair-Elect to form a Nominating Committee to develop a slate of candidates for Board Membership and Board Officers. That Committee consisted of: Chair-Elect (who served as Chair of the Committee), selected outgoing officer (Treasurer), one additional current Board member and two Advisory Board members. It is important that the nominating process be initiated early enough to allow adequate time to identify and contact potential candidates well in advance of the October Board meeting at which the annual election is held. In 2011, prior to the first Nominating Committee meeting, each Committee member reviewed the required qualifications of candidates as stated in the PWV Bylaws and the PWV Organization Handbook, reviewed lists of qualified candidates and then individually prepared a list of potential candidates for each position. At the first meeting of the Committee, the group compared their lists, discussed each potential candidate, and prepared a single prioritized list of candidates for each position. After the first Committee meeting, select members of the Committee contacted candidates for each position in the order on the prioritized list until a potential candidate agreed to be on the candidate slate. Once candidates were confirmed for each of the open positions, the Committee held a second meeting that included the Officer candidates. The purpose of the second meeting was for the Committee to meet the Officer candidates and to review with them their responsibilities as Officers to assure that they and the Committee are comfortable with them serving in their candidate positions. Subsequent to the second Committee meeting and prior to the election date, a final slate of candidates was submitted to the Board of Directors.

**FAMILIARIZATION** Written descriptions of duties and expectations for Directors and Officers shall be communicated to the membership at least two months prior to the October elections, along with a call for nominations and volunteers.

All volunteers, nominees and members considering serving on the Board are strongly encouraged to attend one or more Board meetings prior to the elections to familiarize themselves with the Board and its operations, and to make themselves known to current Board members. Additionally, all candidates for the Board or for Officer positions are asked to submit a brief written statement: 1) Outlining their relevant knowledge, experience and interests; 2) describing their history of involvement in PWV activities and programs, and 3) indicating why they want to be on the Board. The statement should be sent to the Secretary by October 1; and circulated to all current Directors prior to the October Board meeting. Additionally, candidates are encouraged to attend the October Board meeting and make brief comments regarding their candidacy prior to the elections.

**ELECTION OF DIRECTORS** Election to the Board is by a secret, written ballot. At such election, the Board members may cast one vote on each vacancy. The person receiving the most votes for each vacancy is elected. In case of a tie, open discussion by the Directors, followed by subsequent secret ballots, shall determine the outcome.

### **BOARD CALENDAR**

**June – August:** The Nominating Committee (or the Executive Committee, or the Board as a group) evaluates the current and future personnel needs of the Board and its committees and reviews the performance, experience, and qualifications of PWV members in light of the Board's needs. It then begins the process of identifying and contacting potential new Board members and officers (and consults with current committee chairs regarding potential new committee chairs or vice-chairs) and encourages selected members to consider serving on the Board (or as committee chairs/ vice chairs) and invites them to attend one or more Board meetings to learn about the Board's functions and operations.

**August:** Email notification is made to the entire membership regarding the duties and expectations for Board Directors and Officers, along with a call for nominations and volunteers, and a suggestion that interested parties attend one or

more Board meetings to familiarize themselves with the Board and its operations and to make themselves known to the current Board members.

**August-September:** Typically, the Executive Committee (or a nominating committee established by the Executive Committee) develops a formal slate of recommended director and officer candidates (and new committee chairs/vice chairs) by reviewing the membership roster and contacting selected members about their potential interest.

**October 1:** Nominees and candidates for director and officer positions are asked to submit a brief written statement: 1) Outlining their relevant knowledge, experience and interests; 2) describing their history of involvement in PWV activities and programs, and 3) indicating why they want to be on the Board or serve as an officer to the Secretary. Prior to the October Board meeting, Board members review the bios and consider the merits of each candidate in light of the needs of the Board (and its committees).

**October Board Meeting:** Election of Directors and Officers is held. Since Officers on the Board of Directors need to be members of the Board of Directors, voting for New Board of Directors precedes voting for Officers to cover the situation where a newly elected Board of Directors member may be nominated to be an Officer. Appointment of committee chairs/vice chairs typically occurs at the October or the November Board meeting (or when necessary).

## OFFICERS OF THE BOARD OF DIRECTORS

(J Shaklee: October 2011)

Each year, the Board of Directors is led by a different chairperson. The leadership of the Board involves a series of 3-year cycles whereby a future leader is elected to serve one year as Chair-Elect, followed by one year as Chair, followed by one year as Most Recent Past Chair. The 3-year leadership cycles are intended to provide both regular turnover while allowing for learning/training and benefiting from experience and recent historical perspective.

All officers of the Board and the Advisory Board Member to the Executive Committee serve as voting members on the Executive Committee. The USFS representative is a non-voting member of the Executive Committee.

**CHAIR** The Chair shall serve a 1-year term, preside at all meetings of the Board, and assure that decisions of the Board are carried out. *Desirable Skills and Experience: Successful completion of term as Chair Elect and familiarity with all PWV aspects and programs.*

**CHAIR-ELECT** This position is the first step in a three-year commitment: 1<sup>st</sup> year = Chair-Elect; 2<sup>nd</sup> year = Chair, and 3<sup>rd</sup> year = Most Recent Past Chair. The two primary duties of the Chair-Elect are to assist the Chair and to act in place of the chair when needed. The Chair-Elect is elected to a 1-year term by the Board at its October meeting. To be considered for the Chair-Elect position, a PWV member must have previously served on the Board for at least one year prior to his/her election to this position. The Chair-Elect is strongly encouraged to participate in as many programs and activities as possible during this year to maximize his/her familiarity with, and understanding, of PWV's diverse operations and needs. *Desirable Skills and Experience: History of active and enthusiastic participation in trail patrols and other PWV activities and programs. Leadership qualities and a strong desire to work with the Board, the USFS representative, and other PWVs*

**Most Recent PAST CHAIR** The major duty of this position is to counsel and advise the Chair (and Chair- Elect) regarding past issues and decisions of the Board. (This position also serves as a voting member of the Endowment Fund Committee.) *Desirable Skills and Experience: Successful performance as Chair.*

**SECRETARY** The Secretary is elected to a 1-year term but may be re-elected. By a two-thirds majority vote of the Board, the position of the Secretary may be exempted from the 3-year term limit as Board member (PWV Bylaws: Article VIII, Section 3). The Secretary records votes and keeps the minutes of all meetings and proceedings of the Board, notes of the Executive Committee meetings, and members' Annual Meeting. The Secretary (or the Chair) serves notice of meetings of the Board and of members; keeps appropriate current records showing the PWV members, together with their contact information; updates and manages the Organization Handbook of Procedures and Policies; and performs other duties required by the Board. *Desirable Skills and Experience: Attention to detail, strong note-taking skills, and proficiency using a word processing program.*

**TREASURER** The Treasurer is elected to a 1-year term (with an expected 3-year commitment to the position as long as their 3-year term on the Board has not expired) by the Board, at its October meeting. By a two-thirds majority vote of the Board, the term of the Treasurer as Board member may be extended to allow completion of the term as Treasurer (PWV Bylaws: Article VIII, Section 3). The Treasurer follows sound accounting principles to produce reliable financial information; receives and deposits in appropriate bank accounts all moneys of the organization; disburses such funds as directed by resolution of the Board; signs all checks; and keeps proper books of accounts. The Treasurer prepares an annual budget and a statement of income and expenses to be presented to the Board at the appropriate regular meetings and to be open for inspection by the membership. When directed by the Board, the Treasurer shall cause an audit of the books to be made by a public accountant. The Treasurer also manages the books of the PWV Endowment Fund and serves as a voting member on the Endowment Fund Committee. The outgoing Treasurer is expected to train, assist and advise the incoming Treasurer at the beginning of the first year in this position. [see "Treasurer" below in Section 3 for a more detailed presentation of duties and activities.] *Desirable Skills and Experience: Detail oriented, experience collecting money and recording financial transactions (bookkeeping); knowledge and experience developing and managing budgets, experience preparing financial reports; and proficiency using spreadsheets and/or financial managerial software (esp. Intuit QuickBooks).*

ELECTION OF OFFICERS OF THE BOARD OF DIRECTORS Only current members of the Board can serve as Officers. The election of all Officers (except for the Member-at-Large) occurs by secret ballot at the October meeting of the Board, after the election of directors. The ballot lists all candidates for each vacant officer position. Directors may vote for one candidate for each officer position, and the candidate receiving the most votes for each officer position is elected to that position. In case of a tie, open discussion by the Directors, followed by subsequent secret ballots, shall determine the outcome. The new Board elects a Member-at-Large to serve on the Executive Committee at its November Board meeting.

EXECUTIVE COMMITTEE The Executive Committee consists of the Officers of the Board listed above, the Advisory Board Member to the Executive Committee, and the USFS representative. The primary purpose of this Committee is to manage the day-to-day affairs of the organization and coordinate all working committee activities.

**ADVISORY BOARD**  
(J Shaklee: October 2011)

The Board of Directors benefits from advice and assistance from the Advisory Board.

The Advisory Board is made up of former Board members who remain interested in PWV's ongoing operations and activities and who contribute historical perspective and experience-based insights to issues facing the Board and PWV. Advisory Board members are nominated by the Board and elected to the Advisory Board for 3-yr terms (and they may subsequently be re-elected to serve additional consecutive 3-year terms).

Most current Advisory Board members are former Board members who have indicated a desire to continue to serve PWV in an advisory capacity. Additionally, they may be esteemed persons with expertise relevant to the mission of PWV, representatives of major donors to PWV, or other leading members of the community.

Advisory Board members are invited to all Board meetings as non-voting participants.

Advisory Board Members – 2013- 2014

**Members                          Term Expires**

## **ADMINISTRATION**

### **ANNUAL PLANNING & EVENTS CALENDARS ON THE PWV WEBSITE**

(K Riters: October 2011)

#### **PURPOSES**

Two dynamic calendars are maintained on the PWV Website to inform members of important planned and scheduled events throughout the calendar year:

- Planning Calendar identifies events that are planned by month which are yet to be scheduled
- Events Calendar identifies events that are that are scheduled with specific dates and other pertinent information. As planned events are scheduled, they are removed from the Planning Calendar and added to the Events Calendar.

#### **CALENDAR OF EVENTS**

**Late October:** Begin preparing the calendars using known events (from previous 12 months) with adjusted dates (for coming year) (i.e., Board meetings, Spring Training, Year-end Event, etc.). CONTACT the Winter Patrol Coordinator for the January kick-off night and patrol season dates. CONTACT the USFS Liaison to establish the dates for mailing of recruit applications and interviews. COORDINATE with the Recruiting chair to establish the date for the new recruit open house.

**January:** Contact the Trail Crew Coordinator for the date of the Wilderness Volunteer Workshop and the planned Trail Crew event dates. COORDINATE with the Weed Crew Coordinator for the date of the Weed Crew winter meeting. The dates for the individual weed pulls are on a separate calendar distributed by the Weed Crew Coordinator.

**February:** Coordinate with the Stock Patrol Chair for the dates of the Stock Patrol new members' meeting. CONTACT the Trail Crew Coordinator for the dates of the USFS Trail Crew leader training. CONTACT the Kick-off Night Coordinator for the date of Kick-off Night.

**March:** Contact the Supplemental Training Coordinator for the dates of LNT training and any other scheduled training events.

**April:** Contact the Adopt-a-Trail Coordinator for dates of maintenance events for the North Fort Trail. CONTACT the Adopt-A-Highway Coordinator for dates of Highway 14 pickups.

**May:** Contact the Recruiting Chair for dates of New West Fest, the Sustainable Living Fair and CSU Homecoming Parade.

#### **PROCEDURE**

1. The Calendars are typically maintained by the Chair-Elect. This provides the Chair-Elect an opportunity to become knowledgeable and involved to some degree with important activities of PWV.
2. Obtain Administrator access to PWV Website and instruction for accessing the Website from the PWV Webmaster.
3. Obtain training and instruction for maintaining the Planning Calendar and the Events Calendar from PWV Chair (who maintained the Calendars on the Web during the past year) and from Webmaster.
4. It is vital that the Calendars be kept up to date on the Website if they are to be of value to the membership.
5. As a starting point the Chair-Elect uses a spreadsheet of the past year's Planning Calendar to help identify events that were important in the past year which may also need to be on next year's calendars. This spreadsheet is available from the current Chair and should be used as a dynamic worksheet to organize and maintain the events throughout the following year.
6. As the spreadsheet is updated for next year, the Planning Calendar can be established on the Website and as specific dates become known the Events can be added to the Events Calendar on the Website.
7. Normal practice is to maintain the spreadsheet up-to-date to serve as a backup and record of planned and scheduled events as the year progresses.
8. To provide some assurance that the calendars are maintained up-to-date, a follow-up email is sent three weeks prior to the following month to all event owners requesting them to confirm that their events are accurately shown in the Planning Calendar for the following month or are accurately scheduled in the Events Calendar for the following month. The following are examples of draft templates for these emails as used in 2011:
  - a. Planning Calendar update:

You have one or more Event(s) on the PWV Website Planning Calendar shown for Month: <http://www.poudrewildernessvolunteers.org/news-and-information/planning->

[calendar.html](#)

If you wish to have the Events scheduled and transferred to Events Calendar, please provide me with Date, Time, Location and any other information so I can update the Events Calendar for Month: "[http:// Input link to Month](#)"

If you do not want your events on the Events Calendar, let me know and I will remove them from the Planning Calendar as well.

(Name & phone number of Chair-Elect)

b. Events Calendar Update:

**Procedure**

- Set email for PWV Account
- Find Replace "Month" with next month
- Access next month calendar on public website to get names of Contacts & Copy URL for that month
- Paste URL into email replacing "[http://www](#)" below, highlight URL and click on Hyperlink
- Input "To..." for email with Contacts for next month
- Copy Subject (below) to Subject line of this email
- Update my availability to do Event Calendar update for the rest of this month
- Change all font to black except for URL (keep URL blue)
- Delete Procedure and Subject from this Reminder Template
- Send email to Contacts for next month Events

**Subject:** PWV 2011 Calendar - Review Your Month Events

You are scheduled for one or more Month 2011 Events on the PWV Website Events Calendar. The following is the link to the Month Events Calendar: [http://www](#) Please review your Event(s) to verify that it is accurately posted for Month and **advise me if you require any corrections, changes or additions**. To promote use of the PWV Website by PWV members and make the Events Calendar a useful feature, obviously it has to be accurate and kept up to date.

I will be out of town (input dates) and may not be available to make changes during that period.

Thank you in advance for reviewing your Month 2011 Events,

(Name & phone number of Chair-Elect)

## **HOSPITALITY**

(J Creager: October 2011;)

### **PURPOSES**

- 1) *To acknowledge serious illness or death of a Board?/PWV? member or their immediate family member.*
- 2) The Board may need to define and agree on the definition of immediate family.
- 3) To send flowers to a member who has been seriously injured while on patrol.

### **CALENDAR OF EVENTS**

As needed

### **PROCEDURES**

At least a card should be sent; but flowers, a basket of fruit, or other may also be sent depending on circumstances.

Refer to the current budget for available funds Board approval is required if more funds are needed, or ask members to donate money to pay the excess.

### **EVALUATION AND REPORTING**

Submit a brief summary report of activities and expenses to the Board at the end of the year.

## OFFICE CREW

(Margaret Shaklee: October 2011)

### PURPOSE

The Office Crew was organized to:

- Facilitate the check-in/out process for USFS & PWV equipment used by members while on PWV patrols. Equipment includes USFS radios and SPOT units, PWV GPS units, some maps and first aid kits.
- Assist the USFS liaison in keeping records of items checked in/out
- Remind PWV members to file trail patrol reports in a timely manner
- Make copies of business and information cards for PWV members to use on patrol
- Perform other duties as needed

### CALENDAR OF EVENTS

- **April:** Confirm the Office Crew members and alternates for patrol season.
- **May:** Meet with all Office Crew members and alternates before Spring Training to plan upcoming needs and to develop schedule for season
- **July/August:** Meet to reassess schedules and to adjust procedures for remainder of season
- **May-October:** Call PWVs to remind them to file trail outstanding patrol reports

### PROCEDURES

Office Crew Members...

- A. Report to the USFS on assigned day and time. If unable to attend, email or call other Office Crew volunteers to determine if anyone can assist that day. This step is more important than in the past, because of the Hazardous Trail requirements.
- B. Check the PWV Equipment cabinet in the Visitor Center to pick up equipment that has been returned. (Key is with the Visitor Center Personnel, behind counter.)
- C. Report to the PWV volunteer cubicle.
- D. **Check in** returned equipment:
  - a. Enter date returned and your initials on CHECK-IN/OUT form(s)
  - b. File completed CHECK-IN/OUT form(s) in brown folder.
  - c. Update ***Sign-out/Sign-in Tracking*** sheet for all radios and SPOT units.
  - d. Re-charge batteries of radios and GPS units--chargers located in Kevin's office.
  - e. Put charged batteries in file cabinet drawer in Kevin's office.
  - f. Replace batteries in GPS units and put units away in top drawer in file cabinet.
  - g. Make sure SPOT units are **turned off** and put away in top drawer in file cabinet.
- E. Check phone for messages and follow up on all messages from volunteers from previous day.
- F. **Check-out Procedure** for radios, SPOT units, GPS units and other equipment. Remember to issue equipment **only to active PWV members**.
  - a. Complete the check-out reservation form and place it with the unit(s).
    - Name & Contact info for person checking out equipment
    - Date checked out and your initials
    - Date due back and your initials
    - Equipment # and description (Radio, SPOT, GPS, maps, first aid kits, etc.)
  - b. Update ***Sign-out/Sign-in Tracking*** sheet for all radios and SPOT units.
  - c. Call the PWV member (or Adopt-a-Trail person) regarding the status of their request.
  - d. If equipment requested is not available, leave a message for the next Office Crew volunteer.
  - e. Inform Arrowhead Visitor Center or Red Feather Lakes Work Center if any radios or SPOT units are to be checked out from their location. Tell them radio or SPOT unit X, Y, or Z, the date, and who is checking the radio/SPOT out.
    - Arrowhead phone number is 9-881-2152.
    - Red Feather Lakes Work Center phone number is 9-881-2937.
  - f. Place the equipment with the form in the PWV Equipment Cabinet in the Visitor Center.

G. Calls to members regarding patrols not reported:

- a. As the season progresses, a list of PWV volunteers who have not reported patrols will be posted in the office.
- b. Call individuals and ask if they did the patrol and remind them the report is due as soon as possible.
- c. Mark results on the call sheet or indicate if a message was left.

H. Other office duties as assigned...

EVALUATION AND REPORTING

A report is not currently being done. The data collected by the Office Crew could be a possible source of data for the usage of radios and SPOT units (and other equipment) in a season, including the rate of use, the frequency of use by time, trail, user, item, and location; length of time equipment is checked out for; rate of late returns and requests shorter than the preferred 72 hours.

## PATROL SCHEDULING

(B Hansen: October 2011)

### PURPOSE

Scheduling provides new and returning members, if requested, their summer patrolling schedule.

### CALENDAR OF EVENTS

**March:** A link to the on-line Patrol Scheduling Preferences Questionnaire is emailed to all new recruits and to returning members (especially potential mentors), with directions to complete the questionnaire within 2 weeks. [In the same email, new recruits and returning members also receive a PDF version of the Volunteer Agreement Form that must be filled out, printed, and returned to Kevin Cannon at the USFS (by U.S. Mail or in person).]

**April:** Volunteer Agreement forms are routed to the Forest Service Liaison.

Mentor Coordinator(s) recruit an adequate pool of experienced members willing to serve as mentors.

Survey Manager provides information regarding potential mentor patrol availability to the Patrol Scheduling Committee.

**Late April/Early May:** Committee schedules two mentor patrols and four other patrols (preferably with returning members as patrol partners) for all new hiking and backpacking recruit by Kick-off Night and, if time allows, schedules other patrols requested by returning members.

**Periodically during the season:** Send a broadcast letter to the membership, reminding members of the patrol alternative of Trailhead Hosting.

### PROCEDURES

The following information should be considered during the scheduling process:

- 1) Number of patrols requested by a member. (Some people want more than 6 patrols.)
- 2) Requested patrol partners, if provided.
- 3) Attempt to schedule at least 2 mentor patrols for each new volunteer. Work with the mentors' schedules and wishes.  
We try to have 2 new members per mentor patrol, but some mentors only want 1 new member on a patrol.
- 4) Match new member with a veteran for the rest of his/her patrols if you can.
- 5) Optimize trail coverage by attempting to cover all "high" (and "medium") priority trails as much as possible, to get the biggest bang for our patrols.
- 6) Attempt to schedule using requested dates.
- 7) Use appropriate trails—length, exertion and timing. Remember, some trails open later.
- 8) Match hiking rate and mode—slow, fast, hiker, backpacker . . .
- 9) Match patrol partner desires, if necessary. Some people don't want to patrol with opposite sex partners. (This is a bigger issue than I thought it would be.)
- 10) Members' follow-up. Contact new members, if not heard from by the cut-off date, and get clarification as needed.
- 11) Contend with late arrivals. There are always a handful of people who are late with their information.

*How this is done:*

Give Volunteer Agreement forms to the USFS Liaison. The Stock Patrol handles the forms, but scheduler captures data from those who also patrol via hiking. ??--?? Keep a spreadsheet of forms.

Mentor scheduling information (driven by Mentor Coordinator) is also obtained during this time. Work with the mentor leader to ensure an adequate number of mentors are available. A rule of thumb is to have at least enough mentors to equal half the number of new members. Mentor Coordinator uses a process to ensure the mentors are acceptable and trained. (We have had a lot of hiking mentors recently, but there is usually a need for backpacking mentors.)

The most time consuming part is ensuring the new members have at least 2 mentor patrols. The first new member patrol is always with a mentor. After that, they might have a patrol with a veteran until a match between mentor and new member

schedule coincides. The scheduling should begin with assigning 2 mentor patrols to each new recruit (highest priority); beginning with backpack mentor patrols then hiking mentor patrols. The second priority is to schedule the four remaining patrols for new recruits paired with veteran PWVs. The lowest priority is scheduling patrols for returning members wanting to patrol with other returning members.

To accomplish this, the information provided in the Patrol Scheduling Preferences Questionnaire database is transferred into a spreadsheet. First the members are sorted into new, mentor and other returning members with the mentors and new members first. New members and mentors are then paired according to date and hiking preferences including speed, difficulty and gender preferences. Care should be taken to avoid back-to-back dates for mentors.

After the new members are assigned both mentor hikes, the remaining hikes for new members and all hikes for returning members are scheduled taking hiking preferences into account. If there is not a match in the “dates” spreadsheet, the Scheduling Committee will pick someone from the open date spreadsheet to fill that date. Then, step and repeat.

What isn’t included in this is the time needed to call members to get clarification on information in their questionnaire. There are always changes that occur during and after the schedules have been completed. About 10% of members will have changes, often due to work or vacation schedules.

**Stock Patrol Scheduling:** Please note that the Stock Patrol takes care of its own scheduling. At this time, since it is a much smaller group, mentor patrols are scheduled by the mentors. Scheduling the rest of the patrols is done by the individuals utilizing the website.

#### SCHEDULING COMMITTEE QUALIFICATIONS

1. Ability to manipulate spreadsheets (and databases)
2. Knowledge of all PWV trails including trail suitability for mentoring, trail-specific opening dates, hiking versus backpacking trails, trail difficulty, etc.
3. ?

#### EVALUATION AND REPORTING

The patrol scheduling process and outcomes should be reviewed and assessed each year at the end of the summer patrolling season to identify successes and shortcomings. The results of this process should be reported to the Board and used as a basis for improving the process in future years.

## UNIFORMS

(K James: October 2011)

PURPOSE To order and distribute new shirts, name badges, hats, coats and other uniform items the membership feels is appropriate.

### CALENDAR OF EVENTS

- March:** Attend the interviews, usually held on 3<sup>rd</sup> and 4<sup>th</sup> Saturdays in March. Help each new recruit determine the size of uniform shirt they need. Volunteers will be given a flier indicating the uniform items that are available for purchase. Provide the Treasurer with a list of items ordered by new recruits. The Treasurer will send out invoices to the new recruits for shirts, badges, and hats.
- May:** Order the uniform items in time for delivery before Spring Training.  
**Spring Training:** Assign a volunteer to count and distribute the uniform items to the volunteers.

### PROCEDURES

It is important to have everyone in PWV dressed in the same uniform. The shirts are manufactured by Columbia. Our cost for the new shirt (and patches) is \$35 (some larger sizes are more expensive, but we don't have many of them). Each new recruit or member is charged \$20.00 for their first shirt and full cost for additional shirts (refundable for a new recruit who drops out and returns their shirt in "as new" condition).

Item	Vendor	Phone	Details	Comments
Shirts	Shyda's Shoe & Clothing Barn	717-274-2551	Brand = Columbia	Wholesale/retail distributor for Columbia, located in Lebanon, PA
Name Badge	Craft Trophy Co.	970-482-1158		Each new recruit is charged \$10.00 for a name badge (non-refundable).
Hats	Classic Designs			
PWV Patches	Embroidery (Loveland, CO)	970-667-4084		Patches are sewn to the uniform shirts and other uniform items
USFS Volunteer Patches	USFS	970-295-6722	Contact PWV USFS Liaison to order them.	(armbands, packbands, and safety vests) by a Uniform Committee volunteer.
Other Items	Various			Order as needed (e.g., coats, stock blankets)

### EVALUATION AND REPORTING

Send an inventory of remaining items to the Treasurer in June.

Solicit comments and suggestions from the membership regarding quality and member satisfaction regarding uniform items.

## **ORGANIZATION HANDBOOK COMMITTEE**

(M Corbin: January 2012)

### PURPOSE

The purpose of the Organizational Handbook Committee is to manage the process of maintaining the PWV Organizational Handbook in order to document the processes by which PWV is managed. The Organizational Handbook Committee procedure includes processes for: reviewing and updating existing content, approving new content, and inactivating unnecessary content. The committee shall coordinate the updating and approval of the content to ensure that PWV has well documented processes. The procedures are meant as a guide to assist the PWV Board of Directors, Executive Committee, committee chairs, and the members to perform the various tasks required to manage PWV.

### CALENDAR OF EVENTS

- No later than the April Board meeting a report will be made to the Board regarding the annual review of all Organizational Handbook content.

### PROCEDURES

- New process write-ups will be drafted when required.
- Content may be updated any time it is required.
- Each Organizational Handbook process write-up will be reviewed annually (or more frequently, if necessary) by the Organizational Handbook Committee, and by the current committee chair(s), and/or selected PWV members.
- The Organizational Handbook Committee will request each committee, or the individual responsible for the procedure, to review the process write-up and recommend whether it requires revision.
- Each group of reviewers will be selected by the Handbook Committee and a schedule will be established for completion of the review.
- Based on its review, the Handbook Committee can request that a process write-up be revised or otherwise changed to meet PWV's needs. Additionally, a committee or other reviewer can request that a process write-up be updated or revised.
- All new or updated content will be reviewed by the Handbook Committee and the PWV Board chair. Updated content that has a change in intent and/or substantial all new content will be reviewed and approved by the Board. Content updated for improved wording and further clarification without change of intent (as judged by the HB committee) will be approved by only the HB committee.
- The HB is a living document published on the PWV Website and updated with new and revised content as soon as it is approved. The Board will be notified of each update or new content as soon as it is posted on the PWV Website. The total PWV membership will be reminded at least annually of the existence of the HB on the PWV Website and at the discretion of the HB committee, notified of significant new or changed PWV Organizational Handbook content.

- When a process write-up is deactivated it will be maintained in a “Retired” file for future reference.

#### EVALUATION AND REPORTING

Each April the Organizational Handbook Committee chair will provide the Board with a brief summary report documenting the annual review of the Organizational Handbook and what updates have been made. The Board will also be notified of each update or new content as soon as it is posted on the PWV Website.

## **OPERATIONS**

### **ADOPT-A-HIGHWAY**

(Kristine Williams: October 2011)

#### **PURPOSE**

To perform community service by removing litter from mile marker 69 to mile marker 73 along Highway 14 in the upper Poudre Canyon

The program is managed by the Colorado Department of Transportation's Greeley office located at 1420 2<sup>nd</sup> Street, Greeley, CO 80631. Their phone number is 970-353-1232.

#### **CALENDAR OF EVENTS**

**September:** Every two years CDOT will send a letter of renewal to the coordinator for the PWV Adopt-A-Highway commitment. Even though the CDOT agreements require 4 pick-ups a year their office understands that PWV only does 2 pick-ups during their hiking/riding season in order to avoid the inclement weather of high mountainous terrain.

**April:** Advise the Chair-elect to help schedule 2 days on the annual PWV calendar for litter patrols.

**May:** Call the Poudre Canyon CDOT office at (970-881-2128) to arrange a time to get orange garbage bags. Required orange safety vests are provided by the AAH coordinator. The safety video presented before each litter patrol is provided by the CDOT office in Greeley or downloaded from their web site.

**Prior to events:** Send a PWV broadcast email to all members two weeks before a scheduled litter patrol to request volunteers.

**5 days prior to events:** Call the Poudre Canyon CDOT office at (970-881-2128) to inform employees of the patrol and to allow them time to schedule a truck to pick up filled garbage bags from the area

**Week before events:** Plan lunch and shop for needed food, water and drinks.

**Directly after events:** Call CDOT to inform them of the completed litter patrol and indicate the number of orange bags left along the roadside for them to picked up.

Send a thank you email to all the volunteers who contributed their day.

#### **PROCEDURES**

Though this is a community service project, it also counts toward the PWV 6-patrol days a season commitment. Litter patrols are a great way to meet new volunteers and spend time with invited family and friends. Lunch is provided after the patrol and volunteers then return home knowing their time has made a big difference to an area improved by their efforts.

**Organizational Duties:** Stress carpooling and items (PWV uniform, sun block, rain gear, sturdy shoes) needed for the litter patrol.

With 10 volunteers and 2 vehicles, drivers and teams can pick up litter for 2 miles on 2 different loops.

Arrange a meeting place (where the CDOT Safety Video can be shown) for all volunteers and determine a lunch spot.

Show the required CDOT safety video and distribute the orange vests and garbage bags.

Give volunteers printed instructions describing the designated safe parking areas and the specific litter patrol boundaries.

When finished, meet in a scenic location for a great potluck or picnic or at a nearby restaurant to celebrate PWV's good deed!

*We do future generations a great favor by removing aluminum cans that can last 200-400 years; plastic containers and bags 20-30 years; cigarette butts 2-5 years, plastic 6-pack holders 450 years, and Styrofoam and glass bottles can take thousands or millions of years and might never completely break down. Our forests, rivers and wildlife will reap the benefit of our good deeds. Some statistics show the largest groups of people who litter are young teens; and they are encouraged to join us in hopes that we can set a good example for them.*

**EVALUATION AND REPORTING**

At the conclusion of the PWV season, deliver a report to the PWV Board detailing the number of volunteers who participated in the patrols, the number of litter bags collected, and other pertinent information.

## **ADOPT-A-TRAIL (NORTH FORK TRAIL #929)**

(G VanDeMark: October 2011)

### **PURPOSE**

The following paragraphs have been taken from the USFS Memorandum of Understanding U.S. Department of Agriculture (Forest Service) and PWV. The document describes maintenance standards which both parties agree to meet and establishes the working relationship between the parties. Work under this document will be authorized through an annual agreement for sponsored volunteer services.

Volunteers “will perform light and heavy trail maintenance on the North Fork Trail for the Adopt-a-Trail program in the Canyon Lakes Ranger District. Trail work may include, but is not limited to cleaning and construction of drainage structures such as water bars, brushing, limbing and removal of downed trees on the trail.”

*Copies of the most current Adopt-a-Trail documents are attached at the end of this document.*

### **CALENDAR OF EVENTS**

**Dates** We have chosen to select 4 monthly work sessions during the PWV hiking season to perform trail maintenance activities on the North Fork Trail. The dates are chosen after consulting with the PWV Trail Crew and so as not to conflict with its work weekends. For example, in 2011, the scheduled work days were: June 11 & 12, July 16 & 17, August 24 & 25 and September 10 & 11.

### **PROCEDURES**

**Recruiting** The membership is surveyed by email prior to Spring Training to recruit members who are interested in helping with this effort. We have intentionally avoided attempting to recruit volunteers who have not completed at least 1 year on the trail implementing the primary mission of PWV – routine trail patrolling (“... to field citizen volunteers to serve as wilderness rangers and hosts for the purpose of educating the public ...”).

**Notify Volunteers** Once a list of volunteers has been obtained in early spring, the schedule of work weekends for the summer season is communicated to the interested volunteers by email, asking them to reserve as many of these work dates as possible.

**Hike Trail/Make Work List** The Adopt-a-Trail (A-A-T) leader(s) hike the trail in early Spring from the trailhead to the RMNP boundary and then update a list of the work (photos and notes) that needs to be done on the trail. We consult with the USFS Liaison and add to the list the work he feels needs to be completed. Then a plan is created detailing the work we hope to accomplish during the 4 weekend sessions.

**Notify Participants** About 2 weeks prior to the scheduled work weekends, a detailed email is sent to the interested volunteers, telling them what work we plan to do and asking them to advise us of what days they can work.

### **Tools needed**

A few days prior to the work dates, gather up specific tools, hard hats, first aid kit(s), and other equipment needed for the work that is planned. Based on the number of separate work teams we have spread out along the trail, pick up necessary USFS radios. PWV has some tools — some of which were purchased with grant money — that are available from the PWV storage unit. *A list of PWV tools is attached.* Garin has been storing PWV tools in his garage during the summer months and returning them to PWV storage facility for the fall, winter and spring months. Additional USFS-owned tools are available from the USFS Ad Site tool room.

### **At the Trailhead/Safety/Work Day**

Drive to the trailhead each work day with the tools needed for the work. Usual meeting time at the trailhead is 8:00 AM or so (adjusted for the distance some may need to drive). Gather and discuss the work planned, assign the tools to be carried to the work site, determine who has First Aid training and what is the plan of action in case of injury or accident, fill out the A-A-T

paperwork for the USFS CLRD A-A-T Coordinator, and have a trailhead safety talk. The work day ends between 3:00 and 5:00 pm.

#### **Work Area/Tool Cache**

The work completed to date has been relatively close to the trailhead, but much more needs to be completed beyond the meadow, close to the RMNP boundary, a 3.5 to 4.5 mile hike. We are considering working weekends where we hike in and make camp, possibly at designated campsites sites 8 or 9, and work from there; and working an early weekend in summer and asking some stock folks to pack the tools in and creating a tool cache close to the RMNP boundary to eliminate the need to carry tools for each work session. We may ask the stock folks to be available the Friday preceding the work weekend, to pack in the volunteers' camping gear, and the Monday after weekends so the weekend folks can hike carrying only day packs.

#### **Prep Work**

In planning each work session, it has been necessary to do preparation work at home and on the North Fork Trail in advance of the general A-A-T weekends. This planning work can then be related in the detailed e-mail sent prior to the weekend work.

#### **EVALUATION AND REPORTING**

After each work session, the PWV and USFS tools are inspected, cleaned, and any damaged tools repaired or replaced. The PWV tools are returned to Garin VanDeMark's garage and USFS tools to the USFS Ad Site. A day or so after each work weekend, a PWV A-A-T report is completed on the A-A-T website, listing the volunteers who worked each day and the work accomplished.

### **VOLUNTEER SERVICE DESCRIPTION**

This Sponsored Volunteer Agreement is entered into to the mutual benefit of both organizations.

- In accordance with US Forest Service policy and the authorities contained within the Volunteers in the National Forests Act of 1972, individual volunteers contributing under this agreement will be considered federal employees for purposes (and only for purposes) of worker's compensation and tort to the extent not covered by the sponsor. In the case of this particular agreement, the sponsor (circle one) WILL or WILL NOT provide some form of worker's compensation and tort coverage.

- The sponsor agrees to ensure all volunteers recruited, trained, and sponsored pursuant to this agreement will adhere to US Forest Service Health and Safety Code Handbook provisions. The sponsor also agrees to ensure that all volunteers understand the health and physical condition requirements of the service project for which they are being recruited, and that the volunteers have an opportunity to disclose any medical conditions that may affect their ability to serve. Records of tailgate safety sessions and disclosed medical or physical conditions will be kept by the sponsor, and made available to the US Forest Service upon request.

- The sponsor is required to keep an up-to-date and accurate list of all volunteers contributing under this agreement, and to provide that list to US Forest Service managers immediately upon request. In the unfortunate event of a volunteer injury, the sponsor will be required to provide written proof that the volunteer was indeed recruited, trained, and serving in accordance with the provisions of this agreement prior to US Forest Service provision of Volunteers in the National Forests Act benefits.

**Duties and responsibilities will include, but are not limited to:** At least two trips for trail maintenance that could include clearing brush and limbing, cleaning, repairing, or replacing water drainage structures such as waterbars, and bucking out downed trees across the trail. All work will conform to the standards set forth in EM-7720-102 Standard Specifications for Construction of Trails, or as directed by Forest Service personnel assigned to this project. All work will be scheduled and reported on the AAT website within two weeks of performance. This agreement may be terminated if work is not performed on the trail for at least three consecutive years.

The volunteer organization will provide:

- Gloves and eye protection, and any personal gear including camping equipment.
- Trail crew leaders and adult supervision for youth volunteers.

The Forest Service will provide:

- Basic trail maintenance tools such as shovels, Pulaskis, and hand saws, as available, for each work day, until the organization can provide their own tools.
- Technical guidance and annual trail maintenance workshop for trail volunteers and leaders.
- An Adopt-A-Trail sign after one year of trail maintenance and three year commitment.

## PWV RESTORATION COMMITTEE

(M. Corbin December 2912)

### Purpose:

The PWV restoration committee was formed to assist the USFS in restoring Forest assets such as trails, campgrounds and any other forest asset to their proper condition. The committee was first formed after the High Park Fire specifically to assist in rehabilitating a number of trails which were damaged in the fire. PWV will organize and manage each restoration project under the oversight of the USFS. This will include finding volunteers, either PWV members or others, to assist in the project, raise and manage the funds needed, provide crew leads to lead the volunteers and organize and manage each work day.

### Calendar of Events:

- One month prior to a work day meet with the USFS to set the date.
- Three weeks prior to work day
  - Contact crew leads
  - Start publicizing event
  - Ensure that there are enough mementos for all the volunteers expected to attend. Buy more if required.
- Two weeks prior to event
  - Arrange to have people to lead sign-in and parking
  - Send email to all PWV members announcing event
  - Send email to all non-PWV members on the contact list
  - Conduct trail survey hike with USFS representative to plan work.
- Week before event
  - contact all volunteers with the details of the event;
    - Place to meet
    - Time to meet
    - Parking details
    - What to bring
    - What to wear
  - Buy snacks and water to have at the workday.
- Last week
  - Maintain contact with all volunteers to notify them of any changes.
  - Send final email to all volunteers two days prior to the event to remind them.
- A few days after the event send a note of thanks to all volunteers who attended.
- Ensure that the contact list is updated to show all new volunteers, their contact information and who attended this work day.

### Procedures:

- Fundraising
  - Funds may be raised from local companies, friends of the forest, grants or any of the normal PWV fundraising sources. For more on PWV fundraising see the Fundraising process write-up in this document.
- Publicize the event.
  - Send an email to all PWV members. (figure 1)
  - Send an email to all volunteers on the restoration contact list. (figure 2)
  - Notify other USFS volunteer groups
  - Contact other volunteer organizations and clubs
  - Contact news organizations (USFS PAO can assist)
- Manage the Volunteer sign up emails and contact list. This list contains the names and contact information for everyone who has expressed an interest in volunteering for a restoration project. (see figure 3)
- Communicate with signed up Volunteers prior to work day. A series of emails are sent to the volunteers to update them on what is planned and the specifics of the upcoming work day. (figure 4)

- Provide crew leads. PWV finds qualified personnel to lead work crews for each project. These people should be experienced in the type of work to be done. They may or may not be PWV members. The USFS will also provide crew leads.
- Providing PWV tools for use on the trail. PWV will provide as many tools as are available for each work day. This includes supplies such as gloves, safety glasses and additional hardhats. The USFS will also provide tools.
- Parking must be planned and organized for each work day. At some work sites parking can be a major issue and a plan should be in place prior to the work day. Someone should be appointed to organize the parking on the day of the project.
- Food and drink will be provided for the volunteers. All volunteers are asked to bring their own water and lunch but PWV will provide some extra water both for on the trail and at the end of the day as well as light snacks such as granola bars or fruit.
- Conduct a survey hike of the trail to be worked with the USFS. The purpose of the hike is to identify task that need to be completed on the work day. The crew leaders are invited to attend this hike.
- Mementos (i.e. shirts or water containers) will normally be provided for all Volunteers.
- Assign people to manage the parking and volunteer sign-in.
- Manage the process on the work day. This includes:
  - Parking
  - Volunteer sign-in
  - Tool issuance and check-in
  - Assigning volunteers to work groups
  - Providing water and snacks
  - Issuing mementos at end of day
  - Keeping records of attendance
  - Getting USFS volunteer agreements signed and turned over to the USFS
- Maintain records of who attended and making sure everyone has a USFS volunteer agreement signed. The volunteer agreements are the responsibility of the USFS but PWV assists in getting them signed at volunteer check in.

Evaluation and Reporting:

- Get feedback from USFS on how the event went.
- Note any issues or problems that occurred.
- Document the numbers of volunteers who attended.
- Report back to the board annually of the projects accomplished.
- Send information to news organizations.

Figure 1  
Email to PWV Members

Poudre Wilderness Volunteers (PWV) once again is organizing a work day to assist the Canyon Lakes Ranger District.

As part of supporting the USFS in its effort at restoring the forest trails after the High Park Fire, PWV will be doing trail work on the Hewlett Gulch Trail on Saturday, August 18th and we need your help.

All levels of assistance are needed. While some of the work will require heavy physical labor much of it will be within the reach of folks who are fairly active such as regular hiking or exercise.

We will need people at the trail head, letting the public know that this trail is not open - it is a work day to open it. We will be using tools to work on drainage issues, also moving rocks to create water dams, using down trees to help with soil preservation, etc. The goal is create a safe experience for hikers and to stabilize the trail.

Further information will be provided as we closer to the event.

We look forward to hearing from you.

If you have any question give Mike or Mark a call or email.

Email to all Potential Volunteers

Poudre Wilderness Volunteers(PWV) once again is organizing a work day to assist the Canyon Lakes Ranger District.

As part of supporting the USFS in its effort at restoring the forest trails after the High Park Fire, PWV will be doing trail work on the Hewlett Gulch Trail on Saturday, August 18th and we need your help.

All levels of assistance are needed. While some of the work will require heavy physical labor much of it will be within the reach of folks who are fairly active such as regular hiking or exercise.

We will need people at the trail head, letting the public know that this trail is not open - it is a work day to open it. We will be using tools to work on drainage issues, also moving rocks to create water dams, using down trees to help with soil preservation, etc. The goal is create a safe experience for hikers and to stabilize the trail.

Tools will be provided at the work-site.

Work Dress:

Long sleeve shirt & pants (no shorts), gloves, work boots - work helmets will be provided. There will also be gloves and safety glasses available.

Meeting Time:

8 am on Saturday, August 18th---Due to the limited number of parking places at the Hewlett Gulch Parking Lot, we will be parking cars at the GREYROCK TRAIL HEAD. A shuttle bus is being provided.

RSVP:

Please RSVP your participation to: [PWV4Trails@gmail.com](mailto:PWV4Trails@gmail.com)

Phone Number (including area code)\_\_\_\_\_

Physical activity capability: Heavy\_\_\_\_\_ Moderate\_\_\_\_\_ Light\_\_\_\_\_

Description of physical activity capabilities:

All levels of physical activity will entail digging with a shovel, moving various size rocks and getting very dirty.

Heavy activity will entail hiking approximately 3.5 miles and then performing trail work for approximately 5 hours.

Moderate activity will entail hiking as much as 2 miles then performing trail work for approximately 5 hours.

Light activity will entail hiking no more than 1 mile and then performing trail work for approximately 5 hours.

Any special medical conditions we should know about. \_\_\_\_\_

I plan to attend the workday on August 18th. Yes\_\_\_\_ No\_\_\_\_ Maybe\_\_\_\_

How many folks you are bringing, in-addition to yourself. \_\_\_\_\_

{Please provide their names to make check-in faster.}

We look forward to hearing from you.

If you have any question give Mike or Mark a call or email.

**Figure 4**  
**Final Email to all Volunteers**

For all you folks looking for something fun to do tomorrow don't forget PWV is organizing another work day to repair damage from the High Park Fire. This one will be on the Mt McConnel and Kreutzer Nature Trails. Come on out and have a fun day with other PWV members.

Details of when and where are below.

**Work Dress:**

To perform the trail work you are required to have appropriate work attire: long sleeve shirt & pants (no shorts), gloves, work boots. This will be physical labor so make sure you dress to work and get dirty. Mt. McConnel and Kreutzer Nature Trails will be sunny and hot or it could rain so make sure you have sun screen, lots of water and rain gear.

Tools, to include safety helmets, glasses and work gloves will be provided at the work-site.

**You Should Bring:**

Each participant should bring their own water, lunch, snacks, sun screen and rain gear.

**Forest Service Requirements:**

The Forest Service requires that everyone present be at least 18 years of age. Also no dogs, guns or alcohol are allowed.

**Meeting Time and Place:**

The trail head is located in the Mountain Park Camp Ground 23.5 miles up Highway 14 from Ted's place. It is just past mile marker 99. You should plan to get to the trail head about 8 am on Saturday, September 8th.

Activity will be completed and everyone should be back to the trailhead by 4:00 pm.

Since there is limited parking at the trail head, you may wish to car-pool to the Mt. McConnel and Kreutzer Nature Trails. Ted's place located at the intersection of Highways 14 and 287 is a great place to park a vehicle for car pooling. It will take you about 30 minutes to drive from Ted's place to the trail head. We will have an individual at Ted's place to help coordinate the car-pooling.

All participants will receive a commemorative T-shirt or water container as a thank you.

Any questions or comments, please contact Mark and/or Mike.

## KIDS IN NATURE

(B Benjamin: October 2011)

### PURPOSE

The mission of the PWV Kids in Nature (KIN) program is to connect kids with Nature and foster environmental awareness, respect and land stewardship through fun, educational programs and direct experience. Our goals are to:

- Connect kids with Nature via fun, hands-on experiences.
- Educate kids about natural processes and wild animals and plants.
- Encourage kids to respect natural areas and practice land stewardship.
- Introduce kids to selected outdoor skills.
- Instill a sense of wonder and appreciation for Nature in kids.

### CALENDAR OF EVENTS

**October – April:** Recruit PWVs to participate in KIN program.

**April-June:** Contact agencies and schedule a series of hikes for the upcoming season.  
Advise the Chair-Elect of the KIN dates for inclusion on the PWV calendar.

**July-August:** Conduct KIN hikes

### PROCEDURES

PWV volunteers spend about a half day on the Young Gulch trail with a maximum of 8 children, **ages 7 through 11**, and their parents or their group leaders. We balance planned activities with “teachable moments” that occur as we hike.

**Sources of kids:** To date, most of the kids who participate in KIN hikes have come from Boys & Girls Club, Partners Mentoring Youth, and La Familia (beginning in 2011).

#### **Prior to the KIN Hike:**

##### **Contact Individuals or Agency Liaisons and collect signed Permission forms:**

1. Contact agency liaison or parents/guardians at least 4 weeks in advance of hike.
2. Schedule the KIN hike on the PWV Patrol Scheduling & Reporting Website, choose “KIN” under Trip Type.
3. For individuals, schedule pre-hike meeting date/time/place for at least 1.5 to 2 weeks prior to the hike.
4. For agencies, take the Organizational Liaison Information and Parent/Guardian Information sheets and Permission forms to the agency liaison at least 3 weeks prior to the hike.
5. Collect the necessary permission forms at least one week prior to the hike.

##### **Contact Volunteers (e-mail or phone) at least 2 weeks in advance of hike:**

1. Recruit and/or confirm a minimum of 4 PWV volunteers per each 8 kids.
2. Make sure there are at least two adults of each gender for a mixed-gender group of kids.
3. Determine car-pooling plan and arrange to meet at the trailhead 30 minutes before the kids.
4. If applicable, inform volunteers of date/time of pre-hike meeting and encourage attendance.

#### **Gather equipment needed for hike:**

1. Contact KIN chairperson to arrange to get a set of three KIN boxes: Give-Aways, Loaners, and Food (see below for contents).
2. Make sure the neck pouches are prepared for each kid including prepared name-tags (see the sample neck-pouch included in the Give-Aways Box.)
3. Reserve and pick up at least one USFS radio. and one SPOT unit ?)

#### **Prepare to give Trailhead Safety Talk (See KIN Manual or materials in KIN boxes)**

#### **On the KIN Hike:**

1. One-half hour before the kids are due, gather PWV Volunteers at the trailhead, assign initial responsibilities for handing out equipment, discuss KIN hike process including “teachable moments,” and assign leader, “caboose,” and activity facilitators for the hike.
2. Meet the kids and accompanying adults at the trailhead.
3. Pass out the neck pouches and PWV bandanas
4. Conduct the Trailhead Safety Talk. Keep it as brief as it can be and still cover essentials – kids this age are only going to attend for 5-7 minutes.
5. Hike for approximately one and a half hours taking frequent breaks to observe things along the trail, drink water, have a snack, and/or participate in an activity. We hike at the kids’ pace and only go as far as the kids’ stamina and interest allow.
6. At about 11:00-11:15 am, stop for lunch and an activity.

7. Turn around after lunch to return to the trailhead by about 12:30 pm
8. At the end of the hike, hand out T-shirts and make sure you have gathered all the loaner equipment and returned it to the Loaner Box.

#### EVALUATION AND REPORTING

##### **After the KIN Hike:**

1. File a patrol report on the KIN hike on the PWV Patrol Scheduling & Reporting website
2. Complete a KIN Hike Summary based on the template and send it to Kevin Cannon and the KIN chairperson.  
Ask all of the adult participants in the KIN Hike (PWV volunteers, agency liaisons, and parents) to complete the online Adult Evaluation of the KIN hike Tell them that you will email the link to the evaluation.

#### **KIN EQUIPMENT & SUPPLIES (KIN Boxes<sup>1</sup> Contents)**

##### **Small Blue Box: Give Aways**

- Name tags
- Kids' first-aid kits
- T-shirts
- Bandanas
- Scavenger hunt forms
- Whistle/compass
- Neck carrying case w/  
    Trail guide  
    Pencil  
    6" Rulers  
    Nametags  
    LNT cards
- Trail snacks

##### **Large Blue Box: LoanersIce Chest: Food Box**

- Day packs for kids
- Safety talk guide
- Binoculars
- Loupes
- Kids' ponchos
- Adult first-aid kits
- Fold-up field guides
  - Hand wipes
  - Insect repellent
  - Sunscreen
  - LNT "dance" description
  - Trail activities list
- Adult hike evaluations
  - Clipboards w/checklist
  - Pre-hike meeting agenda

<sup>1</sup> = Note that there are two sets of KIN boxes (to facilitate "back-to-back" hikes)

The most recent PWV Kids in Nature Annual Report can be found on the PWV website under About Us, Programs, Kids in Nature.

## Kids in Nature Activity Consent Form

The Kids in Nature Environmental Education program is intended to provide opportunities for youth to participate in nature walks on Canyon Lakes Ranger District trails, together with a parent or legal guardian, or leaders from a sponsoring youth organization. Activities will be led by trained Poudre Wilderness Volunteers (PWV). PWV leaders will meet with participants prior to the activity to conduct a trail safety session and activity expectations.

### We welcome your participation in the Kids in Nature Environmental Education Program.

It is recommended that parents keep a copy of the form and contact the program leader in the event of any questions or in case emergency contact is needed.

First name and middle initial \_\_\_\_\_ Last name \_\_\_\_\_

Birth date (month/day/year) \_\_\_\_ / \_\_\_\_ / \_\_\_\_ Age during activity \_\_\_\_

Street Address \_\_\_\_\_ City \_\_\_\_\_ State \_\_\_\_\_ Zip \_\_\_\_\_

The above participant has approval to participate in the Kids in Nature Environmental Education Program from \_\_\_\_\_ (Date) to \_\_\_\_\_ (Date).

- Without restrictions
- Special considerations or restrictions (list any known medical conditions, allergies, or restrictions):  
\_\_\_\_\_  
\_\_\_\_\_

### Hold Harmless Agreement

I understand that participation in the Kids in Nature Program activities provided by Poudre Wilderness Volunteers involve a certain degree of risk and can be physically, mentally, and emotionally demanding. I have carefully considered the risk involved and have given consent for myself or my child to participate in this activity. I also understand that participation in this activity is entirely voluntary and requires participants to abide by applicable rules and standards of conduct. I release the Poudre Wilderness Volunteers organization, its board of directors, the activity coordinators, and all volunteers, related parties, or other organizations associated with the activity from any and all claims or liability arising out of this participation.

### Photographic Authorization

- Yes
- No

I authorize the use of the non-commercial use of myself or my child's image in photographs taken during Kids in Nature Environmental Education Program activities. Images may be used in Forest Service informational or volunteer program brochures, posters, and other printed materials.

### Participant Consent to Emergency Medical Care

In case of emergency involving my child, if I am not present, I understand every effort will be made to contact me. In the event I cannot be reached, or if I, as the participant am injured, I hereby give my permission to the medical provider selected by the adult leader in charge to secure proper treatment, including hospitalization, anesthesia, surgery, or injections of medication for me and my child. Medical providers are authorized to disclose to the adult in charge examination findings, test results, and treatment provided for purposes of medical evaluation of the participant, follow-up and communication with the participant's parents or guardian, if applicable, and/or determination of the

participant's ability to continue in the program activities.

Participant's signature \_\_\_\_\_ Date \_\_\_\_\_

Parent/guardian printed name \_\_\_\_\_

Parent/guardian signature \_\_\_\_\_ Date \_\_\_\_\_

## **STOCK PATROL**

(N Flippin: October 2011)

### PURPOSES

- Represent all PWV members patrolling with stock, identify and address issues and needs specific to stock patrolling and stock patrollers, and facilitate communication among members patrolling with stock, the Stock Committee, and the Board of Directors
- Promote the safe use of stock on the trail
- Promote Leave No Trace principles and practices for stock in the backcountry
- Promote and encourage effective methods of training and conditioning of stock for trail and distance riding
- Promote and encourage good horsemanship essential for trail riding and packing
- Promote and encourage caring for stock during and after trail rides and patrols
- Promote use of weed-free forage and proper pasture management

### CALENDAR OF EVENTS

**January/early February:** Call Lory State Park and reserve the first Saturday in May for the Horse Evaluation for 9 a.m. - noon.

**Early March:** Enlist stock patrol volunteers to assist with interviews of new volunteers, especially those who intend to patrol with stock.

Schedule Mounted Contingent Workshop & Horse Training Day (optional event) for mid-April (at the CSU Equine Center or other appropriate venue) and Horse Evaluation (mandatory event for new recruits) for early May at a suitable location. Advise Chair-Elect of these training dates.

Horse Evaluation coordinator requests and organizes volunteers to assist at Horse Evaluation on first Saturday in May.

**March: 3<sup>rd</sup> & 4<sup>th</sup> Saturdays** (confirm with PWV Recruiting & USFS). Participate in interviews of prospective volunteers. Have stock patrol applicants sign a special Volunteer Services Agreement form to allow them to participate in the training sessions. Participants must have up-to-date Coggins certificate for their stock.

**Early April:** Stock patrol meeting for new members (optional).

**Mid-April:** Stock Workshop & Horse Training Day for all stock patrol members (optional).

Create mentor patrol schedules for new recruits.

**Early May:** Horse Evaluation at Lory State Park or similar facility (mandatory for new stock patrol members, optional for returnees)

Kick-off Night (mandatory for all new PWV members).

**May (Weekend before Memorial Day weekend):** Spring Training (mandatory for all new PWV members).

**August/September:** Stock patrol weekend campout

### PROCEDURES

Stock Workshop & Horse Training Day, Horse Evaluation, and Spring Training:

#### **Safety**

A) Preparation:

- Training and readiness of mount
- Equipment
- Pre-planning, i.e., maps, routes, I,C,E., contact information
- Conditioning, human and equine
- Emergency contact information, identifying @ trailhead
- Personal safety

B) Environmental:

- Fire

- Weather, storms
- Wildlife

#### **LNT**

- A) Riding on durable surfaces
- B) Weed-free forage and pastures
- C) Restraint/containment
- D) Camping
- E) Packing
- F) Manure

#### **First aid**

- A) Human
- B) Equine
- C) Kit—what to take
- D) Hydration needs
- E) Triage, what to do first
- F) Summoning assistance
- G) Managing debilitating injury/illness (horse down)

#### **Preparation**

- A) Training, i.e. hobbles, blind fold, separation anxiety
- B) Aerobic conditioning, muscle tone, preventing tying up, colic, founder
- C) Desensitizing: Backpacker, water crossing, bridges, dogs, llamas, wildlife, cattle, bicycle, hiker, USFS radio, etc.

#### **Horse training**

- A) Expose riders to hikers, backpackers, tent campers, bike riders, simulated water crossing and llamas.
- B) Demonstrate ability to back up horse on trail.
- C) Discussion of stock-specific safety concerns
- D) Other presentations.

#### **Horse Evaluation**

- A) Expose riders to: mounting and dismounting, hikers, backpackers, tent campers, bike riders, simulated water/bridge crossing and llamas.
- B) Pass/fail participants.

#### **Horse Camp at Spring Training**

- A) How to approach a horse camp
- B) Proper stock restraint/containment
- C) Certified weed-free feed

#### **EVALUATION AND REPORTING**

The Committee should document its meetings and deliberations and share this information on a timely basis with all PWVs patrolling with stock and with the Board of Directors to encourage and ensure open communication and involvement among all members patrolling with stock and other interested/relevant parties. The Committee is encouraged to prepare and distribute an annual report summarizing PWV stock patrolling activities, accomplishments, and challenges.

## HORSE EVALUATION EXAMPLE SHEETS

Lory State Park or similar facility (Early May)

Mount and Dismount

Bike Rider(s):

Llamas:

Dogs:

Tent/Camp:

Radio check

Coat off/on:

Wooden Bridge:

Backpacker:

Volunteers:

### PROCEDURES

Contact Lory State Park (phone 970-493-1623) in January/early February to secure form to reserve area for the Horse Evaluation. Evidence of insurance is required. Have the Park contact Kevin Cannon/USFS for verification.

Notify new recruits of date; they are **required** to attend. Encourage returning members to attend. RAIN has been a big issue for this time of year; plan for a back-up date.

We have asked mentors to schedule the 2 required mentor rides and to assist new members in doing their schedules for their other 4 patrols. Returning members schedule their own patrols.

Evaluation Form used May 7, 2011

EVALUATION activity: \_\_\_\_\_ (e.g., bridge/llamas/bicycle....)

Evaluator Name \_\_\_\_\_

**Please mark “X” in Acceptable or Unacceptable box and write comments to explain if needed.**

Acceptable = completed or with some practice will be able to complete

Unacceptable = unable to complete and/or handled poorly

Applicant name or #	Acceptable	Unacceptable	Comments
1			<p>sample comments</p> <p>Rider is able to control horse well.</p> <p>Crossed bridge without problem.</p> <p>Horse startled, but followed rider's direction.</p> <p>Rider was very gentle and calm</p> <p>Horse very nervous. Rider worked hard to get animal to cross.</p> <p>I was afraid the rider was going to fall off.</p> <p>Horse was not listening to rider. Horse is not safe for trail work.</p> <p>Rider could not get horse across bridge without getting off.</p> <p>Rider could not re-mount her horse.</p>

## **Philosophy**

Volunteers who patrol with stock not only must support the philosophy, purpose and requirements of all PWV members, but also have additional requirements as they bring stock into the Wilderness and National Forest. While stock is an all-inclusive term, it is expected the majority of animals will be horses, mules and llamas, either being ridden or used as pack animals. As responsible patrol members and stock owners, it is important to understand that volunteers are responsible for the health and well-being of their animals, their behavior on the trail and in camp, and their interaction with the public.

Stock volunteers have a unique opportunity to:

- Promote the safe use of stock on the trail.
- Promote Leave No Trace principles and practices for stock in the backcountry
- Promote and encourage effective methods of training and conditioning of stock for trail and distance riding.
- Promote and encourage good horsemanship essential for trail riding and packing.
- Promote and encourage caring for horses during and after trail rides and patrols.
- Promote and encourage the use of weed-free forage and good pasture management practices

Volunteers and their animals represent a wide range of abilities. It is not the intent of PWV to discriminate against any member or animal because of breed, type or conformation, or promote any one training method, but instead to assure safety for the public, volunteers and animals at all times.

## **Training**

It is not the intention of PWV Horse Evaluation /training to substitute for general ground work and horse or mule training. Instead, the aim is to educate members in what will be expected of them on the trail as volunteers. Public safety, volunteers and animals are to be considered at all times. At the end of the training, prospective volunteers and mounts will be asked to demonstrate their ability to accomplish the following:

- General knowledge of PWV and USFS rules and regulations, property boundary knowledge, particularly those pertaining to designated Wilderness.
- Educate the public on the use of Wilderness and non-Wilderness National Forest lands.
- The ability to follow trails by using a map.
- Proper handling and control of their mounts.
- Knowledge of minimum impact (LNT) land use techniques, including low impact camping and horse use on the trails.
- A knowledge of trail etiquette and safety, especially as it pertains to mounted riders.
- The ability to exhibit good judgment throughout training, emphasizing safety to the public, volunteers, and mounts.

Stock should demonstrate the following:

- Good manners, obedience and a willingness to cooperate with the rider/handler.
- The ability to load, travel and unload obediently from a horse trailer or other mode of transportation.
- The ability to remain tied overnight.

## **Duties**

Stock volunteers must perform the same duties as hiking volunteers, as well as the additional responsibility to assure their mounts are well prepared for the activities required of them, assuring safety to the public, volunteers and their mounts. Stock volunteers are in a unique position to educate the mounted public of "Leave No Trace" ethics, including the need for weed-free forage. They are ambassadors to the public of the equestrian and stock community, and can promote the use of stock in the forests and Wilderness to the public.

The Stock Patrol is not trained, certified, or otherwise authorized by any formal or informal agreement to enter into any activity that may be defined as law enforcement, life threatening or search and rescue while functioning as a PWV volunteer.

## **Trail Etiquette**

While not all inclusive, the following are considered basic “rules of the trail” for mounted and stock volunteers:

- 1) Never ride unless you and your mount are in sound shape and conditioned enough to complete the ride--public safety, your safety and animal safety depend on this. Conserve your mount enough so the day following the ride you can both travel the same distance again, if necessary.
- 2) Stop your horse when coming upon hikers. Say “hello”, make sure the hiker is not frightened by your animal, and then pass. While it is the hiker’s responsibility to move off the trail for the animal, it is better human relations to take this opportunity to educate the hiker about the best way to pass stock on the trail, especially on narrow trails.
- 3) Running up behind another animal may frighten it. Always be considerate of other users on the trail, and never cause another rider to lose control of his/her mount. Keep in mind that a young or “green” horse could become very excitable when approached in this manner, whether with a rider or a pack string.
- 4) Always be courteous enough to wait until a rider is mounted and ready to proceed before you ride away from him. This is especially important at gates, water spots and rest areas. Ask permission to leave if you need to do so before the other rider is ready to leave.
- 5) Be sure your horse is warmed up adequately before you move him into a trot or canter, and be sure to check with your companion riders to see if they or their horses are ready to move out. If they choose not to join you, ask them if you may leave, if you choose to, and be sure they can control their mounts when you do leave.
- 6) On narrow trails, keep at least one horse space (10-12 feet) between animals.
- 7) No smoking on the trail.
- 8) At lunch or any stop, do not tie your horse to a live tree where it might paw around the roots
- 9) Ride only on regular riding trails or roads. Some trails are for hikers only. When in doubt, ask.
- 10) While on patrol, you are representing the stock community, PWV, and the U.S. Forest Service. Be a good host. Educate about animals if you can.
- 11) Remember, public lands belong to all of us; they are a precious environment entrusted to our care. They should be disturbed as little as possible. We need to share them with our hiking, backpacking and mountain biking colleagues. Together, we can make a difference.
- 12) Remember, horses are the only biological creatures that are partners in a sport with their owners. As a horse person, you are totally responsible for the health and safety of your animal.

## TRAIL CREW

(B Manuel: October 2011)

### PURPOSE

- Clear deadfall from trails (especially Wilderness trails) in the Canyon Lakes Ranger District of the Roosevelt National Forest.
- Coordinate with USFS Liaison to conduct additional projects such as bridge construction or repair, major trail improvements, etc.
- Clear deadfall and possible rerouting of the Spring Training trail.
- Provide safety instruction for Trail Crew members.

### CALENDAR OF EVENTS

**Early in the calendar year:** Select the Trail Crew deadfall clearing dates and locations. In the past, this has covered at least 3 outings: 1) one in early in June for 4 days, car camping at Sleeping Elephant Campground; 2) one in mid to late June for 4 days, car camping at Jacks Gulch Campground, and 3) a 5-day backpacking trip in the Rawahs in early to mid-July.

(see following pages for a detailed example of dates and trails)

Coordinate with USFS Liaison about additional projects.

Coordinate with other Trail Crew groups (USFS & RMNA, Backcountry Horsemen, Adopt-A-Trail, etc.) to avoid overlapping coverage.

Once the dates are chosen, notify volunteers who have expressed an interest to give them advanced notice for planning their summer schedules.

Advise the Chair-Elect of the planned Trail Crew dates for the PWV calendar.

**April-May:** USFS Trail Crew Leader Training Course. Must have been attended by at least one member of each Trail Crew team.

**Prior to Spring Training:** Clear the Spring Training trail as necessary.

### PROCEDURES

- 1) Actively recruit volunteers to work with the Trail Crew, and keep an updated list of interested persons. First-year volunteers are not usually recruited so they may concentrate on their initial training and completing their 6 traditional trail patrols.
- 2) Assure the necessary tools/equipment are available at each Trail Crew outing.
- 3) Organize the Trail Crew teams. Emphasize safety; give a Safety Talk at the beginning of each session. Ensure that at least one member of each team has attended the USFS Trail Crew Leader Training course.
- 4) The Trail Crew leader should be familiar with the USFS Job Hazard Analysis for Wilderness & Trails. Safety of the Trail Crew volunteers is of prime concern because their work and hand tools can be dangerous and they do lifting and moving of heavy objects, in addition to being exposed to the same dangers as normal patrolling volunteers.
- 5) The Trail Crew leader should have up-to-date basic First Aid and CPR certification.

### EVALUATION AND REPORTING

Prepare an annual report of work accomplished for the Board and USFS.

*The most recent PWV Trail Crew Annual Report can be found on the PWV website under About Us, Programs, Trail Maintenance Crew.*

## 2011 Trail Crew Dates

- I plan to add the "FUN" back into the Trail Crew this year. I would like for our work day to be done, and have us back to our campsite by 5:00 PM. This will allow us to have a "Social Hour" before preparing our dinner.
- You will be seeing an e-mail from Kristy Wumkes in the near future giving the dates for the "trail crew leader training" (April 27 6-9 PM classroom session and April 30 field session). I would like to encourage all of you who plan to help with the trail work this summer and haven't attended this training in the past to sign up with Kristy (e-mail [kwunkes@fs.fed.us](mailto:kwunkes@fs.fed.us)) when the e-mail comes out.

We have not made it mandatory that all who participate in Trail Crew activities attend this training, but there must be at least one person on every team on the trail who has attended the trail crew leader training one time in their career. The more folks that have taken the training the easier it is to schedule who goes on what team when we assemble on the day of the actual trail work. Also the team leader has a much easier job of keeping everyone safe if his or her entire crew has taken the training. So if you haven't taken this training in the past and can possibly fit this in your busy schedule please do it. Not only will you learn some new stuff but it is also a good way of getting to know the PWVs and other USFS volunteers who do trail work for the Canyon Lakes Ranger District.

If you have taken this course before and want an update, you are also more than welcome to sign up.

- I have included below the tentative schedule for trail crew work this coming summer. You do not need to schedule these dates on the web page - we will take care of that when we complete the trail crew reports after we do the work. Your days on the trail doing trail work will count as part of your six day PWV volunteer commitment.
- The one requirement we do have is that anyone planning on helping on the trail crew have at least one year of PWV experience already completed.

### **June 3-6, 2011 - Car camp Upper Poudre Canyon**

June 3

Leave at 8:00 AM from Forest Service Admin. Site with tools  
Arrive at Sleeping Elephant Campground at approximately 9:30 AM  
Set up camp and begin clearing of Blue Lake Trail from Hwy 14 to snowline

June 4

Split into 2 groups  
1<sup>st</sup> group to hike West Branch Trail to snowline and clear trees only, working with RMNA crews  
2<sup>nd</sup> group to hike Rawah Trail (North) to snowline and clear trees only, working with RMNA crews

June 5

Split into 3 groups  
1<sup>st</sup> group will clear and maintain Big South  
2<sup>nd</sup> group will clear and maintain Roaring Creek  
3<sup>rd</sup> group to return to Blue Lake and maintain trail to snowline

June 14

Pack up camp and drive to Lower Dadd Gulch Trail  
Return to trailhead by 2:00 PM  
Return to Fort Collins

### **June 17-20, 2011 - Car camp Tom Bennett Campground and backpack from Comanche Reservoir to work Comanche Peak Wilderness trails**

June 17

Leave at 8:00 AM from Forest Service Admin Site with tools  
Backpacking groups will drop off vehicle at Browns Lake trailhead on Crown point Road, and a vehicle at Flowers Monument trailhead outside of Jacks Gulch

Arrive at Tom Bennett at approximately 10:30 AM  
Car camping group will set up camp and drive through Jacks Gulch Campground and clear the Little Beaver Trail and return to Tom Bennett by 5:00 PM  
Backpacking groups will meet Forest Service seasonals at Tom Bennett and drive to Beaver Creek trailhead and hike into campsite near Comanche Reservoir  
Backpacking group will clear Comanche Lake Trail and return to campsite near Comanche Reservoir by 5:00 PM

June 18

Car camping group will clear Emmaline Lake Trail and return to Tom Bennett campsite by 5:00 PM  
Groups 1 and 2 of backpackers will divide up with Forest Service seasonals  
Group 1 will clear the Hourglass Trail to tree-line and return to camp near Comanche Reservoir by 5:00 PM  
Group 2 will clear the Beaver Creek Trail to Brackenbury Cabin junction and return to camp near Comanche Reservoir by 5:00 PM

June 19

Car camping group will clear the Mummy Pass Trail and return to Tom Bennett campsite by 5:00 PM  
Groups 1 and 2 of backpackers will divide up with Forest Service seasonal and break camp  
Groups 1 and 2 will clear the Browns Lake Trail to the junction with Flowers Trail  
The Forest Service seasonals will continue to clear the Browns Lake Trail to the trailhead at Crown Point Road and pick up vehicle and drive to Tom Bennett where they will pick up their vehicles and return to Fort Collins.  
The PWV Trail Crew backpackers will clear the Flowers Trail and pick up vehicle at the Monument Trailhead outside of Jacks Gulch.  
The PWV car camping and backpacking groups will meet at Tom Bennett by 5:00 PM and commence happy hour.

June 20

Pack up camp  
Split into 2 groups  
Group 1 to drive to Signal Mountain Trailhead and clear portion of trail, and be back at trailhead before 2 PM  
Group 2 to drive to Stormy Peak Trailhead and clear portion of trail, and be back at trailhead before 2 PM  
Return to Fort Collins

### **July 7-11, 2011 - Rawah backpacking trip in conjunction with Stock Patrol**

July 7

Leave at 8:00 AM from Forest Service Admin Site with tools  
Drive to West Branch Trailhead and leave one vehicle there and meet Forest Service seasonals and RMNA crew.  
Continue on to Rawah Trailhead and proceed to hike and clear the Rawah Trail (North) to "six mile meadow" with Forest Service seasonals and RMNA crew (The camp is located on the north side of the drainage the Rawah Trail crosses approximately ½ mile before the Camp Lake junction; N40, 42', 17" – W105, 56', 18")

July 8

Split into 4 groups  
Group 1 of PWV and Forest Service seasonals to clear the Lost Lake Trail and return to campsite by 5:00 PM  
Group 2 of PWV and Forest Service seasonals to clear Link to junction with Medicine Bow South, Medicine Bow South to junction with McIntyre Creek, and then clear McIntyre Lake Trail before returning to campsite by 5:00 PM  
Group 3 of PWV and Forest Service seasonals to clear Rawah to Big Rainbow, Sandbar Lakes Trails, Rawah lakes 2 and 1, and return to campsite by 5:00 PM  
Group 4 RMNA crew to break camp and clear and maintain Lower (and Upper) Camp Lake Trails and hike out on the West Branch Trail to their vehicle.

July 9

Break camp and hike and clear the Rawah Trail over Grassy Pass to the junction with the West Branch Trail, leaving enough time to reach camp by 4:00 PM. We make camp off the West Branch trail just east of the junction of the West Branch Trail with the North Fork of the Laramie River (N40, 39', 33.5" – W105, 53', 57.0")

July 10

Split into 3 groups

Groups 1 and 2 of PWV Trail Crew will clear the West Branch to the Blue Lake junction. Group 1 will clear the Blue Lake trail to timberline, and Group 2 will clear the trail to Island/Carey Lakes returning to campsite by 5:00 PM

Group 3 of Forest Service seasonals will hike the West Branch to Rawah Trail and clear the Twin Crater Lakes Trail before hiking out the West Branch to their vehicle.

July 11

PWV Trail Crew to break camp and hike down the West Branch Trail and return to Fort Collins by early afternoon

This is a strenuous backpacking trip. If you are not up to a five-day backpacking trip or are not available but want to help out for a day or two you are more than welcome. Some folks in the past have chosen to hike in on Thursday spend the evening and hike back out the Rawah trail on Friday. Others who have the weekend available can meet up with us on the West Branch trail on Saturday and hike back out Sunday evening, or with us on Monday.

**August 13 – 14, 2011 - Hewlett Gulch Trail reroute**

August 13

Meet with Wildlands Restoration Volunteers and assist on reroute of section of Hewlett Gulch Trail returning home that evening

August 14

Meet with Wildlands Restoration Volunteers and assist on reroute of section of Hewlett Gulch Trail returning home that evening

**August 27 – 28, 2011 – Hewlett Gulch Trail Restoration** (Stock Patrol is invited to help transport revegetation materials)

August 27

Meet with Wildlands Restoration Volunteers and assist on restoration of section of Hewlett Gulch Trail returning home that evening

August 28

Meet with Wildlands Restoration Volunteers and assist on restoration of section of Hewlett Gulch Trail returning home that evening

**September 24, 2011 – National Public Lands Day on Mount Margaret Trail**

## TRAILHEAD HOSTING

(L Knowlton: October 2011)

### PURPOSE

To provide PWV volunteers with a less physically demanding alternative to hiking/riding as a way of fulfilling their annual 6-patrol commitment.

### CALENDAR OF EVENTS

### PROCEDURES

- Ensure that new volunteers are informed about this option/program at Spring Training.
- Send periodic email reminders about the program to all volunteers during the patrolling season. (Sample message below)
- Ensure a supply of trail descriptions is available from the Forest Service at the beginning of each season.
- Provide trailhead hosting guidelines to volunteers as requested (guidelines below).
- It would be useful if the person in charge of trailhead hosting would make a box (or boxes) of materials to take for hosting and require people to call ahead like they do for radios to pick up the box.
- Participants need to schedule Trailhead Hosting trips prior to each event.
- Trailhead Hosting can occur on a trail that is being patrolled on the same day.
- Trailhead hosts are encouraged to take a table or bench to hold materials and a chair.

### **Sample Message to Membership**

**“PLEASE DO NOT REPLY TO THIS MESSAGE!**

“This is a reminder about our Trailhead Hosting program, which may become desirable for you and may help attain your annual 6-patrol commitment. Briefly, trailhead hosting is situating yourself at a trailhead and talking to everyone going up/coming down a given trail. You will interact with users in much the same way you would while patrolling. In some cases, you may be able to give users information and advice on such things as trail length and difficulty, *The Ten Essentials*, water needs, camping restrictions, trail regulations, and dogs off leash, at a time when it will do the most good—BEFORE they make uncertain/wrong decisions.

“We do trailhead hosting 11 trails: *Big South, Blue Lake, Emmaline Lake\*, Greyrock, Hewlett Gulch\*, Lily Mountain\*, Lion Gulch\*, North Fork\*, Rawah (North), West Branch, and Young Gulch* (\* = added to list in 2011). You must be at the trailhead for at least 3 hours for the activity to count as a patrol, and you must have previously hiked the trail you will be hosting to assure your familiarity with it.

“You may be interested in trailhead hosting if you are injured and must take it easy for a while. Because this is a relatively low-risk activity, the Forest Service allows us to do trailhead hosting without a partner. This could be an option if you have a partner cancel a scheduled patrol and you cannot find a replacement.”

### EVALUATION AND REPORTING

Leader should provide the Board with a brief summary report documenting and analyzing trailhead hosting events by trail each year.

## **WEED CREW**

(J Shaklee: June 2011)

### **PURPOSE**

The Weed Crew was established to assist the CLRD with detection and documentation of noxious weeds along trails patrolled by PWV; verification of species IDs for weeds reported by volunteers; and participation in weed treatment activities, such as weed pulls or herbicide spraying when supervised by CLRD Rangeland Management Specialist. The Weed Crew also trains volunteers to identify, report and how to appropriately respond to selected weed species; and provides public education regarding invasive weeds. PWV members are encouraged to participate in Weed Crew training (see below for details) and/or one or more weed pulls each year to gain or sharpen their weed identification skills and contribute to this hands-on land stewardship activity.

### **CALENDAR OF EVENTS**

#### **Fall/Winter, begins after summer patrol season ends and extending to approx. March 31:**

- 1) Assure data and records from the past year's weed reporting, treatment and other activities are properly compiled, analyzed and summarized.
- 2) Write the Weed Crew Annual Report for the previous year and distribute to the Board, CLRD staff, Larimer County Land Stewardship Manager, Weed Crew participants, and others as appropriate.
- 3) Organize, plan and schedule 1-2 invasive weed meetings for volunteers for Winter/Spring?
- 4) Meet with CLRD staff and Larimer County Land Stewardship Manager to identify, plan, coordinate and schedule Weed Crew activities (incl. weed pulls) for the coming year.
- 5) Inform volunteers about the Weed Crew and recruit new members for the coming season.
- 6) Recruit and train assistant Weed Crew leaders.
- 7) Review and, as appropriate, revise the Invasive Weeds Chapter (incl. tables) of the Field Guide.
- 8) Create and post the current year's on-line PWV weed sign-up spreadsheet on Google Docs.
- 9) Plan for and organize the 5-species invasive weed training session for Spring Training.
- 10) Begin planning for Weed Crew 22-species training in early June (see below).

#### **Spring (roughly April 1 thru mid-June):**

- 1) Email the link to the on-line PWV weed sign-up spreadsheet on Google Docs.
- 2) Implement the 5-species invasive weeds training session for Spring training (see below).
- 3) Implement Weed Crew 22-species training for new and returning members (see below).

#### **Summer (roughly late May thru October 1):**

- 1) Supervise, coordinate and participate in Weed Crew activities and weed treatments.
- 2) Revise and adjust activities/dates in the schedule for weed treatments, as necessary.
- 3) Run weed observations query reports of USFS-PWV Trail Patrol Scheduling and Reporting database, evaluate weed observations, and schedule follow-up patrols for Weed Crew volunteers to verify sightings, as appropriate.

### **TRAINING MATERIALS, SUPPLIES, TOOLS, & EQUIPMENT**

Operations of the Weed Crew, including the basic weed training of new PWV members and the advanced weed training of Weed Crew members, and various field operations require a variety of supplies, tools, and other equipment. These items must be purchased, maintained, inventoried, and replenished on a regular basis. The accompanying Weed Crew inventory (Weed Crew tools & supplies 2010 inventory & assets.xls) summarizes Weed Crew items currently on hand.

### **EXPENSES & FUNDING**

The Weed Crew has funded its annual operations through a combination of PWV funds and monies obtained via grants. We have applied for and received funding from the Larimer County Open Lands Small Grants for Community Partnering (\$929 in 2008; \$1,500 in 2010) and Pulling for Colorado (\$900 in 2008). In addition, the Weed Crew has received funding directly from PWV in most years. The Weed Crew has requested \$335 in PWV support for 2012 (see accompanying budget request) and submitted a grant proposal to Larimer County Open Lands Small Grants for Community Partnering for support of the

Weed Crew (\$1,313). Copies of the various Weed Crew grant proposals and of the accompanying final grant reports can be found in the records of the Weed Crew and/or the records of PWV.

Additionally, the PWV Weed Crew has furnished refreshments (typically orange juice and candy bars) to weed pull participants after each weed pull. The cost of these refreshments has amounted to approximately \$150 per year and has been donated by the Weed Crew leader and/or the leaders of individual weed pulls.

**EVALUATION AND REPORTING**

Submit an annual report to the Board, USFS-CLRD, and Larimer County Weed Program.

*The most recent PWV Weed Crew Annual Report can be found on the PWV website under: About Us, Programs, Weed Crew.*

## **WEED TRAINING SESSION AT SPRING TRAINING (5 SPECIES)**

(J Shaklee: October 201160)

### PURPOSE (Goals & Objectives)

This training session has been offered at Spring Training because most new recruits have little or no knowledge of noxious weeds and PWV expects its members to identify and report the occurrence of 5 species of noxious weeds (Musk thistle, Leafy spurge, Diffuse knapweed, Dalmatian toadflax, and Houndstongue) on or near trails as part of their trail patrolling responsibility.

### CALENDAR OF EVENTS

**January - February:** Talk with the Training Committee to determine whether or not there will be a weed training session at Spring Training and, if so, then coordinate with the Training Committee and the chairs of the Spring Training Committee to establish its time slot in the Spring Training Program.

**March - April:** Begin planning the training session (assemble laminated weed photos and training pages; and identify volunteers [typically experienced weed pull participants] to present training – weed overview [J Shaklee and/or Kim Obele or Tim D'Amato] and each of the four concurrent tables: thistles; Leafy spurge & Dalmatian toadflax; Diffuse knapweed & Houndstongue; and weed reporting process, Where the Weeds Are table, weed maps, and PWV Weed Crew & tools – 2 presenters per table)

**March:** Order enough sets of five color weed ID cards from Wyoming Weed & Pest Council for inserting in the Field Guides for new recruits and get them to the Field Guide editor so that they will be inserted into the Field Guides prior to Kick-off Night.

**Early May:** Dig up and pot rosettes (4 ea) of thistles, Diffuse knapweed, and Houndstongue.

**May:** Pull flowering Leafy spurge and Dalmatian toadflax immediately before Spring Training.

**May:** Weed training typically is presented for 90 minutes on Sunday morning.

### PROCEDURES

Costs: The color weed ID cards (from the Wyoming Weed & Pest Council) cost about \$0.10 each so the cost of 60 sets of five would be about \$30 plus shipping.

Event planning/coordination: Arrange to get all plant specimens, training materials, and display tables/site flags/etc. to the Spring Training site

Specialized Training: It is desirable that each of the weed training volunteer leaders knows the material they will be presenting during the training.

### Notes/Example Documents

### EVALUATION AND REPORTING

This event should be listed in the Spring Training Evaluation Questionnaire so that feedback regarding its successes and shortcomings will be solicited and documented.

## **WEED CREW 22-SPECIES WEED TRAINING** (J Shaklee: October 2011)

### **PURPOSE**

The goal of this training is to facilitate species ID for the 22 species of noxious weeds of interest to the CLRD and present the recommended PWV and Weed Crew responses to these weeds via a hands-on approach using as many actual plant specimens (and other teaching aids) as possible.

### **CALENDAR OF EVENTS**

- January:** Reserve large meeting room at USFS for 4:30 – 9:30 PM on day of training session and reserve computer projector.
- March:** Discuss plans for training session and solicit volunteers at Weed Crew Winter/Spring meeting AND arrange for lead trainers and assistants
- May & first week of June:** Print needed color copies of the 46-page PWV Invasive Weeds Training Manual  
Collect plant specimens and assemble other teaching materials

This 3-hr training (and chili potluck) is typically held about June 8<sup>th</sup> at the USFS Bldg. Although the training is scheduled from 6:00 – 9:00 PM, the room should be reserved beginning at 4:40 PM to allow time to set up the room, the weed specimens, and the computer and slide projector.

### **PROCEDURES**

This training is open to all PWVs, USFS range & weed seasonals, Larimer County weed staff, and members of Adopt-a-Trail and other volunteer groups. PWV members are invited by broadcast emails (with RSVP request). The training is usually presented by the PWV Weed Crew leader, Kim Obele (CLRD Weed Coordinator), and Tim D'Amato (Larimer County Land Stewardship Manager), with help from experienced Weed Crew members.

Color copies of the 46-page PWV Invasive Weeds Training Manual for all new participants are printed (at USFS or by Jim Shaklee) and assembled prior to the training. If the 22-species weed training manual is printed at the CLRD there is no cost. If Jim Shaklee prints them, the cost is approximately \$13.50 per copy!

Other handouts for the meeting include:

- Noxious Weeds of Colorado* (Colorado Weed Management Association)
- What Are Noxious Weeds Doing to Colorado?* (Colorado Weed Management Association)
- Noxious Weeds A Growing Concern* (USDA BLM)
- Garden Smart Colorado* (Colorado Weed Management Association)
- Thistles of Colorado* (Larimer County Weed District)
- Weed Management Reference Guide* (Larimer County Weed District)
- Weed-Free Feed & Forage cards* (PWV)

Weed specimens (some potted and some pulled) are collected in the days leading up to, and on the day of, the training by the PWV Weed Crew leader, Larimer County Land Stewardship Manager, and the CLRD weed Coordinator) and their staffs. Ideally, four specimens of each species/life history stage are available (one for each of the 4 training tables).

### **EVALUATION AND REPORTING**

Have participants fill out a course evaluation; then analyze and report results to the Board.

The order of presentation and the weed specimens typically available are:

**Houndstongue** (potted rosettes & pulled flowering plants + nutlets)

**Dames rocket** (pulled flowering plants)

**Musk thistle** (potted rosettes + dried flower heads + color photos of flowers)

**Canada thistle** (potted rosettes + color photos of flowers)

**Bull thistle** (potted rosettes + color photos of flowers)

**Scotch thistle** (potted small rosettes & pulled large rosettes and bolted plants + color photos of flowers)

**Look-alike native thistles** (potted rosettes of wavyleaf thistle + color photos of native species [wavyleaf, meadow, mountain] and of noxious weeds)

----- 5-min **Break** (to switch out plant specimens)

**Yellow starthistle** (typically only color photos of rosettes, flowers, plants, etc. only)

**Mediterranean sage** (pulled or potted specimens + color photos of plants & infestation)

**Purple loosestrife** (typically only color photos of rosettes, flowers, plants, etc. only)

**Orange hawkweed** (typically only color photos of rosettes, flowers, plants, etc. only)

**Myrtle spurge** (pulled or potted specimens + color photos of plants & infestation)

**Cypress spurge** (typically only color photos of rosettes, flowers, plants, etc. only)

**Leafy spurge** (pulled flowering specimens + color photos of plants & infestation)

----- 5-min **Break** (to switch out plant specimens)

**Diffuse knapweed** (potted rosettes + pulled or dried plant specimens and color photos of flowers and plants)

**Spotted knapweed** (dried plant specimens + color photos of flowers and plants)

**Russian knapweed** (typically only color photos of rosettes, flowers, plants, etc. only)

**Dalmatian toadflax** (pulled flowering plants + last years seed heads and color photos)

**Yellow toadflax** (potted flowering specimens + color photos of flowers and plants)

**Oxeye daisy** (typically only color photos of rosettes, flowers, plants, etc. only)

**Hoary cress** (pulled or potted flowering plants + color photos of flowers and plants)

**Common teasel** (dried seed heads, possibly potted rosettes + color photos of flowers and plants)

**Saltcedar** (possibly flower spikes + color photos of flowers and plants)

Poison hemlock (pulled plants + color photos of flowers and plants)

Common burdock (need to get color photos of rosettes, flowers, and plants)

Common mullein (typically only color photos of rosettes, flowers, plants, etc. only)

## **Agenda for 2012 PWV Weed Crew Training Session**

Sign-in / Sign-up sheets on clipboard

Handouts

FOOD: chili, chips, sides, salads, desserts

Welcome and Introductions

PWV Weed Crew

Layout and Content of the Training Manual

### **Houndstongue, Dames rocket, & thistles**

**Break (clean away old weeds & set out new weeds)**

2012 Weed Crew weed pulls – on-line sign-up sheet

Reporting Weeds in Trail Patrol Reports

Where the Weeds Are on Our Trails and Roads

### **A-list species & Leafy spurge**

**Break (clean away old weeds & set out new weeds)**

### **knapweeds, toadflaxes, & all others**

Other Potential Weed Crew Activities & Projects

weed survey of Neota Wilderness

verification of weed reports by other PWVs

weed documentation and mapping

preparation of weed specimen displays and other educational materials

See: the *Weed Crew 2011 weed pull schedule Google Docs.xls* example below from this on-line sign-up tool used in 2011 to facilitate volunteer sign-up to participate in weed pulls throughout the season. The actual Google Docs file used in 2011 was created from a precursor Excel file that Jim Shaklee had previously developed. The advantage of implementing weed pull sign-ups via a Google Docs file is that the process becomes real time (changes are made and visible immediately to anyone logged into the file on the internet).

*This \*.xls file is distributed with the Organization Handbook but is not in integral part of it at this point.*

## 2011 PWV weed pull sign-up spreadsheet

Note that many weed pull locations are color coded to identify repeated pulls at these locations

To sign up for a weed pull:

- 1 Scroll to the uppermost vacant position in the weed pull you want to sign u
- 2 Double-click in the cell and Type in your name

30 weed pull days scheduled

To delete your name from a weed pull:  
 1 Scroll to your name on the weed pull list you want to change  
 2 Highlight your name and hit <delete>; or backspace over your name

### May 28 Saturday (8-10 volunteers needed)

## **WINTER PATROLS**

(J. Corbin: February 2012)

### **PURPOSE**

The purpose of Winter Patrols is to extend the season that PWV provides a USFS presence on the trails. The committee recruits and trains PWV members for winter patrols and coordinates with the USFS.

### **CALENDAR OF EVENTS**

#### **October:**

- (optional) Prepare and staff a table at the Committee Fair at the Year End Event/Annual Meeting.

#### **November:**

- Coordinate with the USFS representative to schedule the beginning and end of the winter patrol season and to schedule the winter patrol kick-off meeting(s). The winter patrol season is usually from mid- to late- January through most of April, until the summer patrol season begins. Advise the Chair-elect of the dates for the Winter Patrol Kick-Off Meetings and opening/closing dates of the winter patrol season for the PWV calendar.
- Send out a broadcast email inviting PWVs interested in winter patrolling to respond, then maintain a list of interested members. Inform them of any pertinent training opportunities.

#### **December/January:**

- Re-send the broadcast email inviting members interested in winter patrolling to respond if they have not yet done so.
- Send notices, then reminder emails about the Winter Patrol Kick-Off Meeting(s).
- Winter Patrol Kick-Off Meeting(s): Cover the rules, trails patrolled, equipment needs and safety issues. Recruit experienced winter patrollers to provide information at the training and to be coaches for those with no or little winter trail experience.
- Compile a list of winter patrol volunteers (including coaches) -- names and contact information -- and distribute it to all winter patrollers.

#### **January through April:**

- Keep in touch with winter patrollers throughout the season.
- Report to the board at the end of the season.

### **PROCEDURE (Basic Requirements for the Coordinator)**

- Coordinator should have experience in winter hiking.
- Coordinator should be familiar with proper clothing and equipment needed for patrolling in our changing winter climate.
- Coordinator should be thoroughly familiar with the information provided in the Field Guide, Chapter 9: *Winter Patrols*.

### **EVALUATION AND REPORTING**

Prepare a report for the Board at the end of the season, covering pertinent data -- such as number of patrols, conditions of trails and number of hikers encountered -- and evaluating the program.

## **Winter Patrol Kick-Off Night 2011**

2011 is the 5<sup>th</sup> season for winter patrols with approx. 24 patrols preformed last year.

**Dates for Winter Patrolling: Feb. 1<sup>st</sup>- Apr. 28<sup>th</sup>, 2011.**

New Volunteer [Agreement](#) to sign [for 2011](#).

[Chapter 9 of the Field Guide](#) covers winter patrols.

**Mission:** Protect the forest through education and maintenance.

Maintain the presence of the US Forest Service on trails throughout the year.

**Goals:**

- Place as many of our volunteers on the trails as possible during the winter season. The Winter Patrol Programs allows us to patrol trails in the Canyon Lakes District that are not patrolled by the Nordic Rangers and Diamond Peak Ski Patrols. Our charge will be the same, to protect the forest through education of the public and maintenance of the trails.
- Education of forest and [Wilderness](#) users.
- Trial maintenance where possible. (Cleaning of fire rings and campsites may not be practical with snow on the ground)
- Hiking trails in the lower Poudre, Big Thompson, and Red Feather areas where there is little or no snow cover.
- **SAFETY is always first.** (Avoid hiking and driving in bad weather. There probably will not be anyone on the trails under these conditions).

**Trails available for winter patrolling:**

- [Poudre Canyon](#)- Greyrock, Hewlett Gulch, Young Gulch, Lower Dadd Gulch, Mt. McConnel, Big South, and [Roaring Creek](#)
- [Big Thompson](#)- North Fork, Lion Gulch, Crosier Mtn. ([Garden Gate](#), [Glen Haven](#), & [Rainbow](#)), Lily Mtn., Round Mtn., and [Bulwark Ridge](#)
- [Red Feather Lakes](#)- Mt. Margaret, [Granite Ridge](#) (Molly Lake), and Lady Moon

### **Safety remains #1 priority and is heightened in the winter due to weather conditions.**

Chapter 9 covers important gear to bring, clothing to wear, and special winter considerations. *Do not wear cotton, it absorbs moisture and does not wick it away causing dampness.*

- Yaktracks were mentioned as important to prevent slipping on ice. Even better are Kahtoola Microspikes.
- Hiking poles (with snow baskets) are recommended to assist with balance.

Items to remember:

- 1<sup>st</sup> Aid Kits
- Water (still need water in the winter- other hikers especially may not remember this)
- Lip Balm and Sunscreen
- Headlamp or flashlight (shorter days) plus extra batteries.
- Hotties (hand warmers) and Gaiters

Other considerations: - Elk hunting continues through Jan. 31<sup>st</sup> on private lands.

9. Winter Patrols goes through [April 28](#), with regular PWV season beginning on April 29<sup>th</sup>.
10. Due to weather and shorter days, do not expect to go as far on trails as you would in the summer, any information you provide is beneficial to the Forest Service.
11. ALWAYS hike with a partner
12. Check weather conditions before leaving home
13. You can snowshoe/ski on the lower trails for patrol, if there is adequate snow
14. Your pack and load may be bigger in the winter as there is MORE gear and it is HEAVIER.

**Hypothermia is a major concern, Chapt. 9 (9.6) has a thorough section on it.**

Winter Patrols do NOT count towards the Summer 6 Hike minimum expectation. But, hours patrolled during Winter Patrols DOES count towards volunteer hours for the National Forest Service.

For resources and information not mentioned here, Chapter 9 of the 2010 PWV Field Guide discusses Winter Patrols.

## PUBLICATIONS

(D Cantrell: October 2011)

### **PURPOSE**

To oversee, coordinate, and facilitate the production of all PWV written materials to assure our message is consistent and coherent, both within PWV and externally.

### **Our Publications**

Guides: PWV Field Guide

PWV Pocket Patrol Guide

*PWV Field & Trail Guide* (the commercially sold, abbreviated version of the Field Guide)

*Poudre Trails* Newsletter

Public Website ([www.poudrewildernessvolunteers.org](http://www.poudrewildernessvolunteers.org)) (not the “patrol scheduling and reporting” website)

Organization Handbook, Policies and Procedures (This document)

Materials for the public and for PWVs: (Applications, fliers, press releases . . .)

PWV tri-fold recruiting/fundraising brochure

PWV Fact Sheet (produced annually)

PWV Blog?? [*A potential PWV “publication”; several years ago there was a blog for winter patrolling*]

PWV Content / Message Guide [*A potential PWV “publication”*]

This would consist of a page or two that spells out key features, with examples, of the PWV message – including things we don’t say! In addition, it could include a page or two of text with annotations commenting on features such as voice and tone we shoot for.

### **Committee Structure**

Publications Committee Chair:

- Content Group Coordinator
- Field Guide & Pocket Patrol Guide (Editor & Editorial Team)
  - Field Guide Editorial Team (authors, proofreaders, etc.)
- *Field & Trail Guide* Editor
  - Field & Trail Guide* Editorial Team (authors, maps & graphics, proofreaders, etc.)
- *Field & Trail Guide* Sales
- Newsletter Editor (and committee/reporters)
  - Layout and Design staff
- PWV Webmaster (and committee)
  - PWV Website Support Team (layout changes, behind-the-scene technical work)
- Organization Handbook Editor/Maintainer (= Secretary?)

**PROCEDURES** The Publications Committee Chair should be a Board member if at all possible.

The Board and the Publications Committee and/or Publications Content Coordination should review and define the roles and responsibilities of PWV’s website, Newsletter, Annual Report, and other communication activities to ensure effective and efficient communication, eliminate redundancy, and coordinate their content and message.

A primary role of the Publications Committee Chair is to make sure that resources are shared among publications. Especially writing, editing, and design skills can be applied across settings. If a good writer is interested in the Newsletter, well and good. But the Chair may also nudge that person to look at PWV website content, etc. Ideally, the Content Group will operate across publications.

See comments under Content Group Coordinator – using CSU resources; publicizing the publication function at Spring Training, Year-End Event & Annual Meeting, and on the PWV website; size of group changes structure. All relevant here again – I don't know if you repeat relevant material or refer the reader to it.

Structure depends on the volunteer hours available. The PWV Field Guide and PPG are givens – they must be revised at an appropriate level annually. They have their own Editor and Procedures (q.v.).

Other publications can flex with hours available, individual interests, and Board goals. For example, the commercial Field and Trail Guide may be revised and republished, but does not have to be. (Content could be so outdated that remaining copies are pulled from distributors, however.)

The PWV website needs a certain level of maintenance, but can be more or less active as hours and interest vary. At a minimum, outdated material must be removed.

The Newsletter, *Poudre Trails*, has gone from periods of regular (3-4 times a year) publication to periods when no Editor could be found. Some years, a special issue has been done for recruiting purposes providing basic information about PWV in the form of a special issue. A special issue was done for the inauguration of the National Wilderness Stewardship Alliance, which formed in Fort Collins, for that organization to use for initial marketing.

#### **EVALUATION AND REPORTING**

Submit a “Publications” report to the Board on an annual basis. Periodically (every few years) the Board of Directors should work with members of the Publication Committee to review and evaluate the content, format and layout, and effectiveness of PWV’s various publications.

## **PUBLICATIONS - CONTENT COORDINATION**

(D Cantrell: October 2011)

### **PURPOSE**

- Locate, recruit, coordinate and support writers
- Write content for Website, Newsletter and public releases
- Decide where and when content is displayed
- Archive written materials for consistency and to avoid extra effort
- Vet/review all PWV written material for grammar, content, “message”, etc. (i.e., fliers, letters to potential recruits, application forms, news releases, requests for interviews). This means close communications with recruiting, fundraising, training, external communications/PR

### **CALENDAR OF EVENTS**

Publicity for the job at Spring Training, end of Year Party, and continuously online.

The Coordinator can stay in the position as long as they wish, and writers and editors are always needed.

We've never done it, but one can imagine an annual training, focused especially on the organizational “message,” and presented not only to the Content Group, but to the Board, Advisory Board, Fundraisers, and Recruiters.

### **PROCEDURES** Contact with the CSU English Department may yield additional, non-PWV writers.

The number of available volunteers determines the complexity of the system. At one end, there is a single person available, who writes copy for all PWV outlets, and posts and archives it. At the other end, the coordinator job could be divided, with elements listed under “Purpose” done by different people: with a recruiter, a “publisher” (making decisions about what and when to publish), writers, editors, and archivists.

As the group size expands, the need for coordination increases very rapidly.

### **EVALUATION AND REPORTING**

Submit a “Publications” report to the Board on an annual basis. Periodically (every few years) the Board of Directors should work with members of the Publication Committee to review and evaluate the content, format and layout, and effectiveness of PWV’s various publications.

The idea of a Content Group Coordinator seems essential to any team trying to deliver content to several sources. Editorial / copy editing functions may be quite different from the critical question of staying on message. And there is always the question: Who's going to do it?

## PWV ANNUAL REPORT

(J Shaklee: October 2011)

(Note that the Annual Report was first published in 2010, so this write-up can only offer a one-year perspective.)

### PURPOSE (Goals & Objectives)

To identify and summarize PWV's major activities and accomplishments in the previous year to:

1. inform PWV members
2. inform the CLRD and other USFS personnel about PWV and its accomplishments
3. inform other Wilderness volunteer groups and the general public about PWV and its activities
4. provide a document describing PWV that can be shared with donors/potential donors to assist in our fundraising efforts
5. Provide historical documentation of the organization.

It may be appropriate to have two different versions of the Annual Report: 1) a comprehensive version that includes details of the Endowment Fund, a Financial Overview, and a detailed acknowledgment of PWV member participation in specialized programs and 2) a somewhat abbreviated version lacking these three elements for distribution to USFS personnel. (*see below for Table of Contents of the comprehensive version of the 2010 PWV Annual Report – that was produced and distributed in 2011*)

(It might be desirable to have a third version for marketing / fundraising or simply encourage PWVs responsible for marketing/fundraising to create a custom version by picking out relevant portions of one of the two versions described above., which might resemble the second.)

### CALENDAR OF EVENTS

**October - November:** Notify committee chairs and program leaders of intent and timeline to produce new annual report and request that they prepare a draft write-up detailing the activities and accomplishments of their group or program

**November - March:** Individual authors or committees compile, summarize, analyze, and write-up information regarding previous year's activities and accomplishments

**April - May:** Editor of Annual Report edits individual contributions and assembles them into an overall report; filling in general information (e.g., PWV membership and trail patrolling information and activities during the previous year)

**May - June:** Draft Annual Report is reviewed, finalized, and distributed

### PROCEDURES

The contents of the Annual Report typically consist of descriptions of major elements of PWV (e.g., overview of PWV, its purpose and activities, a summary of its major accomplishments in the past year, an overview of trail patrolling in the past year, and descriptions of selected committee and program activities and accomplishments). The approach taken for the 2010 Annual Report was to invite input from all groups with significant accomplishments in the previous year and build the report around those submissions rather than attempt to force a description of every aspect of PWV.

(To some extent, the Organization Handbook fills in the comprehensive picture.)

Hopefully, groups that were not described in detail in the 2010 Report will submit detailed descriptions for inclusion in the 2011 or future years' reports. The strengths of this approach are that no group is forced to produce a write-up in any given year and each write-up in a given year can be longer, and more detailed and informative because not all of PWV's activities/programs are described each year.  
(Hopefully, this recognizes reality in a graceful way.)

The intent is to produce an informative report that provides sufficient detail to be meaningful while restricting its length to encourage recipients to actually read it. Note that someone (the Editor?) needs to obtain and analyze the trail patrolling results from the previous year and create the text and figures that describe and summarize the nature and accomplishments of patrolling in the previous year.

Production of the Annual Report should be coordinated with the Publications and Publications – Content Coordination committees.

The Committee's eight primary duties are:

1. Prepare general PWV overview information and analysis (annual statistics, trail patrolling overview, etc.)
2. Identify and solicit write-ups from committees/programs not represented in previous year's Annual Report
3. Solicit other important input/program descriptions
4. Solicit photographs to illustrate activities and add interest
5. See that the prior year's trail patrolling activities are analyzed and summarized
6. Oversee development and review of the current year's Annual Report
7. Distribute final version(s) of the Annual Report to target recipients
8. See that the Annual Report is posted on the PWV website.

The 2010 Annual Report was laid out using MS Publisher and then converted to a PDF file for final distribution (to ensure access by all recipients).

**Specialized Training** – None needed. However, it is very helpful to be familiar with the majority of PWV's activities and programs and with the contents of previous PWV Annual Reports in order to assure appropriate and timely coverage of PWV.

#### **Notes/Example Documents**

##### Table of Contents of 2010 PWV Annual Report

<u>Topic</u>	<u>page</u>
Introduction .....	1
2010 Overview .....	2
Trail Patrolling .....	2
Adopt-a-Trail .....	5
PWV Website .....	7
Kids in Nature .....	8
Public Outreach .....	9
Trail Crew .....	10
Weed Crew .....	12
*Endowment Fund .....	14
*Financial Overview .....	15
*Member Participation....	16

\* = these components were NOT included in the 2010 Annual Report to the USFS-CLRD

#### **Activities and Programs to Include in the 2011 Annual Report**

Training Program  
Stock Patrol  
Adopt-a-Highway  
Winter Patrols  
Evaluations & Surveys and Affiliation Gatherings  
Field Guide and Field and Trail Guide  
Trail Patrols – Revised Priorities (Why? How? Results)

(For more detail, please refer to the current year's complete Annual Report, which is posted on the PWV website.)

#### **EVALUATION AND REPORTING**

Periodically (every few years) the Board of Directors should work with members of the Annual Report Committee to review and evaluate the effectiveness of the Report and its content, format, and layout for USFS, PWV, and other audiences.

## **FIELD GUIDE AND POCKET PATROL GUIDE**

(J Shaklee: October 2011)

### **PURPOSE**

The Field Guide is a detailed description of PWV's purpose, approach, practices, operations, and trail patrols. It also includes appendixes with other relevant information and suggested readings. It serves as the primary information source for new recruits and veteran members.

Each year, PWV implements an editorial and production cycle to produce an updated edition of the Field Guide (and of the Pocket Patrol Guide). The editor (and Editorial Team):

- establishes and communicates the schedule for this process
- solicits corrections, suggestions and, new material/topics from the membership
- identifies potential new content and organization for the new year's guides
- consults with the Board and the USFS-PWV Liaison regarding potential major changes
- works with the Publications – Content Coordination Committee regarding message and delivery
- organizes, facilitates and contributes to the process of creating new draft content for the coming year's guides
- implements review of all new content
- finalizes text for the coming year's guides
- proofreads the near-final copy
- submits all final text and graphics' files to the Field Guide Layout and Production Manager, who is in charge of graphics, formatting, layout and final production of both guides, for final corrections and printing
- assembles and distributes copies of the guides to new and selected returning members (critical Board officers and committee chairs) and for PWV's archives (see attached list)

### **GENERAL CALENDAR OF EVENTS** (see below for a detailed schedule of events and deadlines)

**Fall/Winter** (After the summer patrol season to late March)

**October 10:** Send an email to all members asking for input regarding trail patrol descriptions and suggestions on other elements of the Field Guide and Pocket Patrol Guide.

**October - December:**

Consult with Kevin Cannon (USFS-PWV Liaison), the Training Committee, and the Board regarding the content and focus of the Field Guide and changes to specific content (e.g., new or changed trail patrols, new trail regulations)

Develop and implement a system for tracking the editorial process and for organizing and documenting individual reviews and other contributions.

Establish a pool of members willing to participate in editorial and review processes.

Identify all anticipated major changes to text, graphics and organization (additions and rearrangements) and discuss with the Field Guide Layout and Production Manager; and identify members to help contribute to their implementation.

**Early January:** Work with Field Guide Layout and Production Manager to define the revision and production schedule for the current year. (The entire schedule is dictated by the intent to distribute the new edition of the guides to new recruits (and selected returning members) at Kick-Off Night (KON) in early May.)

Review the proposed schedule with the Board of Directors, and then communicate it to all members by email. (See accompanying example schedule from the 2008 -- editorial and review cycle.)

Facilitate and track the editorial and review processes relative to the schedule and all critical deadlines; and follow up with individual contributors and reviewers as necessary

Communicate and coordinate with the Field Guide Layout and Production Manager.

**March 1 - 10:** Send final version of the Field Guide to the Field Guide Layout and Production Manager for page layout and formatting.

**March 30:** Proofread all text, graphics and layout/formatting in proofs of guides.

**April 10:**

Send final corrections back to Field Guide layout and Production Manager for finalization and printing the guides.

Prepare a “required readings” insert to the Field Guide identifying the portions of the Field Guide all new recruits are expected to read and understand by Spring Training

**Prior to KON** Assemble printed Field Guide pages (– and five weed species ID cards?) into binders for distribution at KON.

**May:**

**Kick-Off Night** Distribute new guides to new recruits and selected returning members. Include one or two questions about the content and organization of the guides in the Spring Training evaluation form.

**May 15 to June 15:**

Distribute remaining new guides to new and returning members at Spring Training, at USFS office, and via mail.)

Archive copies of all text and graphics files that, together, constitute the newest edition of the guides to be used as a starting point for next year’s editorial and production cycle. Give a set of files to current/future editor and one to Public Committee Chair.

**July 15:** Broadcast email reminder to all members, asking for their input regarding trail descriptions and other elements of the guides, and reminding them to act as “trail hawks” on the trail descriptions and information throughout the Summer patrol season.

**Summer Patrol Season:** No editorial duties—so just patrol, patrol, patrol and enjoy other PWV activities and functions!

(see below for a detailed schedule of events and deadlines)

#### PROCEDURES, AND ADVICE

**Costs:** Printing costs for the Field Guide are approximately \$5.00 per copy; which includes cutting and drilling (Staples, Fort Collins; 2010). We printed **106 copies** of the 2011 Field Guide for new recruits, Animal Group Leaders (AGLs), and essential PWVs [not including 24 purchased by returning PWVs and 10 purchased by guests].

The 2011 update appendix (typically consisting only of the major changes and additions from the previous year’s edition) (**150 copies**; 16 half-sized sheets, double-sided; + cutting and drilling) cost = \$162.19 (Staples, Fort Collins; 2011).

The black, **3-ring binders** cost about \$4.00 ea (Staples, Fort Collins, 2011).

The **PPG** has typically been printed at the USFS (at no cost to PWV; we printed about 250 in 2011).

**Event planning/coordination:** In the past three years (2009 – 2011) Staples has typically been able to print and drill the entire Field Guide in a week or less. However, one shouldn’t count on this quick turnaround every year and being late would be a disaster – allow enough time in the schedule that even a delay of 5 days in the printing process won’t jeopardize passing out Field Guides at Kick-off Night!

**Organizational Duties:** It is very important to begin the process early and to work very closely with, and respect the schedule and needs of the Field Guide Layout and Production Manager.

**Recruiting participants:** If major changes are anticipated, it is very helpful to assemble an “Editorial Team” and share the workload (writing, editing, reviewing, proofreading, and assembly) with them.

**Tools and Supplies:** For the last several years, the Field Guide has been laid out and formatted using Quark Express and the figures have been prepared using Adobe Illustrator (or equivalent). However, the writing of new text and the editing of existing text has been done using MS-Word. The final copy for printing has been a PDF file.

**Specialized Skills/Experience:** Technical writing skills and attention to detail are mandatory attributes for this job. Knowledge of PWV and the trails we patrol is essential to success.

#### EVALUATION AND REPORTING

Periodically (every few years) the Board of Directors should work with members of the Field Guide and Pocket Patrol Guide Committee to review and evaluate the content, format, and layout of the guides.

*Field Guide distribution list-2012.doc*

**3FEB2012**

## Field Guide

### **Distribution list for critical Board officers and committee chairs and PWV archives:**

<b>Recipient*</b>	<b>Number of Copies*</b>
Field Guide Editor	2
Field Guide Production Manager	1
Chairman of the Board of Directors	1
Chair-Elect	1
Kick-off Night Chair	1
Spring Training Chair/co-Chairs	2
Mentoring Chair/co-Chairs	1
Stock Patrol Chair	1
Trail Crew Leader	1
Weed Crew Leader	1
Winter Patrolling Chair	1
Guides Editorial Team	6
PWV Archives	4
USFS-Liaison	1
“other” PWV/USFS	3
<b>TOTAL</b>	<b>27</b>

Field Guide and Pocket Patrol Guide (PPG) Production Schedule		20 JUNE 2011
Date/Deadline	Action/Product	
May	Announce at Spring Training (and via broadcast email to all members) that members should note and submit corrections and ideas regarding the Field Guide & PPG to the Editor via emails	
Oct - Dec	Consult with Kevin Cannon (USFS-PWV Liaison), the Training Committee, and the Board regarding the content and focus of the Field Guide and changes to specific content (e.g., new or changed trail patrols, new trail regulations)	
Oct. 20	Develop and implement a system for tracking the editorial process and for organizing and documenting individual reviews and other contributions and establish a pool of members willing to participate in editing and review	
Nov. 1	Editor/staff incorporate minor corrections, updates, and wording changes to MS-Word files for next edition of the <i>Field Guide</i> & PPG	
Nov. 15	Identify all anticipated major changes to text, graphics and organization (additions and rearrangements) and discuss with the Field Guide Layout and Production Manager; and identify members to help contribute to their implementation.	
Dec. 1	Work with Field Guide Layout and Production Manager to define the revision and production schedule for the current year. (The entire schedule is dictated by the intent to distribute the new edition of the guides to new recruits (and selected returning members) at Kick-Off Night in early May.)	
Dec. Board meeting	Run the anticipated major changes to text, graphics and organization and the proposed schedule past the Board of Directors	
Dec. 5	Send out a broadcast email regarding current year's intent & schedule for the Field Guide & PPG and ask for input and volunteers to assist (contributors, reviewers, & editors) [response deadline of January 5 <sup>th</sup> ]	

Jan. 5	Contact appropriate PWVs to solicit their contribution to new tables, sections, and chapters
Feb. 10	Final drafts of all new chapters, and sections, and tables submitted to Editor for editorial review
Feb. 13	Drafts of new chapters, sections, and tables sent out for editorial review
Feb. 25	Reviews of drafts of new chapters, sections, and tables completed and returned to Editor
Mar. 1	Editorial revisions for Chapter 12 (Trail Patrol Descriptions) completed and sent to Layout & Production Manager for page layout and formatting
Mar. 10	New chapters, sections, and tables finalized and final versions of all <i>Field Guide</i> text (Chapters 1-11) sent to Layout & Production Manager for page layout
Mar. 20	Proofs of entire <i>Field Guide</i> [text + graphics] back from Layout & Production Manager and available for proofreading
Apr. 1	Final text for <i>Pocket Patrol Guide</i> (PPG) sent to Layout & Production Manager for page layout
Apr. 1	First proofreading of <i>Field Guide</i> completed and corrections sent to Scott Ackerman
Apr. 5	Corrected proofs of <i>Field Guide</i> available for final proofreading
Apr. 8	Final corrections of <i>Field Guide</i> sent to Layout & Production Manager for finalization
Apr. 8	Create Update Appendix by extracting pieces of new edition of the Guide
Apr. 10	Proofs of <i>Pocket Patrol Guide</i> available for proofreading
Apr. 15	Final version of <i>Field Guide</i> (and Update Appendix) sent out for printing (Staples or other?)
Apr. 18	Corrections of <i>Pocket Patrol Guide</i> sent to Layout & Production Manager for finalization
Apr. 23	<i>Pocket Patrol Guide</i> photocopied at USFS
Apr. 25	Assemble printed Field Guide pages (and, new recruits' reading "assignment", 5 weed species ID cards, and various PWV hand-out cards [PWV-LNT principles; PWV-The Ten Essentials; plastic LNT principles & examples; Good reasons to leash your dog; Weed-free feed & forage]) into black, 3-ring binders (with 3.5" PWV sticker on the front) for distribution at KON
1st Wed. of May	Distribute Field Guides (& PPGs) to new recruits and AGLs at Kick-Off-Night

23-May	Distribute Update Appendix to returning members via locked PWV cabinet in VIS Center
June	Archive copies of all text and graphics files that, together, constitute the newest edition of the Guides to be used as a starting point for next year's editorial and production cycle. Give a set of files to current/future editor and one to Layout & Production Manager or to Publications Committee Chair.
July 15	Broadcast email reminder to all members to submit corrections & suggestions for Field Guide & PPG to: <a href="mailto:guide@poudrewildernessvolunteers.org">guide@poudrewildernessvolunteers.org</a>
Oct. 10	Broadcast email request to all members for input regarding trail patrol descriptions and suggestions on other elements of the Field Guide and PPG to: <a href="mailto:guide@poudrewildernessvolunteers.org">guide@poudrewildernessvolunteers.org</a> [response deadline of Oct. 20 <sup>th</sup> ]

## **PWV FIELD & TRAIL GUIDE (for sale to the public) – NEW EDITIONS**

(Fred Allen & Jim Shaklee: October 2011)

### **PURPOSE**

This version of the PWV Field Guide is for sale to the public as a public service and to raise funds for PWV. This guide represents another way for PWV to educate the public about LNT hiking, riding, and camping and about conservation and stewardship.

### **HISTORY**

A public version of the PWV Field Guide was first produced in 2005 by extracting relevant chapters and information from the members' Field Guide. This went through two printings ("editions") in 2005 and copies lasted until 2011. Fred Allen led the editorial team that produced the third edition of the *PWV Field & Trail Guide* in 2011 by extracting and revising text from the 2011 members' Field Guide. Thus, the trail descriptions (and other text) are up-to-date.

### **CALENDAR OF EVENTS**

#### ***Production of an "update" edition:***

**Late September:** Check inventory to determine if there are enough guides in stock for the coming season. If more are needed, make plans for producing an "update" edition incorporating updated information and new trail patrol descriptions from the current version of the (members) Field Guide. **December/January:** If another "update" edition is necessary, a small 4-6 person committee will need to be formed to make corrections, provide updates/revisions and determine a suitable printer for the job.

**January:** Hold a 'focus group meeting' with one or two book buyers or VIS managers to hear what feedback they have heard regarding PWV's prior editions. **January:** Assign chapters to "editors and proof readers" revising and compressing the content for the public edition.

**Late February:** Final proofreading and layout chapters. Also obtain bids from 2-4 printers.

**March:** Printing should only take 2-3 weeks. If we continue NOT to include photos and keep to 128 pages, the cost per copy will be under \$2.25 assuming 1000 copy run.

#### ***Production of a completely new edition:***

Whether or not this project should be undertaken should be determined by the Board in consultation with the Publications Committee. For example:

- Including maps for all trails?
- Including color photos?
- Revision of elevation profiles to a consistent scaling for distance and length
- Bundling with a CD containing GPS tracks for all trails, printable color topographical maps of each trail, and additional information?
- Publishing both a traditional print edition and an e-reader edition?

**Timeline** The process of producing a completely new edition should begin approximately 18 months prior to the target distribution date and begin with one or more "focus group" discussions (including selected Board, Advisory Board, general PWV members; PWV Field & Trail Guide New Edition Committee members; and the editor of the Field Guide) to determine the goal(s), focus, content and format elements), and timeline for producing the new edition. The likely cost of producing the new edition should be estimated and a budget to cover the estimated costs should be developed and submitted to the Board for approval.

### **PROCEDURES**

See above

### **EVALUATION AND REPORTING**

Monitor book sales (and book reviews, if available) and periodically present a brief summary report of same to the Board.

## ***POUDRE TRAILS NEWSLETTER***

(unknown: October 2011)

**PURPOSE** The Newsletter serves to communicate information about PWV and its activities to: current members, potential new recruits, potential donors, and visitors to the PWV website. In past years it has been published from zero (due to committee inactivity) to 6 times per year. Categories of information have included:

- Feature article about a board member
- Feature article about an interesting member (e.g., “Meet our Oldest Member”)
- News about PWV special events (Spring Training, news from Board meetings, new projects, awards PWV receives, etc.)
- News about programs, Weed Crew, Trail Crew, Adopt-A-Highway, Kids in Nature
- Articles on formation useful for sharing with hikers--“New Study Looks at the Effects of Dogs on Wildlife”
- Informational articles about animals or plants that members might encounter on the trail, “Thought you Might Like to Know” topics and subjects,....
- “Name This Location” and “Identify this Noxious Weed” contests to promote member knowledge and involvement (which may or may not include a drawing for a prize).

### **CALENDAR OF EVENTS**

**October:** Prepare the annual Newsletter budget request

Prepare an end-of-the-year newsletter that can be utilized by the Fundraising Committee to give to donors and potential donors to illustrate the previous year's accomplishments

**December:** Prepare a Winter edition that can be distributed to new recruits at the December/January PWV Open House.

**March:** Prepare the spring issue of the newsletter for distribution at KON.

**June:** Prepare a fall newsletter that can be distributed at the time of the Year-End Event.

### **PROCEDURE**

The Newsletter Chair and Committee are in charge of writing articles, getting the newsletter formatted and printed, and delivered to .

Winter Issue: produced for new recruits and focused on Who We Are and what was accomplished; What We Do and additional programs; What We Promote (Leave No Trace); Where We Patrol and why; and Schedule of Events.

Spring Issue: focused on the events and participants in *Spring Training*. New recruits see the focus of the organization and the commitment of its members while veterans see the stability and strength of the organization.

Fall Issue: focused on activities and accomplishments of PWV and its members throughout the previous season and plans for the coming year. An end-of-season issue is a great pat on the back for a job well done. Members like to know what has been accomplished.

To get members more involved, the newsletter may also include an anonymous email address to forward questions or comments that members would like the newsletter to answer or address to the Managing Editor.

*HISTORICAL NOTE We printed about 100 copies of the Spring 2011 issue. In the past, reproduction costs of the Newsletter have been paid from the PWV budget, and the Forest Service has paid for address labels and postage. In 2011, the USFS offered to do the color printing of the Newsletter at no cost to PWV.*

*Electronic copies of the Poudre Trails Newsletter can be found on the PWV Website under: News and Information, PWV Newsletter.*

#### EVALUATION AND REPORTING

The value and effectiveness of the Newsletter should be evaluated in the broad context of PWV's communication needs and its various communication methods (e.g., website, annual report, Open House, tri-fold brochure, and member meetings).

Each newsletter should have a method for readers to comment and / or ask questions and evaluate the content of the issue. PWV should track the number of copies of each issue of the newsletter that are printed, who they are distributed to, and the number left over.

## PWV WEBSITE

(S. Ackerman: October 2011)

### PURPOSE

To manage the PWV website in order to provide clear communications to PWV members as well as the general public.

### CALENDAR OF EVENTS

**December 1:** Updating board member information

**January 1:** Update/create trail descriptions  
*(to be completed by following year)*

**February 1:** Post the new PWV Annual Calendar (if not done by the Chair-Elect)

**all year:** Manage, update, and add content; add features; fix bugs

### CONTENT

- Trail Descriptions – Maintain and update descriptions of trails that PWV patrols.
- Trail Conditions – Maintain and update road/trail closures and hazards.
- News – Maintain and update news events as well as newsletters.
- PWV Calendar of Events – Maintain and update calendar items (if not done by the Chair-Elect).
- Contact information – Maintain and update contact information for board members and committee chairs.
- Forms - Create and maintain various forms for registration, donations, etc.
- Post, maintain, and regularly update a page of links to relevant websites

### PROCEDURES

1. Recruit/train PWV Website Committee members to assist with maintenance/editing tasks
2. Resolve problems with Website that are identified by PWV members and the public
3. Email - Create and maintain email accounts
4. Manage visual design to coordinate with PWV publications and visual standards (*visual standards do not currently exist*)
5. Coordinate with Publication Committee for consistency in presentation
6. Conduct surveys and evaluate analytics for website improvements
7. Maintain/update domain names
8. Maintain/update internal website code

Note that more detail regarding specific procedures, web hosting, passwords, etc. will be provided in a separate, yet to be written, document *PWV Website Information and Procedures* (available from the current webmaster, the current PWV Chair, or the current Board Secretary).

### EVALUATION AND REPORTING

- Create report for the PWV annual report
- Maintain and evaluate current as well as long-term goals
- Provide periodic status updates to the PWV BOD
- Reports to PWV chair and Publications Committee chair

## **AFFILIATION GATHERINGS**

(Bob Hansen: January 2012)

### PURPOSE

Provide opportunities for further education, fellowship and social interaction among members.

### CALENDAR OF EVENTS

Throughout the year	1 Solicit topics and speakers. 2 Contact speakers when told about them & set time and topic
90 Days prior to series start	Contact venue and arrange events, do this once a year.
60 Days prior to event	Contact presenter and remind of the event.
15 Days prior to event	Email members of upcoming event, this includes titles of scheduled events.
30 Days prior to event	Contact presenter; confirm what is needed re technology, etc.
3 Days prior to event	Contact venue with # of attendees if > 25
7 Days after event	Communicate thanks to speaker as appropriate (email, note, gift etc.)

### PROCEDURE

- Contact venue and arrange dates for affiliation meetings for the year .
- Solicit speakers and topics, this is an ongoing activity
- Contact presenter and set up event (topic, date, needs) first identified and found then again 2 months prior to scheduled presentation date
- Advertise event.
- Contact presenter; final confirmation.
- Contact venue if > 25 people have RSVPed

### EVALUATION AND REPORTING

Prepare a brief summary report detailing Affiliation Gathering operations during the past year (venue, dates, topics & speakers, attendance, and comments regarding each event) and bring it to the Board for its information and review.

**Affiliation Gatherings Dec. 2010 – May 2011:**

<b>when</b>	<b>title</b>	<b>who</b>	<b># attended</b>	<b># reserved</b>
May	Overland Trail Tour	Wayne Sundberg	20	28
Apr	Disaster Preparedness	Jane Higgins	22	17
Mar	The Stories Skeletons Tell	Diane L. France	50	30
Feb	Fort Collins History	Wayne Sunberg	28	28
Jan	1880 backpacking	Archy Archuleta- "Huggy Bare"	30	22
Dec	Sex, Lies and Rattlesnakes	Mary Ann Bonnel	35	35

## **PUBLIC OUTREACH**

(Jerry Hanley: October 2011)

**To be combined with Recruiting & Interviews and Parades Committee write-ups**

### **PURPOSE**

Educate the public by speaking to local organizations and businesses about PWV and its mission and activities. Also used as a recruiting activity.

### **CALENDAR OF EVENTS**

Speaking engagements are scheduled separately with each organization, depending on their availability. Focus is primarily on Winter engagements, prior to Spring recruitment. FOR RECRUITING, EMPHASIS SHOULD BE NOVEMBER – JANUARY TIME PERIOD

### **PROCEDURE**

Contact potential organizations and schedule a date for presentation. A Power Point presentation is available that takes 25 minutes, with Q&A's afterward. We ask the PWV representative to wear PWV shirt at presentation, and to hand out PWV's tri-fold brochures (and current PWV Fact Sheet?).

### **EVALUATION AND REPORTING**

Year-end only.

For the Fall and Winter 2009/2010, these organizations were visited:

- Front Range Community College, Natural & Applied Sciences (2 classes)
- Kiwanis Club, at Cafè Columbine
- Lion's Club
- New Belgium Brewery
- JAX Outdoor (table set up in front of store for 4 hours)

Articles were written for newsletters for Larimer County and Greycrook Commons

A new committee is being formed in early December 2010

For the 2010/2011 period, the following events were attended:

- Front Range Community College, Natural & Applied Sciences (2 classes)
  - Contact: Barb Patterson, 204-8310
- Banff Adventure Film Festival, CSU
  - Contact: Rodney Ley, Campus Recreation, CSU, 491-0964
- Fitness, Wellness, and Retirement Expo, Senior Center
  - Contact: Jennifer Mayan, 416-2267, Ft Collins Parks & Rec
- Otterbox Care Volunteer Fair, Hilton Hotel
  - Contact: Tricia Lemmer, 372-6223
- Volunteers of America Fair, Embassy Suites
  - Contact: Mario Burton, 472-9630
- Earth Day, Civic Center Park
  - Contact: Kellie Falbo, 213-9107
- WRV fundraiser, Avo's
  - Contact: John Giordanengo, 493-2075
- New West Fest, Old Town
- Sustainability Living Fair, Legacy Park
- REI store
  - James Hetland, Outreach Specialist (or Amy Brannan, Store Manager) 223-0123
- Foothills Unitarian Church
- Aspen Club
- Rigden Farms
- USFS Contact for many of the events: Kristy Wumkes, 295-6721

Potential other organizations for visit considerations

- Newcomers Club

## **PARADES (CSU Homecoming and other)**

(J Cook: October 2011)

**To be combined with Public Outreach and Recruiting & Interviews Committee write-ups**

### **CSU Homecoming Parade**

PURPOSE - To promote PWV to the community

#### CALENDAR OF EVENTS

End of August information is on the CSU website:

<http://www.homecoming.colostate.edu/index.aspx>

Application must be filled out and submitted by about 1 week prior to parade. Application must be ok'd. Parade is September 30, 2011.

#### PROCEDURES

Contacts & Costs/Fees

2010 fee was \$200.00

Event planning/coordination  
parade

Event coordinator must attend a meeting prior to the  
to learn of details

Recruiting participants

An email is sent to all PWV's including horse contingent  
to help build float and/or march in the parade.

Tools and supplies

If a float is built will need a truck with flat bed and whatever  
supplies appropriate for building the float. If just  
marching will need a banner.

#### EVALUATION AND REPORTING

## **RECRUITING & INTERVIEWS**

(K Thielen: October 2011)

**To be combined with Public Outreach and Parades Committee write-ups**

### PURPOSE

To recruit volunteers for the upcoming season by various methods, including:

- PWVs making personal contacts
- New West Fest
- Sustainable Living Fair
- Earth Day Celebration?
- Other options (e.g., Rist Canyon Mountain Festival, CSU Homecoming Parade, Fort Collins Saint Patrick's Day Parade)
- Advertising
- PWV Newsletters
- Media Publicity
- Online recruiting through visits to the website
- Presentations at select businesses and non-profit organizations
- Various volunteer fairs held throughout the year in Larimer County

### CALENDAR OF EVENTS

**October:** (Oct.-Jan.) Send *Poudre Trails* newsletter to potential recruits

**November:** Send email to potential recruits thanking them for their interest

**December 10:** Post PWV Application on website (and email announcement to potential recruits, incl. carryover from previous year). Send email to potential recruits to invite them to attend the January 25 PWV Open House

**January 25:** New recruit meeting

**March 1:** Deadline for receipt of applications from potential recruits

**Second Saturday in March:** First day of interviews & Patrol Scheduling Preferences questionnaire posted on PWV website

**Third Saturday in March:** Second day of interviews

**Last week of March:** Make-up interviews

**April 8:** Patrol Scheduling Preferences questionnaires due

**May:** Submit applications for New West Fest and Sustainable Living Fair

**Year-End Event & Annual Meeting:** Stress the importance of recruiting to all members (at meeting and via a broadcast email)

**mid July:** Send email to members requesting them to staff the New West Fest booth

**mid August:** Staff PWV booth at New West Fest

Send email to members requesting them to staff the Sustainable Living Fair booth

**mid September:** Staff PWV booth at Sustainable Living Fair

### PROCEDURE

**Member Personal Recruiting** This process begins with completion of the new season's interviews and annual Spring Training. Getting the message out to new recruits and existing membership that recruiting is everyone's responsibility and is an important component to successful recruiting. Interactions of our members on the trail and our friends' sharing information about PWV are among our most effective recruiting efforts. The one-on-one interactions our members engage in on the trail and with friends reinforce the value of our mission and the quality of our membership. These are compelling recruiting messages. We have the opportunity this next year to do a better job reiterating via email and in newsletters the importance of recruiting.

### **Community Outreach Events**

**New West Fest** occurs the 3<sup>rd</sup> weekend in August, on Saturday and Sunday. This event has produced the largest traffic count of the recruiting events. It is sponsored by the Downtown Business Association (DBA). The DBA sends an email in March-April with information on the application process. Request a booth with electrical power and assure a favorable location. The booth costs \$400 + \$75 for power. There is a \$50 discount for early registration. Quantities of promotional materials (the PWV tri-fold brochure) are verified and reprinted 3-4 weeks in advance. An email listing the shifts and requesting their participation is sent to the membership in mid July. The staffing plan is based on the Saturday and Sunday hours of the event. Two-hour shifts are preferred, with two members (one veteran and one new member) at each shift. Since some elements of the booth are occasionally utilized in other events during the year, a visit to the storage unit and an advance review of booth components is important. Setup requires two hours and begins at 7:45 AM Saturday. The set up area can become quite congested as people unload their vehicles, so an early start is important. A key issue is insuring the booth is well secured for Saturday night to minimize the risk of weather-related damage. Utilizing the side panels and lowering the booth by one to two feet has improved the stability of the booth. Providing the volunteers who staff the booth with a fact sheet and/or having a pre-event meeting would help achieve a more informative and consistent message at the booth. A copy of the staffing roster with cell phone numbers is kept at the booth.

**Sustainable Living Fair** (see New West Fest notes for operational elements) usually occurs the 3<sup>rd</sup> weekend in September, on Saturday and Sunday, with registration costing about \$120. Standard booth setup is utilized. Staffing email request goes out mid August. Traffic is less than at New West Fest and with the cooler temperatures, 3-hour shifts are utilized.

[A third festival option is the **Rist Canyon Mountain Festival**, which occurs the Sunday of Labor Day weekend, and is much smaller. The standard booth setup is utilized. Staffing is usually 3-hour shifts of one or two people. Two people are required to set up and take down. Staffing request email goes out in early August. Due to low attendance, PWV did not participate in this event in 2010 or 2011.]

### **Potential Recruit Outreach**

**The significant time gap between on the trail recruiting, the summer recruiting events, and the actual spring interview and training cycle is an obstacle to effectively retaining potential recruits. It is important to try to bridge this gap.**

- A copy of the PWV *Poudre Trails* newsletter is sent in October to each potential recruit.
- An email is sent in November, thanking potential recruits for their interest in PWV, giving them the spring recruiting and training schedule and offering them an opportunity to join one of our members for a winter hike.
- Including potential recruits in emails for training sessions (at the discretion of the Supplemental Training Committee) and Affiliation Gatherings during the fall-winter spring period would help cement connections to the organization.
- An information meeting is scheduled for approximately January 25, inviting all potential recruits to meet PWV members and learn more about the organization. An email invitation is sent the second week of January. The PWV chair, USFS Liaison, two or three senior members and at least one new member are present and speak. The goal of the meetings to give recruits a better sense of PWV's mission and what it's like to be a member. The URL to the on-line application (or paper applications) could be distributed at this meeting.

### **Other Recruiting Options**

- Flyers are developed in early December, and distributed to health clubs, outdoor equipment stores and other organizations.
- "Volunteers Needed" announcements placed in December or January in *Fort Collins Coloradoan*, *Loveland Reporter-Herald*, *Greeley Tribune*, *Fort Collins Now*, *Fort Collins Forum* and *North Forty News*. Work with the *Coloradoan* to do a story on PWV in January, and run an ad in that issue. The *Coloradoan* publishes a "volunteer Resource Guide" in May in conjunction with United Way that is written in March every other year. The request for information is usually sent to the PWV Chair.

### **Application and Interview Process**

The following description is based on the 2010 - 2011 process. Both a link to the current year's PWV Application and a PDF file of it are placed at the top of the HomePage on the PWV website in early January (Jan. 9, 2011) and an application announcement with instructions is emailed to potential

applicants (based on a list of names carried over from the previous year, rosters of interested individuals developed at recruiting events such as New West Fest, Sustainable Living Fair, etc.) and responses to the PWV tri-fold brochure and other contacts. The Survey/Questionnaire lead prepares the new application document and the webmaster posts it on the website. Note that in 2011, PWV accepted applications up to March 13 (to accommodate potential applications from a PWV information day at REI), but this was really a little too late. Recommend in future years, that the application deadline be no later than March 5. In 2011, PWV held its Open House for potential recruits on January 25, 2011. This approximate date works well if we have done the bulk of our recruiting and advertising by mid January. The 3<sup>rd</sup> and 4<sup>th</sup> Saturdays in March (19<sup>th</sup> and 26<sup>th</sup>) were selected for the bulk of interviews (and there typically needs to be an additional alternate date for interview identified as well (this was April 5, 2011). The actual scheduling of interviews is initiated once we have received 30 or more applications and continues until the closing date for applications. The scheduling is based on a broadcast email to the potential recruits with interviews scheduled at half hour intervals. Pairs of recruits are scheduled together to increase the productivity of the interviews and reduce the time and staffing needed for interviews.

At the same time that applicants are being scheduled for their interviews, it is important to identify experienced PWV members willing to participate in the actual interviews and additional PWV members to support the process (serve as greeters, converse with applicants before and after their interviews, show the video and answer questions, and help interviewees select the proper uniform shirt size and specify the name they want to appear on their name badge). The actual interviews are typically conducted by a team of two: a USFS employee and a PWV member. Typically the PWV member of the team interviewing applicants wishing to patrol with stock is an experienced PWV Stock Patrol member (usually a horse rider). In the past, Board members have been asked to staff the interview process but a better idea might be to open this up to any member with adequate experience with, and knowledge of, PWV.

#### **EVALUATION AND REPORTING**

New recruits should be tracked based on the stated contact on their application at five steps in the process in order to identify any high-loss periods:

- 1) “finalized” list of new recruits (prior to scheduling interviews)
- 2) Interviewed and accepted
- 3) Attended Spring Training
- 4) Submitted hours for first year
- 5) Returned as active PWVs in year 2

## SURVEYS & QUESTIONNAIRES

(M Shaklee: October 2011)

### PURPOSE

PWV makes use of surveys and questionnaires to:

- Automate the application process
- Facilitate the matching of members for patrols based on similar preferences, abilities, and availability
- Provide a means for members to self-assess their knowledge of PWV.
- Keep communication open and effective between the membership and the Board. (i.e., is the Board addressing and representing the needs of the membership?)
- Automate and standardize aspects of evaluating events within PWV, such as Spring Training, Kick-off Night, Mentoring, and training programs
- Register members for upcoming events (new feature being implemented)
- Provide a means to record orders for equipment (new feature being implemented)

### CALENDAR OF EVENTS

**2 to 6 Months prior to needed results:** Meet with “client/stakeholder” ([e.g., Board of Directors, Committee Chairs, Event Coordinators](#)) to determine what we need to learn or accomplish. Create a draft of the questionnaire for review, make changes and finalize it.

**One month to one week prior:** Launch the on-line survey. Email the target audience that the survey/questionnaire/application (“survey/app”) is available online, with a link to the survey.

### PROCEDURE

Some questionnaires [may](#) take several months to develop—some only a few days. It depends on the scope and purpose of the questionnaire and how well known and defined the desired input is. Some questionnaires are for *ad hoc* situations and some will be used each year with only minor changes. Enter questions developed with input from the “client/stakeholder” - the primary user of the requested information- into the online survey/app format (SurveyMonkey.com). Advise the client/stakeholder regarding unique requirements of an online format. Create a paper version of the online survey/app for PWV records and for use by respondents without Internet access. Launch the survey and send the link to the target audience. Monitor the responses to the survey/app while the survey is open for input by the target audience. Generate a data report for client/stakeholder use to extract the information needed to evaluate the program or activity.

Alternatively, as relevant, generate a spreadsheet to track information provided by applications to PWV, for scheduling patrols, for event registrations, or equipment orders.

Survey/Questionnaire	Client/Stakeholder
Annual Meeting & Year End Event Attendance & Participation	Event Coordinator
Application & Skills Assessment of Potential Members	Board
Field Guide and Pocket Patrol Guide Evaluation	Committee Chair
	Committee Chairs
Kick-Off Night and Spring Training Evaluation	Committee Chair
KIN Adults' Evaluation & Feedback	Committee Chair
Member Knowledge Self-Assessment Tool modules	Board

Mentor Patrol Evaluation-2011	Committee Chair
Patrol Scheduling Preferences Questionnaire HIKERS	Board
Patrol Scheduling Preferences Questionnaire STOCK	Board
	USFS
Public Feelings Toward US Forest Service Decision Making	
Returning Member Training Preferences	Committee Chair
Satisfaction and Direction Survey (PWV-MIR)	Committee Chair
Skills Assessment of Membership	Board
	Committee Chairs
Spring Training (and Kick Off Night) Attendance	Committee Chairs
Spring Training (and Kick Off Night) Recruiting	Committee Chairs
Supplemental Training Classes Sign-Up	Committee Chair
Training Course Evaluation	Committee Chair

#### EVALUATION AND REPORTING

Specific reports are provided for each “client/stakeholder” as soon as possible after the questionnaires are closed. A general report of the status, response rates and outcomes of the various survey/apps from the past year might be helpful to the Board. PDF versions of each survey, evaluation, application or questionnaire could be part of the annual report. Summary results from each questionnaire/survey should be distributed to the relevant parties in a timely manner so that all benefit from the information collected.

## **YEAR-END EVENT & ANNUAL MEETING**

(B Mosehauer: October 2011)

### **PURPOSE**

This event provides an opportunity for members to get better acquainted with other members and socialize, to learn about and celebrate PWV's accomplishments in the past year, and to participate in the Organization's Annual Meeting of members at the end of the patrolling season

### **CALENDAR OF EVENTS**

DESIRABILITY OF SCHEDULING DRAKE CENTRE 6 OR MORE MONTHS IN ADVANCE TO ASSURE AVAILABILITY – BUT REQUIRES AT \$500 DEPOSIT (non-refundable within 6 months of event)

**April:** Investigate possible venues for the event, which is held the 3<sup>rd</sup> Sunday in October, 3:00 to 6:00 PM, focusing primarily on location and price. Specifically look for a place that will honor our tax-exempt status.

**July:** Present findings to the Board for selection of the venue. Get your contact at the venue.

**September:** Select the menu and determine room set-up.

**Late September:** Send email invitation to all members.

**First week/October:** Email a reminder to members of the event.

### **PROCEDURE**

1) Venue will need copy of our Certificate of Exemption for Colorado taxes and City of Fort Collins exempt organization license. Treasurer has a copy. 2) Provide venue approximate number of attendees (must include guests), type and quantity of hors d'oeuvres and beverages served in the past; room set-up; and equipment needs. A catering agreement will be sent for review and signature.

180 people attended in 2010 (special 15<sup>th</sup> anniversary event). Probably should expect a similar or slightly larger attendance in 2011 (given approx. 70 new recruits in 2011).

If the Event is held at the Drake Center, the East Room seats up to 300 people (with 10-person tables) and the West Room seats up to 220 people (with 10-person tables).

Needs: Nineteen 10-Person round tables  
Five (5) long tables for displays and awards  
Projection screen and microphone  
Table for computer and projector  
Table at door for sign-in  
The venue will supply tablecloths, napkins and center pieces (extra cost).

In late September, send email invitation to all members, providing (*sample*):

PWV YEAR-END EVENT  
WHEN: Sunday, October 19, 20—  
TIME: 3:00 to 6:00 p.m.  
WHERE: The Drake Centre  
802 West Drake Road  
Fort Collins CO  
MENU: hors d'oeuvres and beverages

Awards and presentations , , , fun and stories!  
Casual dress. Please wear your NAME TAG  
You may bring a guest

RSVP by October ## to [xxx@yyy.com](mailto:xxx@yyy.com) or phone 000-1234

*(If you know of members who do not have email, please notify them.)*

### **Other Tasks**

Assure those presenting grants etc. are aware of location and time.

Chair and Chair-Elect to prepare agenda and share with event coordinator.

Need to prepare a free-running slide show or video to run during the first 45-60 minutes. Mike Mosehauer did this in 2010, 2009, and 2008.

Need to prepare a PowerPoint slide show to support Annual Meeting agenda (Treasurer's report, Committee summary overviews, Chair-elect's vision & plans for coming year, etc.)

Members who have displays/posters should advise if they need a table in the room.

Assure Kevin Cannon brings raffle tickets and plaques for departing members.

Award coordinator to assure all awards are purchased and received.

Call venue **1 week prior** and advise of final count and extra requirements.

Determine final charges of venue and get check from Treasurer to be delivered at the event;  
give Treasurer a copy of the receipt of expenses.

**Event day:** Arrive 1 hour early to help with set-up.

Take along blank name tags, pens, raffle box/can, attendee sheets, camera, event file.

Assure there is table at head of room large enough to hold awards, certificates, 10-year pins.

Assure there are two 6-ft tables outside door for sign-in sheet, blank name tags, raffle tickets  
with can and drink tickets (if PWV is hosting drinks).

As people arrive, have them sign in, get raffle ticket and drink tickets (1/person; if PWV is hosting  
drinks) and

tell them where the food and drinks are located.

After the event, assure everything is out of the room prior to leaving.

Some time during the following week, venue will phone you to check on how things went and advise if  
there are any extra charges or if a refund is due.

## EVALUATION AND REPORTING

### 2011 YEE & AM

Principles:

Program – Chair (Jim Shaklee) and Chair-Elect (Karl Riters) – identify topics and speakers/  
presenters and develop program (events & time allocations for each event)

YEE&AM Logistics Team (Frank Schwende, team coordinator + approx. 17 volunteers) –  
responsible for all logistics, from invitations through clean-up:

Logistics coordinator – 1

Broadcast email invitations & reminders and develop list of attendees and  
make lists of 3 members each attendee should contact – 2

Set up display & committee tables & chairs – 1

Center Pieces and Papers at each dining table – 1

Welcome/Sign-In – 4 (2 at each of two tables)

Develop Free-Running Slide show of photos – 1 (Mike Mosehauer)

Hors d'oeuvres – 2 (select food choices within identified budget; \$6-\$8/  
person)

PowerPoint Slide Show – 1

Awards Coordinator – 1

Cakes – 1

Take-down Display tables & materials - 2

## **MEMBER RECOGNITION & AWARDS**

(Cathy Trout: August 2012)

### **PURPOSE**

To provide PWV members with recognition for specific accomplishments (note: this write-up does not include awards given by the Forest Service).

### **CALENDAR OF EVENTS**

**Ongoing:** Member recognition and awards is an ongoing activity promoted by the Member Recognition Awards Committee and Board of Directors Chair. Recognition including certificates and token awards are made on behalf of PWV Board of Directors at Board meetings and at PWV sponsored special events at the discretion of the Member Recognition & Awards Committee Chair and/or the Chair of Board of Directors. **PWV members are encouraged to recommend recognition and awards to the Committee Chair and PWV Board Chair for deserving PWV members.**

**Immediately after Patrol Season:** An annual competition is held for select specific awards which are awarded at the Annual Meeting and Year End Event each year. For this event, the Members Recognition and Awards Committee meets with the Forest Service Liaison to determine winners of the various award categories.

### **PROCEDURE FOR DETERMINING AWARD WINNERS FOR PRESENTATION AT ANNUAL MEETING AND YEAR END EVENT**

The Awards Committee and USFS Liaison will determine award winners based on criteria described below and ensure that awards are available at the Annual Meeting and Year End Event awards ceremony.

**Patrol Awards Criteria:** *For returning members, the criteria for patrol awards is based on a point scoring calculation which reflects both the number of patrols and the priority of the trails patrolled (e.g., score = 3x number of high priority trail patrols + 2x number of medium priority trail patrols + 1x number of low priority trail patrols). The criteria for new members is number of patrols; not number of patrol points, because the trails for the first six patrols for new members are selected by PWV; not the new members. New members have no control regarding trail patrolling priority.*

- 1a) Most hiking patrols by a new member - A \$30 gift certificate to a local sporting goods store.
- 1b) Second most hiking patrols by a new member - A \$20 gift certificate to a local sporting goods store.
- 1c) Third most hiking patrols by a new member - A \$10 gift certificate to a local sporting goods store.
  
- 2a) Most riding patrols by a new member - A \$30 gift certificate to a local sporting goods store.
- 2b) Second most riding patrols by a new member - A \$20 gift certificate to a local sporting goods store.
- 2c) Third most riding patrols by a new member - A \$10 gift certificate to a local sporting goods store.
  
- 3a) Most hiking patrol points by a returning member - A \$30 gift certificate to a local sporting goods store.
- 3b) Second most hiking patrol points by a returning member - A \$20 gift certificate to a local sporting goods store.
- 3c) Third most hiking patrol points by a returning member - A \$10 gift certificate to a local sporting goods store.
  
- 4a) Most riding patrol points by a returning member - A \$30 gift certificate to a local sporting goods store.
- 4b) Second most riding patrol points by a returning member - A \$20 gift certificate to a local sporting goods store.
- 4c) Third most riding patrol points by a returning member - A \$10 gift certificate to a local sporting goods store.

- 5a) Most overnight patrol points (regardless of mode of transportation or new member/veteran status) - A \$30 gift certificate to a local sporting goods store.
  - 5b) Second most overnight patrol points (regardless of mode of transportation or new member/veteran status) - A \$20 gift certificate to a local sporting goods store.
  - 5c) Third most overnight patrol points (regardless of mode of transportation or new member/veteran status) - A \$10 gift certificate to a local sporting goods store.
- 6) Animal group with most patrols - Matching baseball-style hats with PWV patch on front and animal group name and year stitched on the back.  
**Criteria:** *The Animal Group with the highest average number of patrols (number of hikes made by the group ÷ by number of people in the group) is the winner.*
- 7) Ten-Year Service as a PWV – Ten-year Service Pin.  
**Criteria:** *In each year which is considered for the 10-year recognition, volunteers must have reported 1) at least one patrol, or 2) at least 6 other volunteer hours (equivalent to one patrol); and*  
*have averaged a minimum of 6 patrols over the 10 years being considered or have averaged 36 hours/year of other volunteer time, or a combination, which do not need to be consecutive; and*  
*A record of all their patrols/volunteer activities must exist in the USFS data base.*

The 10-Year Service Award shall be a lapel pin and/or an enlarged name badge. Design of the lapel pin to be proposed by Member Recognition & Awards' Committee Chair and approved by the Board at the next Board meeting if order lead time is sufficient to have pins for Year-End Event by October 21, 2012. If order lead time requires earlier decision, decision shall be made by Executive Committee.

#### EVALUATION AND REPORTING

Provide the Board and Forest Service Liaison a list of the winners who will be awarded at the Annual Meeting and Year End Event.

## TREASURER

(M Shaklee, October 2011)

### **QUALIFICATIONS**

The Treasurer is elected to a 1-year term, renewable for 3 years (or more if the Board so chooses) by the Board at its October meeting; and ideally would be experienced (or willing to learn) relevant aspects of bookkeeping, spreadsheets, financial reports, collecting money/recording financial transactions; with developing, maintaining and tracking budgets; and using Intuit *QuickBooks*.

### **ACTIVITIES**

Following generally accepted accounting practices, the Treasurer:

- Receives and deposits, in appropriate bank accounts, all moneys of the organization, and disburses such funds as directed by resolution of the Board
- Signs all checks and keeps proper books of account
- Prepares an annual budget and a statement of income/expenses for presentation to the Board at regular meetings, and have such statements open for inspection by the Board members.

The Treasurer leads the annual PWV budget building process by the Budget Committee.

When so directed by the Board, the Treasurer shall cause an audit of the books to be made by a public accountant.

The Treasurer is also involved with, and facilitates, the:

- Inventory process
- Fundraising efforts throughout year
  - Thank you letters as needed
  - Fundraising events

The Treasurer is a member of the Endowment Fund Committee.

### **CALENDAR OF EVENTS**

**Regularly:** Balances all bank accounts, keeps financial accounting up to date, manages donations, manages the Endowment Fund, and oversees the Finance Committee cluster

**Monthly:** Prepares the monthly Treasurer's Report for the Board of Directors

**End-of-Year:** Inventory

**May15:** File tax return/IRS form 990, Colorado Secretary of State Charity Registration and Annual Corporation Fee

**May:** Oversee financial aspects of Kick-Off Night and Spring Training

**September-December:** Prepare Annual PWV Budget.

### **PROCEDURES**

Keep financial books of the Organization

Register w/Secretary State, County and City

- Tax exempt status
- Annual non-profit 501 (c) (3) report
- Charity registration

**Bank Accounts:**

- Make deposits.
- Write checks and pay bills.
- Reconcile bank accounts monthly.

Monitor CDs as needed, including open/close accounts and track maturity dates.

**Donations:**

Provide means of accepting donations.

Track donations received and write “thank you” letters to donors.

Track grants received.

Track contributions received, send out W-9 forms, record EIN numbers.

**Treasurer's Report:**

Generate in *QuickBooks* and export to *Excel*.

Report at Board meetings for the period ending previous month, showing monthly transactions, monthly summary of income/expenses of major categories, and balance sheet.

**Taxes/IRS form 990:** Prepare accounts for timely tax filing.

**CO Secretary of State:** File annual, on-line Charity and Corporation registration forms

**Inventory:**

Track inventory in QuickBooks by:

- a) Asset, permanent items
- b) Inventory, items for sale
- c) Supplies, consumables
- d) Spring Training items

Work with inventory manager and committee chairs on:

- a) Number of items on hand
- b) Annual inventory

**Endowment Fund:**

Maintain Endowment Donor list:

- a) Add names, contact info and amounts received
- b) Send list regularly to Secretary of Endowment Fund Committee

Deposit contributions to bank account and reconcile account monthly

Transfer funds of \$5000 from savings to CD and track maturity dates

**Budget:**

Lead Budget Committee to:

- a) Request/review committee and budget proposals
- b) Prepare budget for approval

Prepare annual proposed budget to Board for approval

Coordinate budget priorities w/Fundraising efforts:

- a) Provide up-to-date financial reports
- b) Track prioritized expenses

**Finance Cluster:**

Facilitate committee processes within Finance Cluster.

Coordinate committee efforts within Finance Cluster and other committee clusters.

**Kick-Off Night & Spring Training:**

Send out emails to new recruits and returning members re: Spring Training meals and PWV uniform costs.

Process payments upon receipt

Prepare updated version of spreadsheet based on payments mailed in to Treasurer.

Create lists of:

- a) Those who still owe money (returning members and new recruits)
- b) Those that have paid
- c) All PWV members

Requests for help, at least 2 volunteers to collect money, assigned to different time periods during registration.

- Track all uniform items sold under specific categories.
- Prepare bank deposit; assign tracking number to each deposit, amount for each category.
- Photocopy/scan all checks and deposit slips.
- Write refund checks as appropriate (offer refund or opportunity to donate to PWV).
- Bring checkbook.
- Prepare and bring checks to pay for speakers' honoraria, caterers, etc.
- Provide for petty cash
- Jacks Gulch
  - Hand out maps to Pingree Park dorm or campsites. --??
  - Carry backpack throughout ST weekend w/payment lists, cash, checks from proceeds, etc.
- Cub Scout Camp
  - Process under development

#### EVALUATION AND REPORTING

- Provide monthly financial report for all Board meetings
- Provide annual financial report to Board at January meeting, to include balance sheet
- income/expenses, and summary of income/expenses by month
- Provide Board with access to copies of current year's tax returns
- Provide Board annual Endowment Fund financial report

Note: PWV's current financial practices and the roles and responsibilities of the Treasurer (and the nature of the associated Budget Committee and the Finance Cluster of committees) is currently being reviewed and re-evaluated by the current Treasurer (Margaret Shaklee) and Kathy Burgess. Thus, the above description may be substantially modified (assuming Board approval) in the near future - JBS

## PWV ANNUAL BUDGET

(M Shaklee: October 2011)

### PURPOSE

Develop PWV's annual budget with eye on potential funding; prioritizing line items in budget; reviewing committee budget proposals; and recommending committee budgets and a spending plan for approval by Board.

**Structure** Members include: Treasurer (Chair), Fundraising Committee Chair, Board member, Advisory Board member, general member, and advisor [with CPA certification]

### CALENDAR OF EVENTS

**By September Board meeting:** Identify and invite members of Budget Committee

**By October Board meeting:**

- Identify budget categories
- Prioritize overall budget items
- Finalize committee/activity funding request form
- Request budget proposals from committee chairs

**By November Board meeting:**

- Committees submit budget proposals to Budget Committee

**By December Board meeting:**

- Review committee budgets
- Meet and revise proposed committee/activity spending requests consistent with overall organizational priorities and funding and discuss changes with committee chairs.
- Develop a spending plan for coming year based on available funds, potential fundraising efforts, and prioritization of expense categories

**At December Board meeting:**

- Present budget to Board for approval
- Present the spending plan for coming year

### PROCEDURE

Develop, refine, and implement process to review committee budgets; prioritize needs of PWV; review past expenses; consider future PWV plans (both for the following year and for future needs); assess current fundraising atmosphere; review, revise, and send out PWV Committee/Activity Funding Request form to committee chairs; and notify committee chairs of date and procedure for submitting budgets; evaluate committees' budgets, suggest changes, and recommend overall PWV budget to the Board.

### EVALUATION AND REPORTING

Budget for upcoming year

Additional funding for anticipated future needs

Spending plan for upcoming year

*See following pages for budget forms and example email*

Example email (Oct. 2011) requesting proposed budgets from committee chairs and Board members:

Dear Committee Chair, Co-Chair, and Board Member,

Once again it is time for that **treasured** annual fall tradition—the PWV Budget!

We depend primarily on your input regarding planned activities and anticipated needs to drive budgeting. The 2012 Budget Committee has been convened by the Board of Directors:

2. To review all line items in the PWV Budget and determine whether they are:

Essential  
 A mixture of essential and non-essential components  
 Non-essential

15. To develop and recommend an Annual PWV Budget and a Spending Plan to the BOD for approval.

Our timetable feeds into the Board's meetings and is as follows:

<b>31 October</b>	Committee/Activity Funding Request proposals <b>DUE</b> to Treasurer
<b>8 November</b>	Review/prioritization meeting of Budget Committee
<b>17 November</b>	Present Budget and Spending Plan proposal to Board of Directors
<b>15 December</b>	BOD considers and approves proposed Budget and Spending Plan
<b>30 December</b>	Treasurer communicates to committees their approved 2012 budgets

As you can see, this is a fairly compressed window, and we really appreciate your help in making this happen smoothly and quickly.

Attached you will find the form to use in your budget preparation:

The **Committee/Activity Funding Request Form** is required to submit your proposals. It contains:

- an explanation of the key elements of the requests
- an example to help you when completing the form
- a place for any supplemental information you think will be helpful

Please pay particular attention to the priority details called for regarding funding components. These identify the relative importance of each item/activity to PWV operations (essential, high, medium, or low priority). Though there may be some subjectivity, using the definitions should help each committee fit each request into the best category, and so guide budget priority decisions as needed. Definitions and an example of a completed form are included with the request form.

Complete and return your request form to Margaret Shaklee, [xxx@vvvs.net](mailto:xxx@vvvs.net) no later than **October 31**.

Your request(s) will assist the Budget Committee in developing a final budget which will be presented to the board for approval.

Also attached is a current **list of suggested budget expense categories and overall priorities** to help you as you consider 2012 events and activities.

Contact Margaret Shaklee, at [xxx@vvvs.net](mailto:xxx@vvvs.net) or 970-xxx-yyyy, if you have additional questions.

Thanks, your Budget Committee

Margaret Shaklee, outgoing Treasurer, Committee Co-Chair

Gene Packer, Treasurer-elect, Committee Co-Chair

Fred Allen, Fundraising Chair

Don Creager, BOD Member

Bob Manuel, Advisory Board Member

Martha Shepard, PWV Member

Kathy Burgess, Advisor

Explanation of Proposal Form Elements	Example

Items in Proposal Form		Definitions
Date		Date of Proposal
Committee/Activity		Name of Committee
Proposal for		Needs of Committee / Activity in coming year
Previous Budget Allocation		Amount in budget from previous year
Spent To Date		Amount spent of approved budget so far
To Be Spent by 12/31		Outstanding amount you still plan to spend
Total 2012 Funding Request		Total cost for Committee's proposal
Details		Elements included in Committee proposal for coming year
Component		Items requested in 2012
Priority: Essential = <b>E</b>		Essential to PWV Operations
Priority: Non-Essential		High, Medium, Low
High = <b>H</b>		Critical to Committee/Activity Operations
Medium = <b>M</b>		Committee can operate, but quality would be compromised
Low = <b>L</b>		Committee/Activity can operate easily without this expenditure
Quantity		Number needed
Unit Cost		Cost per Item
Cost		Quantity x Unit Cost (Number Needed x Cost per Item)
Why Needed		Why is this important to the Committee/Activity?
Source(s)		Where can item be purchased?
Submitted by		Who is submitting the request
Phone		Contact phone
Email		Contact email
Explanation		Any additional explanation of funding request

Date:	10/22/11	Committee/Activity:	Weed Crew
Proposal for:	2012 requested Weed Crew allotment		

Previous Budget Allocation: \$	325.00	Total 2012 Funding Request: \$	285.00
Spent To Date: \$	300.00		
To Be Spent by 12/31: \$	25.00		

**Details:**

Component	Priority	Quantity	Unit Cost	Cost	Why Needed	Source(s)
Printing & laminating of maps of weed pull locations	H	20	2.00	\$40.00	Necessary documentation for USFS (& Larimer County	JB Shaklee & Staples
Printing of application & final report to granting agency	H	2	12.50	\$25.00	Application and final report required by grant source	JB Shaklee
Printing of Weed Crew Manual	H	16	10.00	\$160.00	Necessary reference for training new Weed Crew members	JB Shaklee or Office Depot/Staples
PWV volunteer patches for safety vests	H	30	2.00	\$60.00	"required" to identify Weed Crew members in field as PWVs	PWV
USFS volunteer patches for safety vests	H	30	0.00	\$0.00	"required" to identify Weed Crew members in field as USFS volunteers	USFS

Submitted by:	Jim Shaklee		
Phone:	970-484-8002		
<b>Explanation:</b> Weed Crew needs are part of a grant submitted to Larimer County, which will provide support for the needs of the crew in the coming year. The above items are the high priority items that the Weed Crew will need to function regardless of the additional grant funds.			

## **FUNDRAISING**

(Fred Allen: October 2011)

### PURPOSE

Secure funding for the continued operations of the Organization, and provide budget guidelines and projections to the Board. Being connected and associated closely with the U.S. Forest Service, fundraising needs to meet their guidelines.

Given that PWV now has two separate fund raising programs, one to generate funds for annual operational needs and one to grow the endowment fund, it is very important that these two efforts be planned and implemented in a manner that avoid duplication in target donors and timing.

### COMMITTEE COMPOSITION

In one sense every PWV member could be a fundraiser. PWV has never had a formal committee structure with regards to fundraising. Instead various members have solicited, sometime only from one source, funds to assist in the organization's continued operation. These contacts have been invaluable. Though frustrating to some, this loose system has worked and has provided more than half of the operating income. More importantly most of the funds raised through personal contact have not been restricted. With regards to grant writing, it would seem appropriate to coordinate efforts. Grants often are for specific uses and have reporting procedures. Only recently has PWV endeavored to hold fundraising events and if it is decided to continue this effort it might seem reasonable to form a separate committee to organize such events.

### CALENDAR OF EVENTS

Fund raising is a year-round operation. Companies, donors and contributors tend to give at various times. If PWV decides to conduct fundraisers, it would seem best to schedule them in the Spring. In March and April, the public is beginning to start planning their summer outdoor activities.

### PROCEDURES

PWV meets the criteria for giving of many businesses and individuals. Since we are not engaged in athletics, politics or lobbying we pass the initial vetting. Our mission statement is easy for most companies to embrace. With that said there is a great deal of competition for dollars. Most companies receive dozens of solicitations every day, so it is generally best to attempt to make a personal contact. With a group from many diverse backgrounds, having our members make that initial contact, or supply the lead fundraiser/Fundraising Committee with contact information tends to be extremely helpful. Along with reconnecting with past donors, the committee should expect to contact more than 50 companies a year, with the hope of securing a donation from one of them.

Regarding applying for grants, it is important to seek only those grants that target or match our mission. Otherwise, one is just wasting time completing a lengthy application with little chance of receiving anything in return.

PWV has had only limited success soliciting funds from individuals.

### EVALUATION AND REPORTING

A letter on PWV letterhead needs to be provided to every donor or contributor. The Treasurer has been handling this task for the past few years.

- The results of fundraising is reflected on the monthly Treasurers Report.
- An annual report to the Board summarizing trends and other accomplishments.

A few donors, especially organizations providing grants will require a report. These reports should be prepared as soon as practical after the funds have been spent.

All larger contributors (perhaps greater than \$1000) should be contacted a few months after receipt of funds providing a summary of how their funds were used. The newsletter should also be sent to contributors.

Very large and generous donors should be provided regular communications and token gifts. This task has been handled by the fund raising committee.

#### **Summary of Recent Major Donations and Grants Received and Sources**

Source	Prior to 2010	2010	2011

Whole Foods		\$1022	
<b>TOTAL</b>		<b>\$16837</b>	<b>\$16985</b>

## PWV EARTH DAY FUNDRAISER

(J Shaklee: October 2011)

### PURPOSE

The primary purpose of this event is to serve as a community-based fundraising event to support PWV's annual operating budget. Other benefits are: 1) to serve as a social event for members and new recruits and 2) to increase PWV's visibility in the community and emphasize PWV's contributions to local public lands stewardship (Earth Day tie-in).

### CALENDAR OF EVENTS

**November:** Consult with Board about whether or not to have event in coming year.

**January:** Define scope of event

Establish subcommittees and staff with volunteers

Arrange for event sponsors (e.g., The Scene, RB+B Architects, etc.)

Arrange for a PWV booth at Earth Day Celebration (\$50 booth fee for non-profits in 2011)

Arrange for/reserve facility for fundraiser

Make arrangements for music/entertainment

Make arrangements for food & beverages

Begin soliciting donations for silent auction, drawings/raffles

**February:**

**March:** Define cost of tickets, ticket process, and prepare tickets

Send invitations (via email) to members & new recruits

Launch publicity campaign (emails, posters, public service radio announcements)

**April:**

**May:** Final drawings for prizes at Spring Training

**June:** Accounting for expenses and income finalized and reported to Board

### PROCEDURES

Event subcommittee (venue, music, food)

Fundraisers

donations of framed photos from PWVs

donations of other items from PWVs

donations of small items from local vendors

donations of large items from local vendors (e.g., flat-screen TVs)

### **2011 Event Summary**

Venue: Crazy Jack's Saloon (donated at no cost to PWV)

Music: Kathy Connolly Band (donated at no cost to PWV)

Food & Catering: Consuello's New Mexican Restaurant (@ \$17.00/person)

Tickets: \$40/couple; \$25 per individual

Publicity:

Ad in the Scene magazine (\$400 donated by Burgess Accounting; \$400 by Michael Mockler, The Scene)

Radio announcements (donated by local stations)

11" x 17" color posters (donated by Kathy Burgess)

Printing and distribution of flyers (donated by Kathy Burgess)

Printing of tickets (donated by Kathy Burgess)

Mailing of tickets (donated by Kathy Burgess)

Proceeds:

**-\$117** (net from ticket sales for dinner dance)

\$1,535 Non-photo items (golf, health club, guiding fishing, gift certificates, 1-week condo)

\$1,100 (13 of 16 framed photos donated by PWVs)  
\$1,750 (drawing for two large screen TVs donated by Wal-Mart; 176 tickets sold @  
\$10ea)

**Net Proceeds = \$4,278**

**Attendance: total = 69 people** (36 PWVs; USFS = 2; spouses, friends, [& public] = 31)

**Primary organizers:** Kathy Burgess, Fred Allen, Margaret Shaklee, Sharon Holbrooks, Jim Shaklee

**EVALUATION AND REPORTING**

Document and evaluate work invested, expenses, and funds raised. Prepare a brief summary report for the Board.

## **INVENTORY**

(D Creager: October 2011)

### **PURPOSES**

Establish inventory count as of December 31 to support the filing of the tax return

Determine what items need to be re-supplied for Spring Training

Enable committees/programs that have equipment, tools, and/or supplies in the PWV storage unit (or elsewhere) to keep track of their holdings and identify needs for the coming season.

### **CALENDAR OF EVENTS**

December: For tax purposes, conduct a complete count of:

- inventory items (e.g., uniform items, *Field & Trail Guides*, SAM splints, maps);
- assets (e.g., SPOT & GPS units, tools, backpacks, coolers, first aid kits, PWV booth display, pavilions, tables, coffee pots & pots and pans, specialized equipment, etc.)
- computers, peripherals, and software

February-March: conduct a complete count of supplies (and check stock of for-sale items) to support upcoming field season operations and activities.

### **PROCEDURE**

The inventory manager has an Excel worksheet of the items normally kept in the PWV storage unit. The worksheet should be updated annually. Immediately following Spring Training, the Spring Training Committee should record the quantity of items used and re-useable items remaining and prepare the shopping list for the next year's Spring Training.

Other committees may have items stored at members' homes (e.g., Trail Crew, Weed Crew, Kids in Nature, Spring Training). All members responsible for their items need to update their respective inventories (as of December 31) and submit them to the Treasurer by January 31 to assist in the tax filings.

### **EVALUATION AND REPORTING**

(J Rieux & F Allen: October 2011)

### **PURPOSES**

To organize and support a network of vendors who stock and sell copies of the *PWV Field & Trail Guide* to the public. To provide copies of the Guide to maintain vendors' supplies and to deal with pricing and invoicing needs.

### **CALENDAR OF EVENTS**

**Late September:** Check inventory to determine if there are enough copies of the current edition of the *PWV Field & Trail Guide* in stock for the coming season. If more are needed, make plans for producing more copies of the current edition or, if appropriate, for producing a new edition.

**April (and as needed):** Distribute to sellers and wholesalers. Provide PWV invoices to sellers and wholesalers.

### **PROCEDURE**

The third edition (2011) of the *PWV Field & Trail Guide* retails for \$10.95 [and is packed 84 books to the case].

<b>Vendor</b>	<b>Type</b>	<b>Terms</b>	<b>Contact</b>	<b>Phone</b>	<b>Address</b>	<b>Comments</b>
Books West	Wholesaler	50%	Susan Bhat	800-378-4188 EXT 224	Books West c/o Howard Logistics 18101 East Colfax Ave Aurora, CO 80011	Needs a packing slip and ISBN number with shipments.  A copy of their purchase order is also acceptable as a covering document. Jacques is listed as the vendor because he already had an old established account with them.
Rocky Mountain Nature Association (RMNA)	USFS Region 2 Wholesaler	Their cost is ~30% off list price	Megan Matzen	970-586-0121 or 970-310-9362	PO Box 3100, Estes Park, CO 80517	Maintains the inventory at the various USFS Visitor Centers and Book Stores throughout Region 2
Others (e.g., Longs Peak BSC, Fort Collins Hilton, Vern's, Firehouse Books, REI, JAX)	Trade Sellers	Their cost is 40% off list price	Various			Depends on vendor

The market is regional, predominately within 60 miles of Fort Collins. An exception to this would be to consider making editions available at the Moose Center between Cameron Pass and Gould. Our prime customers have been REI\*, JAX, and the Denver book wholesaler, Books West. Books West makes the edition available to stores that want only two or three copies since the stores can combine the *PWV Field & Trail Guide* with the rest of their book order from Books West, making the purchase affordable. We have also sold editions to local outlets, Firehouse Books, Vern's and the USFS Visitors' Centers in Fort Collins and at Arrowhead Lodge.

Identify new outlets.  
Negotiate pricing.

In 2011, a few books were sold through the Longs Peak Boy Scout Council. PWV may wish to continue to market this guide directly to Scout leaders in our area.

We also sell copies of the current edition to PWV members for \$10/book. These sales typically occur at various PWV events (e.g., Spring Training). We also sell copies of the current edition to the public on some occasions (e.g., PWV booth at New West Fest, Public Lands Day event). These are "special retail" sales not "wholesale."

A formal invoicing process for 2012 is currently being developed by the Committee and the PWV Treasurer.

PWV should develop a strategy and a plan for how it will close-out remaining copies of an old edition when a new addition becomes available (e.g., sell copies of old edition at a reduced cost to PWV members or the public? At what cost to whom?)

#### EVALUATION AND REPORTING

Track sales by location and periodically present a brief summary report to the Board.

*\* = dealing with REI became more complicated in 2011 when they began requiring that books be purchased from a wholesaler rather than directly from PWV. Generally, REI is complicated to deal with as all decisions are made at their headquarters in Seattle. Fred Allen has dealt with them this year and he can give supplemental information about doing business with them.*

# **TRAINING**

## **SUPPLEMENTAL TRAINING**

(K Riters: October 2011)

### **PURPOSE**

Provide supplemental training opportunities for members to improve and refresh skills and knowledge base for conducting patrols. Listed in priority, topics include:

- 1) Safety related skills such as: first aid, CPR, map & compass, GPS, wilderness survival
- 2) Knowledge to further improve competence in performing trail patrol duties
- 3) Knowledge to increase enjoyment of patrol experience such as ID of trees, plants, birds, insects, geology, and local history.

PWV supplemental training classroom sessions are open to guests of PWV members and other interested public, provided there is space available after all interested PWV members have registered. PWV supplemental training field sessions are only available to PWV members at this time.

### **CALENDAR OF EVENTS**

**December:** Obtain Board approval of plan and budget in time for annual budget development and approval process, and final approval at December Board meeting.

**As Appropriate:** Schedule events according to plan and membership sign-up for training events.

### **PROCEDURE**

1. Solicit committee membership. Size of committee dependent on response of membership and desire of committee chair. In 2011, committee consisted of three members.
2. Identify training needs. See "Periodic survey and assessment of training needs" under "Evaluation & Reporting" heading below.
3. Identify potential trainers and assistants from within PWV.
4. When necessary, solicit potential external trainers and assistants for various training events. For some training, such as first aid, certified trainers are mandatory if the goal is to certify participants.
5. Identify and arrange for venues for training events (e.g., USFS conference room, Mulligan's Pub, Council Tree Library meeting room).
6. Get tentative commitments from trainers.
7. Prepare training plan, including funding and resource requirements.
8. Coordinate supplemental training plan and assist/support training, where appropriate, with other committees such as Affiliation Gatherings sponsored by the Members in-Reach Committee, Spring Training, and various other committees (e.g., Mentoring, Trail Crew, Kids in Nature, Weed Crew).
9. Review plan with Board and get approval of plan and budget.
10. Post planned training events on PWV Website Planning Calendar
11. Issue tentative training events schedule and get member tentative sign-up for events.
12. Finalize training plans with trainers.
13. Post scheduled training events on PWV Website Events Calendar and remove from PWV Website Planning Calendar when event is scheduled. Keep calendar postings up to date when changes are required.
14. Issue final announcements to membership and get member final sign-up for specific training events.
15. Cancel specific event if insufficient number of members sign up.
16. Acknowledge registrants of their enrollment and provide appropriate details regarding specific training event or notify them in case of cancellation.
17. Conduct scheduled training events.

18. Have all participants complete Evaluation Forms for each training event

#### **EVALUATION & REPORTING**

1. Periodic survey and assessment of training needs. In July 2010, PWV conducted an extensive on-line Training Preference Survey that provided valuable input from 40% of the membership. Survey results are available from PWV Survey Manager or current Supplemental Training Committee Chair. The survey should be of value for a couple of years and can be used as a guideline for future surveys.
2. Annual supplemental training plan. 2010 plan available from 2010 Supplemental Training Committee chair (Karl Ritters). Plan is prepared and reviewed with Board in fall prior to budget preparation.
3. Publish article on PWV Website under News & Information: Training Events – Planned & Scheduled for 20XX. Article includes Table of Planned and Scheduled Training Events for Year 20XX. Maintain article up-to-date as year progresses. Prior year article is available on PWV Website (in unpublished state if all the events have taken place).
4. Annual summary report of supplemental training goals, activities, participation, accomplishments, trainee feedback & evaluation, and issues (incl. a summary of the results of all training evaluations) is submitted to the Board for inclusion in the PWV Annual Report to the Canyon Lakes Ranger District.

## **KICK-OFF NIGHT**

(L Van Arsdale: October 2011)

**PURPOSE** Make recruits feel welcome and prepare them for Spring Training.

### **CALENDAR OF EVENTS**

**January/February:**      Solicit volunteers to present the scheduled events.

Confirm the date of Kick-Off Night (KON) with USFS Liaison, usually the 1<sup>st</sup> Wednesday in May.

Advise Chair-elect of the date for the PWV calendar.

**March** (after interviews): Work with Animal Group Coordinator to recruit AGLs.

**April:** Send out emails to KON presenters, KON volunteers, and to AGLs with information and “assignments”

Board Meeting: Distribute KON agenda and present plans to the Board.

**May:** 1<sup>st</sup> Wednesday:      Kick-off-Night.

### **PROCEDURE**

The Kick-off Night Agenda (see: *Sample KON Agenda* below) outlines the topics and schedule for this event.

The KON Coordinator should arrive at the USFS office on Centre Avenue in Fort Collins at 5:15PM. KON volunteers should have been asked to arrive no later than 5:30 PM. All KON volunteers, including the KON Coordinator should wear their PWV shirt (tucked in), with their name tag on shirt pocket. First impression is important; think “U.S. Forest Ranger.” PWV volunteers represent the U.S. Forest Service.

Volunteers will need the following information:

- Topic specific information guidelines
- An agenda of pertinent information to definitely cover with each group
- A clear understanding of the procedures for KON and what is expected of them

AGLs should be at your assigned “stations” in the large room by 5:30 and have your Animal Group signs displayed so the new recruits know where to find you. Hold your signs up so new recruits may quickly and easily find their animal groups. Having all the groups meeting in the large conference room is difficult, crowded, and noisy. Allow AGLs to set up in the foyer, back hallway, or conference room; with the instruction to bring their recruits to the main conference room for the **Welcome, Introductions, Housekeeping**.

#### **Overview:**

- New recruits are greeted at the door by a volunteer, “checked in” on a roster, and taken to their assigned Animal Group, starting at 5:30 pm.
- The AGLs and new recruits get to know each other and the AGLs give each new recruit: directions to Spring Training location, a PWV Field Guide and a Pocket Patrol Guide and discuss the Field Guide and associated “reading assignment”, details of the Spring Training weekend, recommended items to bring to Spring Training, and other relevant matters.
- There is a 15-minute, whole-group presentation, including an LNT (Leave No Trace) video.
- The Animal Groups will participate in four training stations with their group leaders for the rest of evening; with a final 30-minute wrap-up with their groups.
- The Treasurer will contact all new recruits who haven’t yet paid for meals and uniform items and make arrangements for payment (at KON, by mail, or subsequently at Spring Training).

Conference Room Agenda (6:00 to 6:50 pm)

#### **Welcome, Introductions, Housekeeping**

- PWV Chair welcomes, covers agenda, introduces USFS Representative (5 min)
- USFS Representative welcomes, housekeeping, introduces PWV founder (5 min)
- PWV founder gives PWV background (5 min)
- Board member covers Field Guide and Newsletter, committees, projects in which PWV is involved (5-10 min)
- Mentors give brief presentation; remind recruits to find mentor before leaving.
- LNT or Soft Paths video or slide show (15 min)

- Break to set up rooms and get groups there (10 min break) -- Set up rooms??

#### **Animal Group Presentations/Rotations**

> The presenters/experts rotate through the 4 stations.  
Animal Group leaders are welcome to join in instruction.

#### **General Support and Emergency backup**

- PWV member/veteran who has helped with KON previously.
- PWV key volunteers to mix with recruits; fill in for last-minute no shows.
- USFS representative(s) to mingle, deal with building issues/logistics prior to event.
- Stations for AGL presentations: 7:00 - 8:30; 4 stations, 20 min each; and 30 min for AGL time, ending by 9:00. Five minutes factored in for each presentation team to move to next Animal Group station.

**Authority of the Resource, 20 min.** 10 minutes on origin of AR and 10 minutes role play scenarios by veteran members that are carefully thought out. Pair a new KON volunteer with a PWV member who has done this station previously (see: *Role Players at KON Training* below).

**Patrol Scheduling & Reporting Website** intro and USFS policies members, 20 min. Basic overview, plus general idea of how information is used. Web person may do whole presentation if USFS representation unavailable. **Payments.** Concurrently, the Treasurer contacts all new recruits who haven't yet paid for meals and uniform items and makes arrangements for payment.

**PWV Patrol Areas**, 20 min. At this station, distinguish between National Forest (including Wilderness) lands, National Park, BLM, and USF&WS lands, discuss the areas and trails PWV patrols, and let recruits know about map and compass training and skill-building opportunities.

**Backcountry Ethics**, 20 min. How we represent the Forest Service and PWV; keeping uniform presentable, using LNT as role model to others. "Our actions define who we are".

**Animal Group Time**, 30 min. Split into individual Animal Groups and continue to discuss:

- What happens at Spring Training
- What to bring to Spring Training
- Around the campfire; couple brief, appropriate stories of past experiences
- Brief review of Field Guide and what sections recruits should read
- Trade phone numbers, for support at Spring Training and support from PWV members
- Arrange carpooling and/or camping arrangements
- Review preparation checklist
- Did you find your mentor?

#### **One-page Schedule of Evening Events:**

5:15-5:30	KON volunteers arrive
5:30-6:00	Recruits check in
6:00-6:50	Whole-group session; welcome, introductions, housekeeping
6:50-7:00	Break time for groups to go to first station
7:00-8:30	Animal groups at stations

STATIONS:	1) Authority of the Resource 2) Patrol Scheduling & Reporting Website (Payments) 3) PWV Patrol Areas 4) Backcountry Ethics
-----------	---

After 4 stations, then Animal Group time.

Detailed explanation of how groups move through the evening's training sessions

Volunteers should plan to stay until 9:15 in case you are needed.

#### **KON Check list:**

Directions to Spring Training location and time required to travel there.

Camping gear needed to be comfortable at Spring Training.

Food (Saturday sack lunch) and related needs: plate, cup, & utensils

Prepare for most of Saturday on a 1.6 mile (or a 4 mile) hike away from the camp.

Weekend and hike may be cold and/or wet, so plan accordingly.

Paid for meals at Spring Training, shirt, and name badge.  
Have Field Guide; know what pages to study prior to Spring Training.  
Met Animal Group members; covered carpooling and general support of each other.  
Have names/phone numbers of PWVs to call with questions and concerns.

**Directions to Spring Training Location:**

--Insert directions to Jacks Gulch or Cub Scout Camp here . . .

**EVALUATION AND REPORTING**

Ask participants (i.e., KON volunteers, AGLs, and new recruits) to complete the KON and Spring Training on-line evaluation.

Provide a report for the Board regarding the results of the KON Evaluation survey.

## **Sample KON Agenda**

### **Kick-Off Night 2011**

Goal: Help new volunteers feel welcome, part of a terrific group, and comfortably prepared to take maximum benefit from Spring Training Weekend.

**In addition to the standard training, we have an extended goal to building relationships within animal groups and letting animal group members establish rapport with their fellow group members.**

#### **Agenda:**

##### **5:30-6:00 PM**

New members arrive, returning members meet and greet and direct to Animal Groups.

- Leaders confirm contact info. and provide an overview of the night.

#### **Animal Group Leaders will need to have:**

- Contact List for their group including: name, phone, address, e-mail, and payment
- Name tags with member's names written on them
- Field Guides
- Directions to Cub Scout Camp
- Spring Training Check-list
- An agenda for KON topics
- Discuss **Field Guide Chapt. 7** during break times to prepare for Spring Training (there will be time during the speaker/station rotations)

##### **6:00-6:50**

**Welcome, introductions and housekeeping-** we need to give each speaker a certain amount of time and provide them with a focus.

- PWV Chair- **Jim Shaklee**- Welcome, agenda for the evening and introduce Forest Service liaison. (5 min.)
- USFS Liaison- **Kevin Cannon**- Welcome, housekeeping and US Forest Service Policy and introduce PWV Speaker (10 min.)
- PWV Speaker/Founder- **Chuck Bell**- PWV background (5 min.)
- Showing of Leave No Trace DVD (15 min)
- BREAK TIME

**Animal Groups divide in half and spread to their designated areas for information presentations.**

#### **There will be two sections:**

**Section 1: Web Site Introduction (40 min)** A basic overview including a general idea of how the information is used. **Bob Hansen, Scott Ackerman, (Matt Fisher)**

- **Chapter 8 of the Field Guide**

- **Money collecting table will be set-up in this area for Margaret Shaklee to collect money**

#### **Section 2: (40 min)**

Each of the remaining animal groups will find an area to meet

- Other half of the conference room
- Former "ethics" room
- Foyer
- Break Room

**Volunteers, representing the three former stations: ethics, patrol areas, and Authority of the Resource, will rotate through each animal group.**

#### **Ethics: Brett Johnson, Kay Valerio, and Kathy Michaels**

- **Field Guide 1.1, 2.4, 2.5**
- Mission statement of the Poudre Wilderness Volunteers
  - PWV Uniform expectations
- Leave No Trace (Refer to the Field Guide) Principles
- Hand-out LNT cards

#### **Patrol Areas: Garin VanDeMark, Richard Cullor, Karl Riters, and Dennis McKernan**

- **Field Guide Chapt. 4 and (Chapt. 3)**
- Difference between Wilderness, National Forest, National Park, and BLM:
- Our Territory:  
Rawah Wilderness

- Comanche Peak Wilderness
- Neota Wilderness
- Cache La Poudre Wilderness
- Our areas of patrolling, a few noteworthy stories that volunteers have encountered while on patrol

**Authority of the Resource: Bob Manuel, Betsy and Mike Mosehauer and Cathy Trout**

- **Field Guide Chapt. 2, 2.2 & 2.4**
- Creator and History
- Examples of how it has been developed and implemented on patrols
- LNT and Authority of the Resource are powerful tools of education

***At 7:40-7:50 break, the two sections switch:***

8:30 KON is over; groups can stick around and swap more info. or head out

## **Role Players at KON Training** (Chapter 2, pp 2.2 and 2.3)

CSU's George Wallace developed the Authority of the Resource Technique ("ART"). This way of thinking transforms a contact with someone who is "breaking a regulation" into an opportunity to teach a visitor about the needs of the Wilderness.

According to Webster, "authority" means "the power to influence or command thought, opinion or behavior". Wild nature can be said to have its own authority. Nature has her own needs, operates in certain ways, and has certain "laws". There are consequences when we violate that order. ***Wilderness areas are among the few places on Earth where we have agreed to allow nature, for the most part, to operate on her own terms.*** Desirable behavior is more likely to occur if people understand how their actions affect the way nature operates.

Much of the undesirable behavior that managers must deal with in the wilderness is that which disrupts the natural order or the ability of others to experience wild nature. All too often in dealing with visitors who are causing some sort of impact to soil, vegetation, water quality, wildlife, or the experience of others, we tend to focus on the authority of the agency. By this we mean the visitor ends up thinking about the laws, regulations, badges and the ranger's presence, rather than focusing on the natural authority in the requirements of a healthy ecosystem.

The ART approach attempts to compensate for this tendency. It transfers the authority—or that which asks a person to think or behave in a certain way—from the manager, ranger or agency to those things in nature (resources) that have their own requirements. ***The ART asks the ranger/ manager to subtly de-emphasize the regulation and transfer part of the expectation back to the visitor by interpreting Nature's requirements.***

Here's a comparison of the difference of the ART can make: Imagine you meet visitors who are camped 30 feet from a stream in the Rawah Wilderness. Regulations require campers to be at least 200 feet from any water source. You approach the visitors' camp:

### **The Authority of the AGENCY approach:**

**Ranger:** Good afternoon. My name is Tom Aspen with Poudre Wilderness Volunteers. (Pause for small talk.) I noticed your camp is about 30 feet from the stream. I'm going to have to ask you to move your camp. We have a regulation which is clearly posted at the trailheads that all campsites must be at least 200 feet from any water source.

**Visitor:** We always camp as close to water as possible. It just makes it a lot easier to wash our dishes and get water for camp.

**Ranger:** Well, I can understand that, but regulations are for everyone. I will be back this way later this afternoon. Do you have any questions or is there anything I can do to help you?

**Visitor:** No, I don't believe so.

**Ranger:** Well, I won't bother you any more. You folks have a nice day.

### **The Authority of the RESOURCE approach:**

**Ranger:** Good afternoon. My name is Tom Aspen with Poudre Wilderness Volunteers. (Pause for small talk.) I noticed your camp is about 30 feet from the stream. I know it's convenient and pleasant to be right by the water, but it can do some real damage when you camp here, and I know you don't want to be doing any harm to the wilderness. With the fragile habitat near water sources, we ask that all campsites be located at least 200 feet from all water sources. If everyone camps back a good distance, it spreads the wear and tear out, and doesn't leave as much of a trace. Also, a buffer zone puts less pressure on the wildlife that lives here and depends on this habitat for water, which also means you have a better chance of seeing wildlife along the water.

**Visitor:** Well, I guess I never thought about that, but it certainly makes sense to me. I'll be more careful in the future.

**Ranger:** Thanks for your cooperation. There's a nice campsite just over that ridge. If you like, I'd be glad to help you move your camp.

**Visitor:** Thank you, I would appreciate that.

***Do you "feel" the difference in the two approaches?***

**You're "educating", rather than "enforcing".**

The chances of permanent change are much more likely when you appeal to the needs of the wilderness and the visitors' good intentions than when you read a regulation. **You educate for permanent change.** Since you are wearing a uniform, the visitor can assume that what you say is also a statement of how the agency feels and what actions are desirable in the agency's eyes.

**Role Play Bullet Points:**

- Role play the above example; then discuss the "education" vs. "enforcing".
- The ART asks the volunteer to subtly de-emphasize the regulation and transfer part of the expectation back to the visitor by interpreting nature's requirements.
- Wilderness areas are among the few places on Earth where we have agreed to allow nature, for the most part, to operate on her own terms.
- Teach the visitor about the needs of the wilderness.
- What is most important here—**critically important**—is not the regulation itself. The key is your ability to educate visitors, using ART and Leave no Trace (LNT) principles (which will be presented in the "Ethics" station) so people can see WHY the regulations are sensible and necessary.

## **LEAVE NO TRACE TRAINER TRAINING COURSE**

(G VanDeMark: October 2011)

### **PURPOSE**

The following has been taken from the Leave No Trace (LNT) Center web site (lnt.org).

*The Trainer Course is a vital component of the Leave No Trace nationwide program. It is a shortened version of the Master course. Participants receive introductory training in LNT skills and ethics in a condensed two day format. The Trainer Course assists the student participants in learning more about the seven principles of LNT and techniques for disseminating these low impact skills.*

### **PROCEDURES**

#### **The LNT Center requirements for putting on an LNT Train the Trainer course**

A PWV Trainer course is put on under the guidelines established by the Leave No Trace not for profit organization.

The course instructors must be trained in the LNT principles. The course leader must be a graduate of a LNT Master Educator course and the assistant must be a graduate of an LNT Trainer course.

The course instructor must be currently certified at a minimum in Standard First Aid and CPR.

The LNT organization recommends that the instructor has adequate liability insurance. Since PWV is putting this course on with the USFS knowledge, the PWV participants are covered by the USFS workman's comp insurance.

However, the current LNT Director recommends that the Master Educator who leads the course purchase liability insurance from the LNT Center for Outdoor Ethics (cost \$65 to \$75 per year) the argument being that as an instructor you can always be sued if anything happens and with insurance your legal costs would be covered.

The Master Educator who leads the course must submit a Leave No Trace Training Agreement to the LNT Center. You only need to submit this document once as it will remain on file with the Center.

The course leader must obtain from the LNT web site the **Disclaimer of Liability/Course Participant Acknowledgement and Assumption of Risk** document and have every course participant read and sign it.

The course must be put on and run following the Core Components for Trainer Course Curriculum from the LNT organization Training Guidelines. (see course details below)

### CALENDAR OF EVENTS

The PWV LNT Train the Trainer course has been put on the weekend of, or the weekend before, the PWV Spring Training weekend. These weekends have been selected so as to avoid taking volunteers away from patrolling during the hiking season.

The course has been advertised to the PWV membership by e-mail in late fall and again in early spring. It has only been offered to returning PWV members.

### PROCEDURES

The course site has been selected by the course instructor and assistant. It must be on USFS land under the jurisdiction of the CLRD and with the PWV USFS Liaison's knowledge. Since the purpose of the course is to teach and practice LNT principles and to give those without backpacking experience an opportunity to participate, the hiking distances have been kept short (a mile or two).

An evening planning meeting has been held at the USFS office two or three weeks before the weekend of the training course. This allows for the release agreements to be signed, the handing out of LNT literature, the assignment of LNT principle presentations to the participants, dividing up the participants into two cooking groups, menu selection, a review of the equipment requirements, and assignment of who is going to carry what.

The LNT Center's requirement is that the course involve one night of overnight camping. However, many past PWV members after taking the course expressed the opinion that the course should be extended to two nights. In good weather two nights works well, allowing an opportunity to move camp for the second night.

The course participants have in the past met late on the Friday afternoon of the course at the USFS Administrative Site on North College Avenue leaving cars

there and car pooling to the trailhead to begin the weekend. This allows for a two-night course with a short hike in on Friday evening and moving camp on Saturday to a second campsite and hiking out on Sunday morning for an early afternoon return to Fort Collins.

Attached is copy of the Trainer Course agenda for a recent LNT Train the Trainer Course for reference.

#### EVALUATION AND REPORTING

At the completion of the course the participants have been presented with a certificate of completion, a LNT Trainer lapel pin, a car window/ bumper LNT sticker, and a mound fire blanket that has been cut from a scrap USFS fire fighter aluminum fire shelter.

Also at this time the course participants have been asked to complete a course evaluation form (available to copy from the LNT web site) which has been used to make revisions to the course from time to time.

After the completion of the course a complete student roster with addresses, phone numbers, and e-mail addresses must be submitted to the LNT organization, along with a statement that "Every course participant has read the Center's Disclaimer of Liability and Course Participant Acknowledgment and Assumption of Risks and has met my expectations as a Trainer".

**PWV LEAVE NO TRACE TRAIN THE TRAINER  
COURSE AGENDA**

POUDRE WILDERNESS VOLUNTEERS - RETURNING VOLUNTEERS  
MAY (THE WEEKEND BEFORE SPRING TRAINING), MAY 13, 14, & 15, 2011

**TUESDAY EVENING**

(May 3, 6:30 PM USFS BUILDING, CENTRE AVENUE, FT COLLINS, CO)

6:30 PM - Welcome and Introductions

6:40 PM - Review of Course Agenda and Objectives & (circulate name and address list – corrections?)

6:50 PM - Overview of Leave No Trace Programs

- Review LNT Disclaimer of Liability & Assumption of Risk handout (handout)
- Review LNT *Rocky Mountains LNT Skills & Ethics* booklets & LNT Cards (handout)
- Have everyone sign a USFS Volunteer form

7:00 PM – Training Leave No Trace

- Leave No Trace DVD (NPS and U.S. Department of the Interior)
- Other good sources of information - *Soft Paths* the book; *A Sand County Almanac*, Aldo Leopold; *Backwoods Ethics*, Laura & Guy Waterman – [www.lnt.org](http://www.lnt.org)
- Review the Leave No Trace Principles and make individual presentation assignments
- Learning Styles and Teaching Techniques handout (see below)

7:45 PM – Short break - divide up into two groups and select and assign presentation topics.

8:00 PM – Plan Ahead and Prepare for overnight backpacking trip (hand out backpacking list)

- Plan a menu (Friday individual dinners, Saturday group breakfasts, Saturday individual lunches, Saturday group dinners, & Sunday group breakfasts) – We will also need to discuss how to handle Sunday lunch (if appropriate (e.g., returning to Jacks Gulch Campground and then Fort Collins).
- Assign responsibility for getting and repackaging supplies
- Equipment needs and who is carrying what?
- Clothing needs and something to sit on
- Plans for meeting at USFS Ad site on Friday afternoon/evening, May 13.

8:50 PM – Final thoughts and questions

9:00 PM – Adjourn

**FRIDAY** (May 13)

3:30 – 4:00 PM – Meet at the USFS Administration Site (North College Ave)

4:00 PM – Group checkout of equipment and car pool to the Elkhorn trailhead. (Red Feather area approximately 2 miles west of the Boy Scout Camp on County Rd. 68C)

5:30 PM – Arrive at trailhead, load up and backpack to campsite

6:30 PM – Set up camp (select kitchen site)

6:45 PM – Group meeting – LNT (2) presentation, tent site selection discussion and eat dinner

7:30 PM – Set up individual tents, set up group shelter, hang bear bags, etc

8:30 PM – Group meeting at kitchen site – LNT (3) presentation and group discussion

10:00 PM – Hit the sack

**SATURDAY** (May 14)

7:00 AM - Prepare breakfast

8:00 AM – Break camp – Clean up individual tent sites and make up packs to move to different campsite

9:30 AM – LNT (4) discussion and inspection of individual tent sites – problems and issues of leaving no trace

10:30 AM - Hike to new campsite

11:00 AM – Set up camp (Select kitchen site, set up group shelter, and set up individual tents)

12:00 noon – LNT (7) presentation, hike to water, and eat lunch

2:00 PM – LNT (6) presentation and group discussion

3:00 PM – Break

4:00 PM – LNT (5) presentation – prepare an LNT evening fire for later, conditions permitting

5:00 PM - Prepare and eat dinner, clean up, hang bear bags.

6:30 PM – Take an evening walk to look the area over and play a group ethics game.

8:30 PM – Return to campsite – LNT presentation (1), LNT mound fire (if conditions permit) and evening discussion about the day's activities.

10:00 PM – Hit the sack

**SUNDAY** (May 15)

7:00 AM – Prepare and eat breakfast.

8:30 AM – Clean up individual tent sites and make up packs for the hike out

9:30 AM – Group inspection of individual tent sites – problems and issues in leaving no trace

10:15 AM – Final check of kitchen site and hike out to trailhead

11:00 AM – Complete course evaluation form – awards, etc.

12:00 AM – Depart trail head for USFS Ad site and home.

# LEARNING STYLES

## **PROACTIVE LEARNERS (LETS GET GOING AND DO IT)**

### *What they want:*

Examples of what others have done  
Minimal Instruction and details  
Learn through trial and error

### *Successful Techniques:*

Lecture  
 Demonstration  
Mentor

## **Teaching Concepts**

- 1. Define Goals or Objectives**
- 2. Organize and Practice**
- 3. Know your Subject**
- 4. Involve the Audience/Students (consider different learning styles)**
- 5. Use your surroundings**
- 6. Listen and Respond**
- 7. Walk the Walk**

This is not mine and I am not sure where I got it but I like it! gmv April, 2006

## **MENTORING PROGRAM**

(D & R Lobree: October 2011)

### **PURPOSE**

Our mentor program is an essential component of training new members. Mentors patrol with new members to help them feel confident with the new skills and knowledge learned from the Field Guide and at Spring Training. Mentors can also play an important role in helping new members feel welcome in the organization; however, developing this camaraderie can be challenging in an organization that has few group meetings.

### **CALENDAR OF EVENTS**

#### **February/March**

- Recruit mentors for the upcoming season
  - see email example in this document
- Identify all needed mentors by mid-March
- Advise the Chair-Elect of the mentor training session dates (for the PWV calendar)

#### **April**

- As necessary, revise the Mentoring Patrol Guidelines and Check List prior to the mentor training sessions
- Send the Mentoring Patrol Guidelines and Check List to mentors prior to the training sessions
- Mentor training by mid-April
  - Schedule two training sessions to provide flexibility for mentors' attendance
  - see email example in this document
- The approved mentors send their schedule to the patrol scheduler by mid-April.
  - ?Use online survey for this purpose?
- The patrol scheduler completes the mentor patrol schedule before Kick-off Night
  - At Kick-off Night provide a list of scheduled mentor patrols to each new member.
  - On or before Kick-off Night send a list of scheduled mentor patrols to each mentor and to the mentor coordinator(s)
- As necessary, revise the online Mentor Patrol Evaluation survey for new members to submit after each mentor patrol
- After the Mentor training sessions, send email to all mentors with:
  - A roster of mentors for the current season
  - The finalized Mentoring Patrol Guidelines and Check List
  - A link to an online Training Course Evaluation survey
  - see email example in this document

#### **May – Spring Training**

- Encourage mentors to attend Spring Training
- Mentors attending Spring Training meet their mentees

#### **June**

- Send a follow-up email to all mentors to check how mentoring is going in mid-June
- see email example in this document

#### **During the season**

- Mentor coordinator(s)
  - Handle any mentor related concerns/problems
  - Track mentor patrol progress
- Mentors:
  - If a mentor patrol needs rescheduling for whatever reason, it is the mentor's responsibility to do their best to reschedule the patrol with the mentee or find a substitute mentor
  - Follow the Mentoring Patrol Guidelines and Check List

**After the season**

- Compile the survey, share results with the Board of Directors and plan improvements for next year
- Recognize mentors at the Year-End Event/Annual Meeting

**PROCEDURES**

The Mentor Coordinator(s) are responsible for implementing the above calendar of events.

The critical element of the calendar of events above is to have mentors recruited & trained and mentor patrols scheduled by Kick-off Night. This allows for the possibility of new volunteers to meet their mentors at Kick-off Night and/or Spring Training.

The calendar of events above and the descriptions of tasks are just guidelines; the mentor program will evolve as improvements become evident over time.

The mentor coordinator(s) is encouraged to improve the mentor program with the guidance of the Board of Directors.

**Recruiting and Approval** Recruiting by an email is usually sufficient and the only specific requirements for being a mentor are: having at least two years of prior experience as a PWV and having attended at least one Mentor Training. The mentor coordinator(s) approves the annual list of mentors with guidance from the Board of Directors.

**Training** Mentor Training utilizes the Mentoring Patrol Guidelines and Check List at a training session. The training is mandatory for new mentors. Veteran mentors are encouraged to attend to share their experience and to be updated on changing Forest Service and PWV requirements.

**Scheduling** The goal of scheduling is to have two mentor patrols for each new member. Ideally, all mentor patrols should be completed by the end of June.

**Monitoring** The Mentor Coordinator(s) is responsible to assure that the program is being implemented during the season and to request assistance of the PWV Chair, as necessary and to make use of and review the data from mentor patrol surveys to monitor and improve the mentor program both during the season and make changes for subsequent seasons.

**EVALUATION AND REPORTING**

Prepare and present a brief summary Mentor Program report regarding activities, successes, and challenges to the Board.

## **EXAMPLE OF RECRUITING EMAIL**

### **Subject: Call for PWV Mentors for 20XX**

The PWV mentoring program is an essential component of training for all new members and we hope you will consider being a mentor for the **20XX** patrol season. Mentors patrol with new members to help them feel confident with the new skills and knowledge learned at spring training. Mentors can also play an important role in helping new members feel welcome in the organization.

There are many benefits to being a PWV mentor. You will refine your PWV skills and meet enthusiastic, interesting and new members. Also, with our usually highly qualified and diverse group of new volunteers, you will be sure to learn something you did not know as a result of the experience. You may even identify some new patrol partners.

The main requirements for being a mentor are 2 years prior PWV experience, participation in at least one Mentor Training, enthusiasm, caring, flexibility in scheduling your patrols, a willingness to listen and learn, as well as sharing your PWV experience and skills, especially Authority of the Resource – ART.

If you are interested in being a mentor for 20XX, please:

- Reply to this email

**And**

- Complete the on-line Mentor Patrol Preferences Questionnaire  
[www.surveymonkey.com/s/20XX\\_PWV\\_Patrol\\_Scheduling\\_Preferences](http://www.surveymonkey.com/s/20XX_PWV_Patrol_Scheduling_Preferences)
- by March 7.

### Mentor Training

There are 2 evening training sessions for you to choose from. You are strongly encouraged to attend one of these sessions – new mentors must attend one session – so you will be fully informed for the current patrol season. (Provide details for training sessions: dates, location, etc.)

---

## **EXAMPLE OF MENTOR TRAINING EMAIL**

**Subject: Mentor training, Xxxday, 6:30 PM, US Forest Service Bldg**

Hello 20XX PWV mentors,

Thank you for volunteering to be a mentor for PWV this year.

This is a reminder that our Mentor Training meeting will be:

**Xxxday, April XX  
6:30 PM until no later than 8:30 PM**

**Location:**

US Forest Service Bldg  
Conference Room  
2150 Centre Avenue, Building E  
Fort Collins, CO 80526

Please print and bring a copy of the **Mentoring Patrol Guidelines and Check List** – attached – and your suggestions for updates or modifications to the list.

We look forward to seeing you at our mentor training meeting.

Please contact us if you have any questions.

## **EXAMPLE OF FOLLOW-UP EMAIL AFTER MENTOR TRAINING**

**Subject: PWV Mentoring Patrol Guidelines and Check List, Mentor Roster & training survey**

PWV mentors,

Thanks to all of you who attended the Mentor training last Xxxday.

- Please find attached the finalized 20XX Mentoring Patrol Guidelines and Check List.  
Be sure to print this and use it for your mentor patrols.

As you use it throughout the season, please provide any comments or feedback on it to the Mentor Coordinator(s).

- You will also find attached the 20XX roster of PWV mentors.
- In order to improve the overall quality of the mentor training program, would you please take a few minutes to complete the 20XX PWV Training Course Evaluation for the Mentor Training session?

You will find the evaluation form at:

[www.surveymonkey.com/s/Mentor\\_Training\\_20XX](http://www.surveymonkey.com/s/Mentor_Training_20XX)

## **EXAMPLE OF MID-JUNE FOLLOW-UP EMAIL**

**Subject: How's PWV mentoring going?**

PWV Mentors,

Thanks for your support of the PWV mentoring program.

### **Mentoring Patrols**

Now that we are 4 weeks past Spring Training, we hope that the mentoring patrols are going well and most new PWVs have had one or two mentor patrols by now.

However, we know the process isn't perfect, so we need to hear from you.

- Do you have any issues that need to be addressed?
- Are there mentor patrols that you had scheduled that did not take place and need to be rescheduled?
- Can we help with anything?

### **Can you do more mentor patrols?**

Also, if you are available to do more mentor patrols please let us know. If you could be available on a short notice we would like to know that, as well.

We have attached the Mentoring Patrol Checklist for your use.

### **Mentor Patrol evaluation**

Please remember to request your mentees to complete the Mentor Patrol Evaluation survey after each mentor patrol:

[www.surveymonkey.com/s/20XX\\_Mentor\\_Patrol\\_Evaluation](http://www.surveymonkey.com/s/20XX_Mentor_Patrol_Evaluation)

## **Mentoring Patrol Guidelines and Check List**

### **Background Considerations for Mentoring and the Mentoring Patrol**

This document provides a list of the most basic competencies new volunteers (mentees) need to practice in order to become confident and effective representatives of PWV.

See Chapter 5, page 5.2, in the PWV Field Guide for the purpose of the PWV Mentoring Program.

Mentors and mentoring patrols help new volunteers learn to apply basic knowledge and skills – introduced in the Field Guide and during spring training – to real-life situations on the trail.

What you do is more important than what you say. Mentors will “facilitate” and “model” rather than “teach.”

Adjust your mentoring to fit the personality, skills, knowledge, and needs of your mentee(s).

Let your mentee(s) know that although all members of PWV patrol for the same purpose, there are different styles for being a PWV and you provide just one example.

Let mentees know that they can request additional mentoring patrols.

Discourage mentees from bringing guests on mentoring patrols. These are PWV training activities.

If you cannot do a scheduled mentoring patrol, communicate with the mentee(s) and schedule another time. You, as the mentor, take the responsibility of rescheduling the mentor patrol on the [PWV Scheduling and Reporting website \(clrdvol.org/pwv\\_login.php\)](http://clrdvol.org/pwv_login.php).

If you are unable to reschedule the mentor patrol in a timely manner, contact the mentor coordinator(s) – John Doe at [xxx@xxx.xxx](mailto:xxx@xxx.xxx) – so another mentor can be arranged.

**NOTE:** The goal is for new PWV members to complete 2 mentor patrols preferably before the end of June and before they begin non-mentored patrols.

### **Before the Mentoring Patrol**

- Begin support to your PWV mentee(s) by contacting them via email and/or phone, preferably before Spring Training, and again at least one week before the patrol.
- Arrange a time and place to meet and carpool, to be environmentally friendly and provide more time to talk about the patrol.
- Suggest that the mentee(s) read two or three recent patrol reports for the trail that you will be patrolling to get an idea of what to expect on this trail.
- Take a USFS radio or SPOT on your patrol. Ask your mentee to reserve and pick up the radio or SPOT unit.

- Ask your mentee(s) to bring the PWV Field Guide, a current Pocket Patrol Guide, a small notebook for taking notes for the report and a copy of the report form along on the patrol.
- Discuss the extras that you carry on a patrol (for example: gloves, trash bags, extra water bottle to share with hikers or riders in need, etc.) and why you carry them, and be sure to mention they do not need to buy any special equipment for the patrol.
- If a mentee is an inexperienced hiker, stock rider or backpacker, review the basic equipment and tell them about first aid kits, maps, GPS units, SPOT satellite communicators and other equipment available for checkout through PWV. If a mentee is experienced, ask what they carry.
- If they haven't already done so, remind your mentee(s) to review in the PWV Field Guide:
  - Chapter 7– Getting Ready for Your Patrol.  
Emphasize the importance of The Ten Essentials
  - Chapter 8 – Scheduling and Reporting Your Patrol
  - Chapter 12 – The Patrolling Essentials section at the beginning  
Review the trail description and any special regulations for the trail to be patrolled.
  - Appendix 1 (including the Volunteer Wilderness Ranger Job Hazard Analysis)
  - Appendix 2 – Authority of the Resource Primer
- Ask your mentee(s) if they have any questions or concerns about the patrol.

## At the Trailhead

- PWV personal appearance
  - Always wear the PWV shirt when on patrol – Clean, neat and tucked in – and your name badge
  - You are representing the US Forest Service!
- Read all signs at the trailhead together. Emphasize that the mentee(s) should do this at the beginning of every patrol. This sets a good example for anyone who might be watching.
- The trailhead signs may be the only information that trail users have read. Does it agree with the trail description in the PWV Field Guide? If it doesn't agree, follow the trailhead sign information and make a note of any discrepancies in the patrol report.
- Discuss who will approach the first contact. Depending on your mentees' "comfort level," you may want to do the first contact.
- Reassure your mentee(s) that you will step in to support them if needed on any contact and that experienced volunteers "partner" on contacts. If you do join in on a visitor contact, choose your words to fit respectfully with what your mentee(s) has/ have said.

- Review the Authority of the Resource Technique. Do the mentees want to review the Authority of the Resource for a particular situation? For example: dogs off leash, illegal campsites or fire rings.
- Review taking notes for the report and make it clear that a mentee will fill out the report, but you are willing to help. Discuss the difference between “contacts” and “seen.” See the Field Guide, page 8.7 for more details on this.
  - The number seen is the total number of people or animals you saw (it includes the number of people contacted).
  - The number contacted is a subset (i.e., part) of the number seen. It is only the number of people that you had a conversation with that included a meaningful exchange of information.

**NOTE:** Do not enter “contacted” for an animal (dogs, llamas, stock, etc.). Only enter “contacted” for the people with the animals, even though there is a box to enter this on the online Patrol Report form.

- Post a sign indicating the trail is being patrolled by PWV.

#### **During the Mentoring Patrol – General guidelines**

Remind your mentee(s) that a major goal of the mentoring patrol is to meet people on the trail. Walking slowly or not completing the entire trail may lead to more contacts, not fewer.

Before all contacts, decide who will take the lead and, if you have time, review the Authority of the Resource for the situation, if appropriate.

Talk about the importance of removing sunglasses during a contact.

Critique all contacts, make suggestions for improvements and reinforce good performance. Ask your mentee(s) to critique your behavior during the contacts.

Discuss how to handle special situations such as multiple problems. Should you focus on just one or two problems? How do you decide which ones to address? What about contacts with children? It is important not to embarrass an adult in front of a child or leaders in front of a group.

Let the mentee(s) know that safety comes first. It is okay to avoid or leave potentially dangerous contacts (i.e., drunks, guns) or situations that may become uncomfortable or confrontational.

Observe and listen to the mentee throughout the patrol. Is the patrol meeting their needs? Are they getting tired or do they have any concerns or problems with the patrol or your mentoring?

If you are patrolling a trail deemed hazardous by the Forest Service, it is a requirement to do a radio check-in or send a Check-in/OK message with a SPOT satellite communicator at your turnaround point in the patrol. If you don’t check out a radio or SPOT when patrolling any of the designated Hazardous Trails, and report back as

required to the USFS, the patrol **WILL NOT COUNT**. See Chapter 12, page 12.2 in the PWV Field Guide for a list of Hazardous Trails.

As you patrol, look off the trail periodically for evidence of campsites/fire rings. Is the campsite/fire ring legal or appropriate for the area?

## **Topics to Address During the Mentoring Patrol**

- The Purpose of PWV – Educate, Protect, Report
  - The Ten Essentials – see Chapter 7 in the PWV Field Guide
  - Map and Compass – Indicate location and progress during the patrol
  - Authority of the Resource – Interpreting Nature’s requirements
    - In general – understand how human action affects how Nature operates
    - Dogs off leash – ways to talk to people, stress needs of Nature & the dog’s well-being
  - Reminder: On many trails dogs off leash is NOT a violation.
    - Illegal campsites/fire rings vs. inappropriate campsites/fire rings
  - Different types of regulations – National Forest, Wilderness, Travel Zone & special trails
  - Leave No Trace Principles – Guidelines to teach an “Outdoor Ethic”
  - Radios & SPOT units – Reserving, picking up, using & returning.
  - Review radio or SPOT operation and protocol. Perform a radio check-in at the trailhead or some other appropriate place during the patrol. See the Pocket Patrol Guide for radio/SPOT instructions.
- NOTE:** There are special instructions for radio and SPOT usage if you are hiking a trail deemed hazardous by the USFS. See discussion in the During the Mentoring Patrol – General guidelines above.
- Contacts – Being mindful that “educating the public” is an important part of PWV’s mission
    - Assessing the situation
    - Approaching and introducing yourself and PWV
    - “Small talk” – questions that promote productive contacts
    - Working with a partner
  - Fire Rings – Identifying illegal or inappropriate fire rings; removing and rehabilitating fire rings
  - Group Size
  - Encountering Stock and Stock Riders

- Noxious Weeds – Observing, identifying, treating, and reporting
- Recording information for your patrol report
  - Contacts vs. Seen – Was any information exchanged?
  - Trail maintenance needs

Safety first and have fun

### **Back at the Trailhead**

- Review the patrol report form and notes taken during the mentoring patrol.
- Get feedback on your mentoring. Did it help? What could you have done better?
- Ask the mentee(s) if they have any questions or concerns?
- Tell the mentee(s) you will send them an email with a link to the online PWV Mentor Patrol Evaluation and request that they give feedback on the mentor patrol.

### **Follow-up**

- Send an email with the link to the online PWV Mentor Patrol Evaluation at
- [www.surveymonkey.com/s/20XX\\_Mentor\\_Patrol\\_Evaluation](http://www.surveymonkey.com/s/20XX_Mentor_Patrol_Evaluation)**
- Go over the patrol report with your mentee(s) before submission.
- In a few days, check online to see if the report has been submitted. If it hasn't, follow up with the mentee.

If you have any concerns about a PWV mentee(s), please contact the mentor coordinator(s) – John Doe at [xxx@xxx.xxx](mailto:xxx@xxx.xxx). Additional training or mentoring patrols can be arranged.

## SPRING TRAINING

### SPRING TRAINING – JACKS GULCH CAMPGROUND

(B Mosehauer: October 2011)

**Third Weekend in May, Friday pm to mid-day Sunday**

#### PURPOSE

Train new recruits and welcome back returnees who want to participate in the new recruit training and/or supplemental training opportunities.

#### CALENDAR OF EVENTS

**January - February** Decide on venue; Jacks Gulch or Cub Scout Camp?

**February - March** Begin planning the schedule and nature of the training trail, ideas for meals, entertainment (music, speakers, etc.), and begin developing a Spring Training program. Consult with the Supplemental Training Chair regarding plans for training topics and sessions for returning members for Saturday and Sunday morning

**Early April.** If Jacks Gulch: Check with Barbara Lorenz (Pingree Park) re dormitory accommodations. Find volunteers to help at Spring training (via on-line KON & Spring Training Participation Questionnaire).

Check with Wal-Mart and others to secure door prizes.

April 22, AGL and role player training meeting

**Early May** Kick-off Night

Mentor Training meeting

Week before Spring Trail, walk the training trail

Thursday before Spring Training, shop for food

Friday before Spring Training, transport needed supplies from storage

#### PROCEDURES

##### **Spring Training Co-Chairs:**

Subcommittees:

Training Trail: Bob Manuel

Role Players: --

AGLs: --

Food: --4 names

Registration: --

Front Gate Monitor: --

Sat Night Entertainment: --

Events Coordinator: --

##### **Spring Training Events in 2010**

 \* = Non-PWV

Spring Training Betsy Mosehauer, Chair (or Coordinator)

**Kick off Night** (May --) Laura Van Arsdale

1. Assure that everyone knows to bring water bottle, cup, plate, bowl, utensils, wine/beer
2. Campsites available. Book was created to sign up for campsites, if wanted
3. Kevin provides Campground map showing electrical outlets
4. Arrange with AGLs to have Animal Groups camp together, if possible
5. Only horses used by role players allowed at Spring Training

**Shirts, Name tags, Jackets, Hats:** Kathy James

**Spring Training Cost.** \$20 for food, \$20 for shirts, and \$10 for name badges for new volunteers

**Mentoring Chair:** Frank Gillespie

Mentor Training meeting is May

Bob Hansen schedules mentors with mentees

**Horse Camp:** Nancy Flippin

**Training Trail:** Bob Manuel

1. Bob and Mike Mosehauer will prepare training trail map and laminate final copies for AGLs.
2. Copy of preliminary training trail map and times given to AGLs and Role Players  
at training session in late April

**Role Player Training in 2010:** Kathy James & Kristi Williams

(Patty Hagan will fill in if needed)

- Horse camp – Kathy Michaels, Tony Schock
- Horse riders on Trail – Erica Marjoram, Cynthia Rizzo
- Cyclist – Ron Sherwood
- Dog off leash – Nancy Bell, John Gascoyne
- Wilderness camp – Rick Black, Elgie Friezen
- Group in trouble – Joe Fleming, David Hawkins, Vicki Stroud, Sherry Bowlin
- Day hikers = Jolene Rohde, Ed Wall
- Dog on leash = Amanda Henderson, Linda Sunday
- Triangle bandage - Karen Friesen
- Llama encounter - Kay Valerio
- Weed ID's - --Near Top Of Hill

**Animal Group Leader Training in 2010:** Kathy James & Kristi Williams

- Antelope Chuck Bell, Mike Shaddy
- Badger Ras Erdal, Vern Desbien
- Coyote Robert Blakely, Mike Shaddy
- Deer - Karl Riters, Frank Geddes
- Elk - Roger Bartlett, Meg Parmer
- Fox - Kristine Williams, Jim Shaklee
- Grizzly - Mark Snyder, Kathy James

Kristine Williams and Kathy James are condensing the Leader's Handbook and will make the recommended changes.

**Before KON, need meeting w/AGLs and Role Players** Kristine/Kathy gave info packets to all.

**Margaret Shaklee assigned new recruits to Animal Groups**

(separate partners, balance gender, balance hikers and stock patrollers, balance ages)

**Prior to Spring Training**

- AGLs and role players do a walk-thru of the training trail.
  - Meet at 8:00 am at Forest Service and car pool.
  - Reschedule if too much snow on trail.
- Bob Manuel, Mike Mosehauer decide which fire rings stay or which to remove.
- Creagers and Kathy James transport items from storage unit to camp on Friday am.
- Graduation should be by animal groups, with AGLs present, along with present and future Chair handing out shirts, pins, certificates. Arrange for someone (Liz Mock-Murphy) to take pictures of each group following presentations.

**Food** Betsy Mosehauer (8-10 volunteers)

Thursday before Spring Training, Betsy and Mike, Jan and Raz Erdal shop at SAM's Club.

- Breakfast Oatmeal, scrambled eggs, sausage, cereals, yogurt, sweet rolls, bagels, fruit
  - Fred, Betsy, Jan will bring toasters for bread and English muffins.
- Friday night food PWV supplies salad and breadsticks.
  - Returning members bring casserole, salad, chicken, tuna, etc.
  - Board members supply desserts.
  - Backcountry Provisions supplied tomato bisque & chicken noodle soups for 60 people, at \$3 person. Jan will pick up.
- Saturday night food G Bar 3 BBQ of Loveland
  - Fred Allen orders cakes.
  - Need vege burgers. Food supplier will grill.
  - Make 2 serving lines.
  - Might get keg of beer donated by O'Dells
- Dishwashing Table (set up 2 rows, only one garbage can)
  - Garbage can in front of row for scraping food (include paper towels)
  - Pan of hot water
  - Pan of soapy water
  - Pan of rinse water
  - Pan of bleach water
  - Drying towels
- Volunteer Support – Betsy Mosehauer
  - Get volunteers to help using Margaret Shaklee's on-line questionnaire.
  - Create spreadsheet; email volunteers, explaining various jobs.
  - Laminate 2 copies to post at check-in and pavilion.

**Registration** – Betsy Mosehauer (6 volunteers, plus Treasurer and ST Coordinator)

- Kevin enlarges agenda to post at check-in desk and pavilion.
- All registration is held at pavilion tent.
- Friday night: leave a large sign asking late arrivals to check in by pavilion.
- Have 4 tables at tent (3 inside, 1 outside) with appropriate signs.
- Create campground location book for attendees to write name next to campsite #.
- Create a checklist of new recruits and checklist of returning members.
- Have separate list of AGLs/role players to sign in, and get laminated copy of training trail with the trail schedule on the back.
- Sell Trails Illustrated maps/\$6 each and SAM splints/\$8 each.

Make laminated signs for each table.

### **Handouts**

New Members:

- Name Tags (Kathy James)
- Gloves
- Dog leashes (Jacques Rieux)
- Plastic Whistle/Compass/Map Cases (Fred Allen)
- Trowels
- Gift bags (Jan Creager)
- Trash bags
- Packets (assembled at FS Monday before Spring Training)

Returnees:

- Update Appendix to Field Guide (Jim Shaklee)
- Program
- Campground maps
- LNT, PWV business and dog cards
- Yellow patrol cards
- PWV stickers, large and small
- Patches (Kathy James)
- Armbands (Pam Allen)
- Hats (Kathy James)

**Front Gate Monitors** (Betsy Mosehauer and 8 volunteers)

Provide walkie-talkies (1/gate, 1 ST Chair, 1 PWV Chair, 1 Chair-Elect)

Hang PWV banner on the front gate (Kevin Cannon)

**Friday Night Campfires** (Several people will provide firewood)

**Photographer** Liz Mock-Murphy takes pictures of Animal Groups before they leave the trailhead on Saturday and pictures of each scenario

**Jeopardy** (Saturday) Kevin Cannon and 2 volunteers

**Activities For Returnees (Saturday)**

Pre-breakfast Bird Walk (Chuck Bell)

Group hike on Little Beaver Creek Trail. Two hours, 2 volunteers.

Invasive Weed demo table (Jim Shaklee) Ten volunteers needed,  $\frac{1}{2}$  hr slots, for both Saturday and Sunday.

**Search & Rescue (John Lee)** [cancelled in 2010] Betsy contacts Waterford Press for donation of Wilderness survival cards; but could not accommodate 2010.

Animal Tracks & Scat (Kristy Wumkes)

Map, Compass, GPS (Mike Fleming)

Wilderness Cooking (Scott Harper, if available)-[cancelled in 2010]

Lightening Awareness (Tim Gaines)

**Saturday Night Entertainment (Jan Creager)**

Dave McGraw (Amy Williams' friend who normally plays for free; sells CDs)

Kevin brings raffle tickers, hands out prior to drawing on Saturday night

Door Prizes (Jacques Rieux, 2-3 volunteers). Dan Speed gave donations from Wal-Mart.

Someone needs to pick them up—usually Jacques does this.

Other donations. Austins, Gulley's Kilwinn, the Cupboard, Ranchway, Bean Cycle, Starry Night. (These may not be needed.)

**Sunday**

Pre-Breakfast Bird Walk (Chuck Bell) Meet at 5:50 am at coffee bar.

Meet the Mentors. Mike and Betsy make name cards for mentors and include names of mentees, if possible. These are posted on pillars around the pavilion.

First Aid (Mark Rosoff)

Trash Recycling (Mike Mosehauer and 2 volunteers) Mike and Fred make signs for cans.

**Pingree Park Accommodations** (Contact Deborah Cohen @881-2150; Barbara Lorenz 491-4747)

Created book of PWVs staying in dorms w/area to mark off when paid

Cost is \$30/night or \$50/2 nights. PWV pays for "dorm mother's" room

Mike made map showing route to dorm, which is handed out at registration. Need to Clarify parking area and PWV dorm (designate in red).

Email participants to bring sleeping bags, sheets, blankets, pillow, towels, soap

Phone Deborah Cohen few days prior to Spring Training to verify everything.

**Checks For Contracted Services** (Give list to Margaret Shaklee)

Mike Fleming \$100 for map, compass, GPS

Mark Rosoff \$100 for First Aid training.

G Bar 3BBQ \$1,773 for Saturday night meal (estimate)

Tim Gaines \$100 donation - declined

Dave McGraw \$100 for musical entertainment

**Signs Needed**

Coffee (regular and decaf) and hot water

Please check in at pavilion

Check in – new volunteers

Check in – returnees

For Sale

Free handouts

Volunteer assignments

Check-in Tent

Cashier

Dishwashing table + Wash – Rinse – Sanitize

Vegetarian dish

Shirts New - \$20

Additional - \$35

Old (limited sizes) \$0

Jackets - \$75

Hats - \$10

PWV Patches - \$2

Armbands - \$5/pair  
Pack bands - \$5/pair  
Maps - \$6  
SAM splints - \$8  
*Field & Trail Guide* - \$5

**General List** (items needed for Spring Training)

- 1. Travel Zone signs (entering and exiting) - 2 USFS
- 2. Travel Zone campsite markers - 3 USFS
- 3. Wilderness Regulation signs – 1 USFS
- 4. Wilderness Boundary signs – 1 USFS
- 5. PWV Training Trailhead sign – USFS
- 6. Wire Survey Flags – 3/each trainee (250) – USFS
- 7. USFS radios (12) & SPOTS (12?) – radios all charged; 1 per group, 2 base station, 2 spares

### Spring Training Registration

(Friday 3:00 to 6:00 PM)

**Spring Training Co-Chairs:**

- 1) PICK UP tent and supplies, Fort Collins storage unit
- 2) ARRIVE @ noon, set up check-in and gate areas
- 3) [TENT FOR TABLES needs 4 people to set up – not needed at Cub Scout Camp]
- 4) USFS PROVIDES 1-2 TABLES @central check-in/parking area and 1 table @gate  
(Gate check-in is for returning volunteers)

(Central check-in is for new volunteers) – **eliminate as everything is done at the central check-in/parking area.**

- 5) BOXES with volunteer packets
  - 6) Check-off list of ST members, 1 @gate and 1@ central check-in - **eliminate**
  - 7) Name badges for new volunteers. Put in alpha order on table.
  - 8) Boxes for gloves, trowels, whistles, dog leashes
  - 9) Raffle tickets and can for drawing
  - 10) Signs to be posted at gate, along road to central check-in (Fred Allen will provide)
  - 11) Sale items – armbands\*, pack straps\*, tumblers (on table w/prices – \*Kathy James provides)
  - 12) Field Guides and update appendixes for members who need one

**Post 2 people at Gate** on Friday, 2 hr shifts, from 2:00 to 8:00 PM (bring comfortable chair)

- 1) Check names off attendee list
  - 2) Give returning members their packets – **eliminate 1 & 2**
  - 3) Give directions to central check-in area to new volunteers - **eliminate**

## **Central Check-In Volunteers**

- 1) Greet new volunteers and check their names off list
  - 2) Give new volunteers packet, raffle ticket, trowel, gloves, whistle, dog leash
  - 3) Explain campsite locations and where pavilion is located
  - 4) Suggest: set up campsites, have dinner, return to pavilion by 6:30,  
dressed warmly, and bring a camp chair if you like
  - 5) Give returning volunteers raffle ticket if they have none
  - 6) After Friday's event, take all boxes and lists to pavilion  
Anyone arriving Saturday can pick up their staff at pavilion

## **Spring Training Food Coordinator**

(PWV provides Breakfast on Saturday & Sunday and Dinner on Saturday. Charge \$20/person)

## Before Spring Training

**TAX-FREE PURCHASES (NEED PWV's TAX-EXEMPT CERTIFICATE)**

- 1) **One Week Prior**, order bagel assortment from Panera  
Pick up Friday morning; see inventory list for amount due
  - 2) **Wednesday Prior**, small group shop 2 hrs at SAM's for breakfast supplies  
See inventory list for items; pay w/PWV credit card or PWV check (Kristine Williams)
  - 3) **On Friday**, Coordinator does final shopping (1.5 hr):  
Dry ice from Safeway  
Bagels from Panera  
Milk, fruit, cake from SAM's Club (Sales slips to Treasurer for reimbursement)

**Coordinator Designates** person to pick up/transport items from Fort Collins storage to Spring Training, which need to be there at 1:00 pm on Friday. Items are noted on the inventory list. – combine sentences

**All Food Must Be Stored** in cars on Friday and Saturday nights to prevent bear tampering. Milk products are stored in coolers.

- 4) Power Cords** (two 100-foot to run from pavilion to parking lot poles.)  
One cord attached to power strip where we plug in 2 coffee urns; other cord used for 1 urn.  
Ask Jacques Rieux to bring 2 heavy-duty shorter extension cords to plug into pavilion outlets. Remaining 2 urns are plugged into these.

### **Friday Night Welcome Event**

- 1) Prepare coffee urns around 5:30 pm - 1 hot water, 1 decaf, 1 reg
- 2) Set out cups, spoons, tea bags, hot chocolate, sugar, creamer
- 3) Hang up trash bags and note which are for recyclables, etc. – *replace with Locate trash cans*

### **Saturday Breakfast (Review on Friday night in preparation)**

- 1) Start all urns at 5:30 am. FILL URNS w/water Friday night, place on tables.
- 2) Water jugs refilled at the faucet outside the Pingree Park office.
- 3) Label urns as: hot water, decaf and regular coffee
- 4) Put 3 level cups of coffee in the basket and plug in pots (no filter needed)
- 5) Prepare 3 pots of regular, 1 decaf, 1 hot water. REFILL as needed
- 6) Set out cups, spoons, tea bags, hot chocolate, sugar, creamer
- 7) On outside picnic tables, set out half of the breakfast supplies at 6:30 am.

*Other half is for Sunday.*

- 8) Table 1: Juices, water bottles, yogurt (*Half of table used for wash station*)  
Table 2: Cereals, sugar, milk, spoons, bowls  
Table 3: Fruits  
Table 4: Bagels, donuts, other sweets, cream cheese, plates, knives
- 9) Make oatmeal (or eggs can be boiled) using turkey cooker.
- 10) Boil water for wash station, using 2<sup>nd</sup> large pot.
- 11) Wash station: Large metal water pans 1 w/soap, 1 w/bleach, 1 w/rinse
- 12) After Breakfast food stored in cars.

*Exact repeat of above for Sunday breakfast.*

- 13) About 8:30 am, set out packs of crackers, trail mix, etc. for day use.

### **Saturday Evening Dinner (in past Bob Hansen arranged thru local restaurant; GBAR3 catered a barbecue dinner in 2009 and 2010):**

- 1) Coordinator arranges for servers to set up delivered food on outside picnic tables and serve.
- 2) Volunteers asked to bring their table service/utensils; but have stored items if needed.
- 3) PWV provides coffee, tea, hot chocolate, water.
- 4) Urns started one hour before dinner—hot water, decaf, regular.
- 5) Dessert furnished -1 full-size and 1 half-sheet cake from SAM's Club.
- 6) Wash station - Boil water and set pans out, as per 10 and 11 above.
- 7) Store left-over food in coolers.

### **Sunday Cleanup**

Coordinator takes survey after breakfast, determines what used, what remains.  
Inventory is later prepared to be used for next year's purchasing.

### **After Graduation**

- 1) Hand out left-over perishable food to members.
- 2) Urns to be cleaned and washed.
- 3) Pack items to put in PWV storage unit in north Fort Collins and those to be stored in someone's house, i.e., juices, water, anything that would freeze. ASSURE the location is entered on inventory list.
- 4) Take down all signs and police area for trash.
- 5) Trash placed in campground dumpsters.
- 6) Someone usually takes the recyclables.

#### **REPORTING AND EVALUATION**

- Inventory of food and supplies taken on Sunday morning at Spring Training. On-line survey sent to attendees by Survey & Questionnaire Manager. Send thank you notes to all volunteers, speakers, donors.
- Spring Training Feedback Questionnaire

- 6) 1 cup measurer
- 7) Coolers – 2
- 8) Artificial sugar packets

Someone needs to provide:

- 1) Propane tank to be used w/turkey cooker
- 2) Power cords, 2 shorter, heavy duty
- 3) Power strip

Kristi Williams provides:

- 1) Bleach
- 2) Dish detergent
- 3) Large pot for water

Note: Consider using 1 color ticket for all raffles

Food shopping, 2 hr Wednesday, Sam's Club **and** 1 ½ hr Friday, Panera and Sam's Club

#### **EVALUATION AND REPORTING**

For the past tree years this event has been evaluated using an on-line questionnaire/survey sent to all participants.

## **SPRING TRAINING (Cub Scout Camp)**

(Don Creager: October 2011)

### **PURPOSE**

Train new recruits and welcome back returning members who want to participate in the new recruit training and/or supplemental training opportunities. (third weekend in May, Friday afternoon to mid-day Sunday)

### **CALENDAR OF EVENTS**

**January - February** Decide on venue; Jacks Gulch Campground or Cub Scout Camp?

**February - March** Begin planning the schedule and nature of the training trail, ideas for meals, entertainment (music, speakers, etc.), and begin developing a Spring Training program.

Recruit volunteers to serve as Animal Group Leaders (AGLs) and role players on the training trail.

Consult with the Supplemental Training Chair regarding plans for training topics and sessions for returning members for Saturday (all day) and Sunday morning.

**Early April** If Jacks Gulch: Check with Barbara Lorenz (CSU Pingree Park) re dormitory accommodations

Find volunteers to help at Spring Training (via on-line KON & Spring Training Participation Questionnaire and from list of previous year's volunteers)

**Late April** AGL and role player training meeting (organized and run by Kathy James)

**Early May** Kick-off Night (organized and run by Kick-Off Night Committee)

Mentor Training meeting (organized and run by Mentoring Committee)

Week before Spring Training: AGLs and role players walk the training trail

Thursday before Spring Training: shop for food, transport needed supplies from storage

Friday before Spring Training: pick up cake & ice cream

### **PROCEDURES**

Consult with the Board of Directors to determine the site to be used for Spring Training.

Contact site representative(s) to arrange for PWV use of facilities at chosen location.

Develop and submit a budget request for Spring Training (incl. speaker fees and other anticipated expenses)

Recruit and Establish a Spring Training team of volunteers:

#### **Spring Training Committee**

#### **Board Chair**

AGL coordinator

Training Trail:

#### **ST Co-Chairs, Supplemental Training Chair,**

Bob Manuel

number dictated by the # of stations on the training

trail

Animal Group Leaders (AGLs)

number dictated by the number of new recruits anticipated

Returning Member Instructors

(arranged by the Supplemental Training Committee)

Food Volunteers

--5 volunteers

Meal Friday Night --4 volunteers

Meal Saturday Morning --5 volunteers

Meal Saturday Night --4 volunteers

Meal Sunday Morning --5 volunteers

Kitchen Cleanup/Trash Pickup

--4 volunteers

Registration

--1 (or more) volunteers (*arrange for a laptop*

Photographer(s)

*computer & USB cable or memory card reader to be at Spring Training to download all*

*photos at end of event – so that PWV is in possession of all photos and the list of names and photo numbers at the close of Spring Training)*

Supplies for Sale (& Used Equipment for Sale) --4 volunteers (incl. Treasurer's input)

Front Gate Monitor: (Jacks Gulch) --3 volunteers

Parking Attendants: (Cub Scout Camp)--2 volunteers

Arrange for: entertainment, speaker, and/or activities for Friday & Saturday nights

Develop Spring Training program/schedule with Supplemental Training committee responsible for training sessions

Update and distribute Spring Training info packs to AGLs and role players

Update, produce, and distribute map of Training Trail to appropriate parties

#### EVALUATION & REPORTING

Make an inventory of left-over food and supplies soon after Spring Training

Prepare next year's shopping list once inventory is completed

On-line survey sent to attendees by Survey & Questionnaire Manager

Send thank you notes to all volunteers, speakers, donors

#### ASSOCIATED ACTIVITIES & COMMITTEES

**Kick-off Night** (first Wednesday in May) KON Coordinator

1. Assure that everyone knows to bring day pack (with clothing/supplies for training trail hike), water bottle, cup, plate, bowl, and utensils\
2. Only stock used on training trail by role players allowed at Spring Training

**Shirts, Name badges, Patches, Arm/Packstrap bands, Jackets, Hats:** Uniform Chair

**Spring Training Costs:** \$20 for food, \$20 for shirts, and \$10 for name badges for new volunteers

**Mentoring Chair(s):** David & Rosellen Lobree

**Horse Camp:** Nancy Flippin

**Training Trail:** Bob Manuel

1. Bob will work on revising trail map and laminating final.
2. Copy of preliminary training trail map and times given to AGLs and Role Players at training session in late April

**Before KON: Meeting w/AGLs and Role Players** AGL Coordinator provides info packets to all.

**Assign new recruits to Animal Groups** (done by Surveys & Questionnaires staff)

(separate spouses/partners, balance gender, balance hikers and stock patrollers, balance ages)

#### **Prior to Spring Training**

- AGLs and role players do a walk-thru of the training trail.
  - Meet at 8:00 am at Forest Service and car pool
  - Reschedule if too much snow on trail
- ST Committee members transport items from storage unit to camp on Thursday

#### **LNT TRAINER TRAINING**

Scheduled by LNT trainer for early-mid May – (cancel or reschedule if too much snow)

## **2011 SPRING TRAINING FOOD** Food Coordinator

Thursday before Spring Training, ST Food Coordinator shops at SAM's Club.

- See Spring Training Food Spreadsheet
- Friday night food:
  - Returning members bring main dishes, salad, vegetables, fruit, snacks, etc.
  - Board members supply desserts
- Saturday night food: select supplier (catered or PWV?)
  - Make 2 serving lines
  - Kegs of beer donated by Odells, New Belgium & Ft. Collins Brewery
  - Non alcoholic beverages (sodas, lemonade, tea, hot chocolate)
- Dishwashing Table (set up 2 rows, only one garbage can)
  - Garbage can in front of row for scraping food (include paper towels)
  - Pan of hot water
  - Pan of soapy water
  - Pan of rinse water
  - Pan of bleach water
  - Drying towels

## REGISTRATION

Forest Service Liaison makes large copy of program to post at check-in desk and pavilion.

- Create a checklist of new recruits and checklist of returning members
- Have separate list of AGLs/role players to sign in
- Produce laminated copies of training trail map with the trail schedule on the back and distribute to AGLs

## SUPPLIES TO HAND OUT

New recruits:

Name Tags  
Gloves  
Trowels  
Gift bags  
Trash bags

New Recruit Packets (assembled at FS Monday before Spring Training)

New Recruit packet list

1. Program for Spring Training (PWV)
2. 1ea laminated "Rangers on Patrol" sign for posting at trailhead
3. 3ea Patrol report forms (USFS)
4. 6ea PWV business cards (USFS)
5. 6ea plastic LNT cards (USFS)
6. 6ea Dog cards (USFS)
7. 6ea Weed-free feed and forage cards (USFS)
8. Pen (USFS)
9. [Jacks Gulch Campground map (USFS)]
10. PWV stickers, large and small

Returning members:

Update Appendix to Field Guide

ST program

Campground maps

Cards: LNT, PWV business, weed-free forage, and leash your dog

#### SIGNS NEEDED:

“Coffee (regular and decaf)” and “Hot Water”  
“Check in – new recruits”  
“Check in – returning members”  
“For Sale”  
“Free Handouts”  
“Volunteer assignments”  
“Dishwashing table” + “Wash” – “Rinse” – “Sanitize”  
“Used Equipment For Sale”

#### GENERAL LIST (items needed for Spring Training)

1. Travel Zone signs (entering and exiting) - 2 USFS
2. Travel Zone campsite markers - 1 USFS
3. [Wilderness Regulation signs (should be same area as boundary signs) – 1 USFS?]
4. Wilderness Boundary signs (should be same area as regulations signs) – 1 USFS
5. PWV Training Trail Kiosk sign – USFS
6. Wire Survey Flags – 3/each trainee (250) – USFS
7. USFS radios (12) – radios all charged; 1 per group, 2 base station, 2 spares
8. SPOT units (1 per Animal Group + those for training classes) (PWV & USFS)
9. GPS units (need all 8, both for Animal Groups and for training classes) – (PWV)
10. Assorted tools to install signs and for misc. repairs (PWV or USFS)
11. Easel for PWV Jeopardy and feedback sessions, paper, marker pens
12. PWV Jeopardy score sheets and prizes (USFS)
13. Speaker system and microphones (USFS)
14. Sheet to use as projector screen (PWV)
15. Recycling containers (PWV)
16. LNT & PWV banners (PWV storage unit)
17. PWV lapel pins for new members (USFS)
18. PWV retail items (PWV or USFS)
19. List of Spring Training attendees and all members (USFS)
20. PWV Member Certificates (USFS)

### **Spring Training To-Do List for January**

1. Recruit AGLs (incl. back-ups) & Role Players (incl. back-ups) – emphasize commitment!
2. Check with Pingree Park (Debra Cohen 881-2150) if using Jacks Gulch.
3. Supplemental Training Committee chair contacts Tim Gaines ([gaineses@frii.com](mailto:gaineses@frii.com), 493-0252) if doing lightning presentation (can also do first aid) and Mark Rosoff ([frisfirstaid@earthlink.net](mailto:frisfirstaid@earthlink.net), 416-9650) if doing first aid. In 2011 Tim and Sherri Gaines provided their services for free and Mark Rosoff requested payment. Mark agreed to a discounted fee of \$150 for his professional services.
4. Saturday night speaker or entertainment – discuss at January BOD (speaker? music? socializing?)
5. Saturday night dinner – select provider (catered or PWV?).
6. Friday night dinner – ask BOD if pot luck and BOD-supplied dessert is OK.
7. Supplemental Training Committee is the lead for identifying and organizing training sessions for returning members and for sessions that include new recruits as well as returning members. That committee should review the training comments from previous year's Spring Training evaluation/survey.
8. Sunday AM activities should finish by mid-day.
9. Send e-mail to previous year's Role Players to see if they would like to do it again in current year.
10. Ask Fred Allen if he wants to do ST breakfasts again this year.
11. Discuss ST costs for new volunteers (shirts, name badges, meal donation (2 dinners, 2 breakfasts & snacks)

# **2011 SPRING TRAINING PROGRAM**

## **POUDRE WILDERNESS VOLUNTEERS**

- Give-away items

## **2010 Spring Training – Registration**

Registration at Spring Training Weekend is done on Friday 3:00-6:00 PM

Coordinator

Picks up needed supplies (e.g. EZE-UP pavilion) from our Fort Collins storage unit

Arrives around noon to set up the central check-in area and the gate check in

EZE-UP pavilion for the tables will need 4 people to set up.

Kevin Cannon will provide

1-2 tables at central check-in (parking area near the pavilion) and 1 table at the gate

Gate check-in is for returning members

Central check-in is for new recruits

Boxes containing volunteer packets

Check-off lists of ST attendees; 1 for gate and 1 for central check-in

Name badges for new recruits (set out, in alphabetical order, on table)

Boxes containing gloves, trowels, whistles, dog leashes

Raffle tickets & can for drawing

Signs to be posted at gate, along road to central check-in

Fred Allen will provide: armbands, pack straps and tumblers for sale (these are displayed, along with a price list, on one of the tables)

Field Guide Editor will provide: Copies of Field Guide for selected officers & committee chairs and copies of “update appendix” for returning members

Two people should be posted at the gate on Friday in 2-hour shifts from 2:00-8:00 PM to:

Check names off the attendee list

Give returning members their packets

Give directions to new volunteers to central check-in

(Gate monitors should bring a comfortable chair to sit in)

Central check-in volunteers:

Greet new recruits and check their names off the list

Give them their packet, a raffle ticket, trowel, gloves, whistle, and dog leash

Explain campsite locations, camping details, and where the pavilion is located

Suggest new recruits set up their campsite, have dinner and return to the pavilion by 6:30

PM, dressed warmly. They should bring a camp chair if they'd like.

Give returning members a raffle ticket if they don't already have one.

Around 7:00 PM, take the raffle ticket can to Kevin at the Pavilion for drawings.

After Friday's event, take all the boxes and lists to the pavilion. Anyone arriving on Saturday can pick up their stuff at the pavilion.

## **2010 Spring Training (Jacks Gulch) – Food Service**

PWV provides breakfast on Saturday and Sunday, as well as dinner on Saturday. Charge is \$20/person.

### **Before Spring Training**

One week before ST, order an assortment of bagels from Panera (see Inventory List for amount – to be picked up on Friday morning)

On the Wednesday before ST, a small group of volunteers spend 2 hours at the Fort Collins SAM'S purchasing supplies for breakfasts (see Inventory List for items)

PWV is a tax-exempt organization and ALL purchases should be tax-free; be sure to bring and use a copy of the tax-exempt license (obtained from Treasurer) when purchasing items for PWV. The Treasurer has a PWV credit card and with a PWV check from the Treasurer, a Spring Training Committee member can pay for purchases).

On Friday, the Food Coordinator will do the final shopping (takes 1 ½ hours):

Dry Ice from Safeway

Bagels from Panera

Milk, fruit, cake from SAM'S

Save ALL receipts for the Treasurer who will reimburse you.

The Food Coordinator will designate someone to pick up and transport items from our Fort Collins storage unit to Spring Training (needed by 1:00 PM on Friday). These items are noted on the Inventory List.

Note: All food must be stored in the cars on Friday and Saturday nights to prevent bear tampering.  
Milk, yogurt and cream cheese are stored in coolers.

Power Cords: We have 2 100-ft power cords that need to be run to the pavilion from the parking lot power poles. One cord is attached to a power strip where we plug in 2 coffee urns. The other cord is used for 1 urn.

We ask someone (like Jacques Rieux) to bring 2 heavy duty shorter extension cords which we plug into the pavilion outlets. The remaining 2 urns are plugged into these.

### **Friday Night Welcome Event**

Prepare coffee urns (1 hot water, 1 decaf & 1 regular) around 5:30 PM.

Set out cups, spoons, teabags, hot chocolate, sugar & creamer

Hang up trash bags and note which ones are for recycled bottles, etc.

### **Saturday Breakfast**

All 5 coffee urns should be started at 5:30 AM.

The urns should be filled with water on Friday night and placed on tables just outside of the pavilion.

Water jugs can be refilled at the faucet outside the office at Pingree Park.

Put the name tags by them to designate hot water, decaf and regular.

In the morning, put 3 level cups of coffee in the basket (no filter is needed) and plug in the pots.

Make 3 pots of regular, 1 decaf and 1 hot water. Refill as needed.

Put out a few cups, teabags, hot chocolate, sugar, creamer and spoons.

Using the outside picnic tables, set out the breakfast supplies around 6:30 AM, saving half of the supplies for Sunday breakfast.

Table 1 – juices, water bottles, yogurt

Table 2 – cereals, sugar, milk, spoons, bowls

Table 3 – fruits

Table 4 – bagels, donuts, other sweets, cream cheese, plates, knives

Using the turkey cooker, make oatmeal (or if preferred, eggs can be boiled)

Using the second large pot, boil water for the wash station

Washing station is set up on half of Table 1. Use 3 large aluminum pans, one with detergent, one with bleach and one for rinsing).

At the end of breakfast, food is stored back into the cars for Sunday's breakfast. This will be an exact repeat of Saturday.

Around 8:30 AM, put out packages of crackers, trail mix, etc. to be used during the day.

Bob Hansen arranges, through a local restaurant, the Saturday night dinner.

The food coordinator arranges for servers who:

Set up the delivered food on the outside picnic tables

Serve the food

All volunteers are asked to bring their own table service, however we have stored plates and utensils for those who forget to bring their own.

We provide drinks (coffee, tea, hot chocolate & water)

Coffee urns need to be started 1 hour before dinner

1 for hot water, 1 decaf and 1 regular

We also purchase dessert – 1 full-size and 1 half sheet cake from SAM'S

Set up the wash station on one of the picnic tables

3 aluminum pans (one with detergent, one with bleach & one for rinsing)

Boil water in turkey cooker to use in pans

Any leftover food should be stored in the coolers.

#### Sunday Cleanup

The food coordinator takes a survey after breakfast to determine what was used and what is remaining. The inventory is later typed to be used for next year's purchasing.

At the end of graduation:

Hand out any leftover perishable food to members

Clean out the coffee urns

Pack up the items that will be put in the Fort Collins storage unit and those that will have to be stored at someone's home (e.g. juices, water – anything that would freeze)

Make sure the location is entered on the inventory list

Take down all signs and police the area for trash

Trash can be placed in the campground dumpsters

Someone usually takes the recyclables to town

**PWV Breakfast Supplies Inventory – 2007 for 130 people**

**To Be Purchased in 2008**

Item	Purchased	Remaining	Location
Plates		1 1/2 packages	Arrowhead – need 1 package
Bowls		200	Arrowhead
Cups	160 12 oz	Entire package	Arrowhead – need 1 package
Cold Cups		~100	Arrowhead
Spoons/forks/knives	Bought 600 spoons	400 spoons/200 rest	Arrowhead – need 1 box mixed
Napkins		~ 400 left	Arrowhead
Paper towels		6 left	Arrowhead
Trash bags		~70 30 gal.	Arrowhead
Large pans	Bought 15	12 left	Arrowhead
Small pans		15 left	Arrowhead
Hand cleaner		1 large/2 small	Arrowhead
Bleach	Kristi brought	Worked very well	Kristine brought
Dish Detergent	Kristi brought	Worked very well	Kristine brought
Coffee – Starbucks	10# regular, 4# decaf	Used half of each	Kristine has stored 6#Reg, 1#Decaf
Hot cocoa-choco./van.	1 large can of chocolate	Used ¾ can	Need new can
Creamer	188 single servings	Used 3/4	Need
Teabags			Kristine has stored
Sugar	Bought 2000 packets	Lots left	Kristine has stored
Salt & Pepper		6 shakers each	Arrowhead
Milk	4 gallons 2%	Used 2 ½ gallons	Need
Juices – Apple	72 10 oz bottles	Used ¾ (54 bottles)	Have 25 outdated bottles - Need
Juices – Orange	48 10 oz bottles	Used all on Sat.-need 72	Have 70 outdated bottles – Need
Juices – V8	96 small cans	Used 48 cans	Have 48 cans left
Lemonade		1 container left	Not needed
Water	9 cases – 32 count each	3 cases left	Kristine - 3 cases stored -need 3 more
Ice	5 bags	Perfect	Purchase 5 bags
Dry Ice	5 pounds	Buy 3 # on Friday	Purchase 3# on Friday (Safeway)
Coffee Pot		Have 5 – will have 6*	Storage Unit & Kristine (1)
Cereals – Quaker Granola	1 large SAMS box	Used all	Purchase
Cereals – HoneyNut Cheerios	1 large SAMS box	Almost all left	Purchase a different kind
Cereals – Life	1 large SAMS box	Almost all left	Purchase a different kind
Cereals – Kashi	2 large SAMS boxes	Used 1 ½ box	Purchase
Cereals – Grapenuts	1 large SAMS box	Used ¼ box	Purchase a different kind
Oatmeal		Used all 55 packages	Purchase
Yogurt – assorted	72 count	Used all-need ~90	Purchase 90 small cartons

Muffins	1 box – 15 count	Used all on Sat.	Purchase 2 boxes
Mini Danish	2 boxes – 24/box	Perfect	Purchase 2 boxes
Aussie Bites	3 packages	Used all	Purchase 2-3 packages
Cinnamon rolls-small count	4 packages – 32	Perfect	Purchase 4 packages
Bagels – Panera	8 dozen mixed	Used all-suggest 9 doz	Purchase 9 dozen
Cream cheese	2 containers	Used all on Sat.-need 3 LARGE containers	Purchase 3 LARGE containers
Butter		Not needed	
Fruit – bananas	15 – 3# bags	Used 2/3	Purchase 10 – 3# bags
Fruit – oranges	1 – 10# bag	Buy Clementines	Try to get Clementines
Fruit – apples (Gala)	2 – 5# bags	Buy smaller apples	Try to get smaller apples
Grapes	4 3# boxes	Perfect	Purchase 4 – 3# boxes
Cookies – Chips Ahoy	1 – 48 oz box	Did not go over	Not needed
Chex Mix	1 box	Half left (went stale)	Purchase
Trail Mix	3 bags	1 left	Purchase 1 bag-Kristine has 1 stored
Boulder Chips	2 bags	Did not go over	Not needed
Crackers w/PB	1 carton – 45 count	Half gone-distributed	Purchase 1 carton
Crackers w/cheese	1 carton – 45 count	Most left-distributed	Not needed
Cashews	2 cans	Perfect	Purchase 2 cans
M&M's	1–52 oz bag w/ peanuts	Gone by Sat-need more	Purchase 2 bags
M&M's	2-52 oz. bag plain	1 bag left	Kristine has stored
Health bars		All leftover gone	
Dessert for Saturday	1 full-size/1 half sheet	Excellent	Purchase from SAMS
Fire starter			Kristine brought
Recycling cans		Worked well	Jacques brought
Wash cloths for dishes		All left	Arrowhead
Sharp knives			Arrowhead
Large spoon/spatula			Arrowhead
Tongs for dish washing			Arrowhead
Gallon Ziploc bags	Bought 208 bags	Most left	Arrowhead
Saucepan for dipping		Need to purchase	Purchase
Electric Cords	Bought 2 100 ft. heavy		Storage Unit
Turkey Cooker	Bought		Kristine-storage
Styrofoam Coolers-6			Storage Unit

Storing for 2007: Arrowhead – all paper products

Kristine Williams – 1 coffee pot/lemonade cooler/turkey cooker

**Needs for 2008**

- **Sponges on a stick**
- Boiled **eggs** for breakfast (can cook in turkey cooker)
- **Oatmeal** made in turkey cooker (can add cinnamon & have raisins available)
- Might consider purchasing dipping **saucepans**
- Large pot for water (?)
- **1 cup measurer**
- **Coolers – 2**
- **Artificial sugar packets**

**Someone needs to provide**

- Propane tank (to be used with the turkey cooker)
- 2 shorter heavy duty power cords
- Power strip

**Kristine provides**

- Bleach
- Dish detergent
- Large pot for water

1. We might consider using 1 color ticket for all the raffles next year.
2. Food shopping takes 2 hours on Wednesday at Sam's and 1 ½ hours on Friday at Panera and Sam's.

## **ENDOWMENT FUND**

### **ENDOWMENT FUND** (Jerry Hanley: October 2011)

#### **PURPOSE**

The purpose of the Endowment Fund is to provide a stable, predictable, and ongoing funding basis to support: a) new PWV programs and initiatives and b) a portion of PWV's annual operating costs via earnings (not principal) of the fund.

#### **CALENDAR OF EVENTS**

September/October: Prepare and present a brief status overview of the Fund at the Year-End Event and Annual Meeting

Early December: Send out an appeal for donations to all PWV members

#### **PROCEDURE**

*Generally*, the principal of the gifts and contributions made to the Endowment Fund remain in the Fund, and distributions of income are made to support PWV, primarily by enhancing or improving the activities already performed by PWV. Individuals have the opportunity to make special, permanent gifts that create a lasting legacy for support of the organization's needs.

No distribution shall be made from these funds until its account balance reaches \$50,000. Each year thereafter, up to 66% of the net earnings of these funds, valued as of December 31, may be distributed by the Committee, except that at no time shall these funds be reduced to a level below \$50,000, except for a declared financial exigency (see details in document cited below). The Committee may solicit suggestions or requests for funding and shall implement procedures for soliciting, processing and disbursing grant requests. Grants will be issued only after recommendation of the Committee to the Board, and approved by the Board.

Targeted donors include any PWV member or other community member interested in growing the endowment fund for the purposes established.

Contributions can be made at any time even in small amounts of a few dollars. Common means of gifting include donations of money or securities. Estate gifts can also be considered by naming Poudre Wilderness Volunteers as a beneficiary under a will, trust, life insurance or retirement plan. Contributions to the Poudre Wilderness Volunteers and the Endowment Fund qualify as a tax-deductible charitable donation, depending on the tax status of the donor. 100% of contributions go to the PWV organization. PWV accomplishes its mission with no paid staff.

The committee meets at least four times per year to review financial status of the fund, and discuss investment choices. The Committee is made up of three BOD-elected members (staggered 3-year terms), the most-recent Past Chair of the Board, and the sitting PWV Treasurer.

Further details can be obtained by referencing the "Poudre Wilderness Volunteers Endowment Fund Committee Description, Policies, and Procedures", Revised August 25, 2010.

#### **EVALUATION AND REPORTING**

Prepare and present brief written semiannual reports to the Board regarding the status of, and any significant changes to or issues with, the Endowment Fund and describing any recent, ongoing, or planned donation drives.

## **POLICIES**

**(Mike Corbin; 2-25-12)**

The PWV policies included in this section have been approved by the PWV Board of Directors at various times since PWV was founded. They are collected here so that all PWV members can easily review the PWV policies and ensure that they have a good understanding as to how the organization functions. Our intent is to maintain this table of PWV policies and update them as they are changed by the Board. These policies have different statuses: the ones denoted as "Requirements" are items that all PWV members are expected to follow when performing PWV activities, items listed as "Fact's" are meant to simply be statements of fact, items listed as "Recommendations" are actions which PWV recommends its members do when performing PWV activities but does not require them.

	<b>Policy Statement</b>	<b>Status of Policy</b>	<b>Date of BOD</b>
1	PWV members must display a commitment to PWV's mission, goals and objectives, and procedures and be at least 18 yrs old. (Applicants under 18 will be considered on a case-by-case basis).	Requirement	11/17/2011
2	PWV members must obey all applicable laws and regulations.	Requirement	11/17/2011
3	<p>PWV members must follow Canyon Lakes Ranger District volunteer policies and procedures during trail patrols and other field operations.</p> <ul style="list-style-type: none"> <li>a. PWV members must not patrol with dogs or other pets.</li> <li>b. PWV members must not patrol with firearms or other weapons.</li> <li>c. PWV applicants must fill out an application, successfully complete an interview, and sign a U.S. Government Volunteer Agreement.</li> <li>d. The PWV patrol season will not include the "regular" Rifle Seasons for deer and elk (defined by the Department of Parks and Wildlife as the first, second, third, and fourth seasons).</li> </ul>	Requirement Requirement Requirement Requirement Fact	11/17/2011 11/17/2011 11/17/2011 11/17/2011 11/17/2011

4	<p>PWV members must patrol trails and/or provide other appropriate service.</p> <p>a . PWV members must commit to 6 days (3 or more hours each) of patrolling or service . All members are encouraged to do more than the minimum 6 patrols each year.</p> <p>b . PWV members must report their trail patrols and their non-trail volunteer hours.</p> <p>c . Potential new recruits must submit an application and must pass an interview conducted by a USFS and/or a PWV representative. Normally these face-to-face interviews with each recruit are conducted on one of two scheduled dates prior to the new recruit Kick-Off night. An effort will be made to have an alternate interview date for those who cannot attend the scheduled dates. In exceptional situations where it is not possible to schedule a face-to-face interview, a phone interview including a USFS and/or a PWV representative may be conducted if the situation is deemed appropriate by the USFS Liaison and the Chair of PWV Board or by the USFS Liaison and the Chair of the Recruiting &amp; Public Outreach Committee.</p> <p>d . Attendance at the full spring Training weekend by prospective new members who will patrol is mandatory. The mandatory attendance starts with the Friday evening session, includes all day Saturday, and ends Sunday with the mid-day graduation. While a nonpatrolling member is not required to attend the training as mandated for patrolling members, he/she is nonetheless strongly encouraged to do so.</p> <p>e . While the primary role of most Poudre Wilderness Volunteers is to patrol trails in the Canyon Lakes Ranger district, membership is also open to individuals who wish to serve PWV in other ways. These members will embrace PWV's mission, values and goals; and will bring to the organization skills required to support PWV, such as office and administrative support, fund raising, member training, affiliation activities, website development and maintenance, computer programming and database management, various communication and publication roles, public outreach and recruiting. These members are required to be sponsored by a Committee Chair or member of the Board of Directors, hereinafter "sponsor". Nonpatrolling members are expected to meet all requirements and duties as specified by their sponsors, and will wear the PWV uniform when/if dealing with the public in their official duties. They shall endeavor to fulfill all duties as agreed to with their sponsor in their areas of support. Nonpatrolling members are expected but not required to commit to at least 36 hours of PWV volunteer service per year. These members will be selected by personal interview, by their sponsor, who will then submit their nomination to the Executive Committee for approval. They must also sign the U.S. Forest Service volunteer agreement before providing any service to PWV.</p>	Requirement Requirement Requirement Requirement Requirement Requirement Requirement	11/17/2011 11/17/2011 3/15/2012 3/15/2012 3/15/2012 3/15/2012 3/15/2012
---	---	---	---

4	e. PWV members who patrol are asked to patrol at least 4 “high” or “medium” priority trails as part of their 6-patrol commitment.  f. PWV requires that new members complete two mentor patrols and four traditional trail patrols before they can get patrol credit for any specialized patrol programs (e.g., Trail Crew, Adopt-a-Highway, Adopt-a-Trail, Kids in Nature, Restoration, Trailhead Hosting, Weed Crew). This requirement may be waived by the appropriate program leader/committee chairperson if justified by special circumstances.	Recommendation  Requirement	3/15/12  2/21/2013
5	When on duty as volunteers, PWV members must be readily identifiable as USFS volunteers by displaying the appropriate PWV and/or USFS volunteer patches or logos. Generally this is accomplished by wearing the official PWV uniform – shirt and name badge – in a professional manner (e.g., shirttails tucked in). When conducting specialized activities (e.g., Trail Crew, Adopt-a-Trail, and Weed Crew), members can wear work clothing but should always be identifiable with the appropriate patches or logos on their sleeves, backpacks, hats, stock tack, tee-shirts, or safety vests.	Requirement	11/17/2011
6	PWV strongly recommends that volunteers patrol in pairs, however solo patrols are allowed. If solo patrolling, PWV recommends/urges:  a. Backcountry experience  b. Prior knowledge of the trail  c. Carrying The Ten Essentials  d. Carrying an emergency communication device (e.g., SPOT unit or USFS radio)	Recommendation	11/17/2011
7	PWV-owned equipment, tools, and supplies must only be used for PWV activities or for other events in which PWV is an active participant. Exceptions to this policy require prior Board approval.	Requirement	11/17/2011
8	PWV will not participate as an organization in any non-PWV community fundraising events.	Fact	11/17/2011

9	PWV mentors, ideally, must be at least 3 <sup>rd</sup> -year members and have attended a current year, mentor training session. If a mentor is unable to attend a current year, mentor training session, the member may be deemed qualified by the Mentor Program Coordinators to be a mentor if the following conditions are met: The PWV member in the prior year a) attended a mentor training session, and b) participated in at least 2 mentor patrols.	Requirement	7/19/12 12:00 AM
10	<p>PWV is a tax-exempt 501(c)(3) organization and will not pay sales tax.</p> <p>a. All PWV purchases should be made using the PWV tax-exempt certificate.</p> <p>b. PWV members who make purchases on behalf of PWV that include charges for sales tax will NOT be reimbursed for the sales tax.</p>	<p>Fact</p> <p>Recommendation</p> <p>Fact</p>	<p>11/17/2011</p> <p>11/17/2011</p> <p>11/17/2011</p>
11	PWV will provide basic training in first aid, CPR, map & compass, and GPS and will strongly encourages all members to become proficient with these skills.	Fact	11/17/2011
12	<p>The U.S.Forest Service website for PWV Scheduling and Reporting of Patrols' broadcast Email functions to all PWV members should be used exclusively for communicating issues and soliciting feedback/responses on PWV sponsored activities.</p> <p>Any exception requires approval from the appropriate committee chair or the Chair of PWV Board of Directors.</p>	Requirement	05/17/2012

13	PWV should separate couples into different Animal Groups for Spring Training.	Recommendation	11/17/2011
14	PWV will strive to schedule mentor patrols early in the summer season.  a. PWV will strive to schedule all six patrols for new members with veteran PWV patrol partners. Additional patrols by new members can be with other new members.  b. New PWVs should successfully complete 2 mentor patrols before the end of June when possible.	Fact  Fact	11/17/2011  11/17/2011
15	When preparing the yearly budget, in years when there are some unrestricted funds in excess of budget needs, plus some cushion for unexpected expenditures, the Budget Committee should consider the transfer of a certain amount of unrestricted funds to the Endowment Fund. This will be done as part of the budgeting process.”	Recommendation	3/15/2012

## Section 9

## DRAFT GOALS & OBJECTIVES

(PWV Board; October 2011; [DRAFT](#))

Most of the goals and objectives identified below were work products of a Goals and Objectives exercise done at the December 16, 2011 Board Meeting. As such, they are both incomplete and unreviewed. Nevertheless, they represent a valuable initial attempt to define goals and objectives to guide and evaluate PWV operations and activities in the future. They have been grouped into the following 9 themes.

### **Themes:**

**FUNDRAISING**

**SAFETY**

**EDUCATE & TRAIN MEMBERS**

**IMPROVE PATROL COMPETENCE AND TRAIL COVERAGE**

**RECRUIT, EQUIP, & FIELD VOLUNTEERS**

**EDUCATE THE PUBLIC – while on patrol**

**EDUCATE THE PUBLIC – Public Outreach**

**TRAIL CREW**

**WEED CREW**

**OTHER**

## **FUNDRAISING**

**Goal:** Raise enough money to have enough funds to operate PWV without concern each year.

**Objectives:**

- 1) Raise \$50,000/year

---

**Goal:** Develop a more comprehensive fundraising program.

**Objectives:**

- 1) Form a committee for fundraising, and...
- 2) Develop fundraising strategy by 3/31/2011
- 3) Raise additional \$15,000 for operating budget by 2011 year end.

---

**Goal:** Reach an endowment fund of \$60,000 within 5 years.

**Objectives:**

- 1) Develop brochure on planned giving.
  - 2) Seek a few large donors for endowment fund.
- 

## **SAFETY**

**Goal:** Provide safety related courses and classes to PWV members.

**Objectives:**

- 1) First Aid & CPR class
- 2) Wilderness Survival Course
- 3) GPS/SPOT/Radio class + field training
- 4) Weather – understanding & preparation

---

**Goal:** Make sure returning members & new recruits are safe on their patrols.

**Objectives:**

- 1) Provide for First Aid/CPR training for all members and track participation.

---

**Goal:** Keep safety foremost in everyone's mind

**Objectives:**

- 1) Newsletter safety segment
  - 2) Monthly safety email
-

## **EDUCATE & TRAIN MEMBERS**

**Goal:** Educate the volunteers to better serve the public while patrolling trails.

**Objectives:**

- 1) Provide map & compass/GPS training for all new volunteers & existing members at Spring Training.
- 2) Provide ongoing hand-out materials for the public on the trails.

---

**Goal: Increase the effectiveness of PWV members.**

**Objectives:**

- 1) Offer recurrent classes.
- 2) Offer online training “tests” from the Field Guide so members will know their “weaknesses.”
- 3) Periodically survey members regarding what they feel they need to know in order to be effective in working towards our mission.

---

**Goal: Educate**

**Objectives:**

- 1) Educate our members in the skills to do their job – who, in turn, will educate the public they contact on their patrols.

---

**Goal: Training**

**Objectives:**

- 1) Train PWV members who in turn educate (train) public on the trail.  
“Trained rangers are an asset to everyone”

---

**Goal: Improve competence & skills of returning volunteers.**

**Objectives:**

- 1) Establish special training program and strongly encourage all volunteers to attend

---

**Goal: Train & Educate citizen volunteers**

**Objectives:**

- 1) Spring Training
- 2) Ongoing training plan

---

**Goal: Train & equip to train**

**Objectives:**

- 1) Assist USFS in managing & protecting the wilderness

---

**Goal: Increase training opportunities for present members.**

**Objectives:**

- 1) Set agenda of possible training opportunities
- 2) Get needed trainers

**Goal: Provide classes and courses to PWV members to improve competence in performing patrols as well as other ranger and host functions.**

**Objectives:**

- 1) Leave No Trace class and field training
- 2) Backpacking course and field training
- 3) Stock workshop for hike and stock patrollers
- 4) Invasive weed ID & treatment class and field training
- 5) Trail maintenance class and field training
- 6) Mentoring class
- 7) Kids in Nature leadership class
- 8) Winter patrolling class
- 9) Packing with llamas field training

---

**Goal: Training new and old members**

**Objectives:**

- 1) Survey of members to determine where training falls short; what worked. Keep to 5-10 areas only so not all over board. (I know that Margaret send out comments on this and I'm not sure where that went or how it helped overall.)

---

**Goal: Establish a comprehensive and integrated supplemental training program for returning members.**

**Objectives:**

- 1) Offer at least 4 training sessions at Spring Training 2011; including Wilderness Survival, Map & Compass,

---

**Goal: Have returning PWV members know what they should to do their “job: well.**

**Objectives:**

- 1) Provide a training program for returning members that addresses specific basics and tracks participation – LNT/Regulations; ART

---

**Goal: Equip**

**Objectives:**

- 1) Through training and mentoring
- 2) Knowledge to know what they need to have (equip) to do their jobs.

## **IMPROVE PATROL COMPETENCE AND TRAIL COVERAGE**

**Goal: Members understand expectations for a successful (well done?) patrol.**

**Objectives:**

- 1) Have members complete an online survey of factual true/false questions about patrol expectations at the end of July.
- 2) Have a committee compare/contrast consecutive trail reports on a key trail & gauge patrol (report) accuracy.

---

**Goal: Achieve more balance in trail coverage by our patrols.**

**Objectives:**

- 1) Establish priorities of trail coverage.
- 2) Increase patrols on high priority, more difficult, trails.
- 3) Decrease patrols on lower priority, easier trails.

---

**Goal: Patrol the trails for trail condition.****Objectives:**

- 1) See that all trails get sufficient coverage.
  - 2) Assess the condition of the trails through accurate trail reports.
  - 3) Determine whether improvement over previous years is being made.
  - 4) Determine whether improvements are occurring due to more work by PWV members or through education of the public.
- 

**Goal: Patrol for USFS****Objectives:**

- 1) # patrols/PWV
  - 2) Interaction with the public
  - 3) Get the reason to be out there, out there...
- 

**Goal: Provide accurate trail reporting information to the USFS.****Objectives:**

- 1) Create “training videos” and the “FAQ” section on the website for all members for the purpose of instructing on how to use the reporting website.
- 

## **RECRUIT, EQUIP, & FIELD VOLUNTEERS**

**Goal: Recruit****Objectives:**

- 1) Recruit volunteers who care and want to be with PWV. The rest is easy.
- 

**Goal: Recruit volunteers education on all fundamentals of a PWV Ranger.****Objectives:**

- 1) To further protect our natural heritage by solid education of the public
  - 2) About outdoor ethics
- 

**Goal: Recruit citizen volunteers****Objectives:**

- 1) We must decide how large the organization should become
  - 2) Organize recruiting strategy
- 

**Goal: Recruit citizens that have a desire to further their knowledge skills.****Objectives:**

- 1) To pass on to users of our National Forests family and friends
- 

**Goal: Equip citizen volunteers****Objectives:**

- 1) Provide uniform
  - 2) Provide First Aid kits
  - 3) Provide introduction – list of necessary equipment
- 

**Goal: Field citizen volunteers****Objectives:**

- 1) Schedule member activities &
- 

**Goal: Develop a different method for helping members schedule hikes with each other and mentoring hikes****Objectives:**

- 1) Develop new process by Spring Training 2011.

## **EDUCATE THE PUBLIC - while on patrol**

**Goal:** Protect the Wilderness

**Objectives:**

- 1) Educate the public
- 

**Goal:** Educate the public

**Objectives:**

- 1) The number of knowledge transfer that is meaningful; discussion types i.e., effect of dogs; usage of trails; how to minimize input.
- 

**Goal:** Educate the public

**Objectives:**

- 1) Patrolling the wilderness district
- 

**Goal:** Educate.

**Objectives:**

- 1) Educating public
- 

**Goal:** Build community.

**Objectives:**

- 1) Talk with other PWVs & the public
- 

## **EDUCATE THE PUBLIC – public outreach**

**Goal:** Get buy-in from the community that what we do is valuable to preserve.

**Objectives:**

- 1) Communicate our deeds & goals.
- 

**Goal:** Develop future PWVs

**Objectives:**

- 1) Incorporate scouts, KIN, junior patrol
- 2) How to get people out there & cherish it

## **REVIEW, EVALUATE, & IMPROVE PWV'S ACTIVITIES AND PROGRAMS**

**Goal:** Evaluate what PWV does on a regular basis.

**Objectives:**

- 1)
- 

## **TRAIL CREW**

**Goal:** Have well trained Trail Crew

**Objectives:**

- 1) Provide three training opportunities on the three main aspects of trail maintenance during the year (tread, clearing, and facility [bridges, signs, etc.] repair).

**Goal:** Protect Wilderness trails in CLRD with a viable PWV Trail Crew

**Objectives:**

- 1) Coordinate efforts with USFS to cover all major Wilderness trails.
- 2) Increase membership of PWV Trail Crew
- 3) Do one major project with PWAV/USFS/Wilderness restoration trail crews

---

## **WEED CREW**

**Goal:** Establish a weed program to support the CLRD weed goals.

**Objectives:**

- 1) Provide 5-species weed training for new members at Spring Training
  - 2) Provide 22-species weed training for Weed Crew members
  - 3) Establish a Weed Crew to pull weeds
  - 4) Pull all Musk thistle infestations on the Hewlett Gulch Trail in 2011.
  - 5) Pull all Musk thistle infestations on the North Fork Trail in 2011.
-

## **OTHER**

**Goal:** Have fun while preserving our legacy.

**Objectives:**

- 1) Laugh & share our enthusiasm with all.

---

**Goal:** Goals are (mostly) stupid: seize the day!

**Objectives:**

- 1) Through all goals out & just do it!
-

## **PUBLIC OUTREACH COMMITTEE [Jerry Hanley; 24 Jan 2011]**

Goals:

- 1. Educate the public by speaking to local organizations and businesses about PWV and its activities.**
- 2. Use this public education as an indirect way to recruit new volunteers and solicit financial contributions.**

Objectives:

1. Contact at least 20 organizations in 2011, and deliver a presentation to at least 50% of them.
2. Get names/contact info of all people interested in volunteering.
3. Make everyone aware of our non-profit status, that we are funded through general public donations and business grants, and that any contribution would be greatly appreciated.
4. Hand out brochures and direct people to our web site.

## **ENDOWMENT FUND COMMITTEE [taken from Aug 2010 draft Description,**

**Policies, and Procedures by J Shaklee; 24 Jan 2011]**

**Goal: The purpose of the Fund is to enhance the mission of Poudre Wilderness Volunteers by providing a stable, predictable and ongoing funding basis.**

Objectives:

## **KIDS IN NATURE COMMITTEE [from KIN April 30 2008 draft goals & objectives]**

**GOAL #1 - Connect kids with nature via high-quality, hands-on, fun experiences**

1. Provide guided hikes with educational and activity components
  1. Have a high PWV to kids ratio
  2. Encourage parental participation
2. Conduct an informative safety session prior to each hike
3. Provide the kids' parents, teachers, and/or counselors with lists/examples of suitable follow-up activities and projects to reinforce the kids' connection to nature

**GOAL #2 - Educate kids about natural processes and wild animals and plants**

1. Show kids various plants and animals along the trail and teach them basic environmental concepts and processes
2. Provide examples of human impacts to wild animals, plants, and natural processes

3. Provide a guide/brochure (and lists & handouts) to each kid to use while hiking and to take home
4. Provide the kids' parents, teachers, and/or counselors with lists/examples of suitable follow-up activities and projects to reinforce lessons learned on KIN outings

**GOAL #3 - Encourage kids to respect natural areas and practice land stewardship**

1. Teach and demonstrate Leave No Trace
2. Introduce the Authority of the Resource concept
3. Introduce the distinctions between types of natural areas: city parks, open spaces, National Forests, National Parks, and designated Wilderness Areas
4. Provide examples of human abuse/overuse to natural areas
5. Combine LNT, Authority of the Resource, examples of human impacts, and recommended future behaviors and actions to encourage a commitment to stewardship with examples of future actions that kids can undertake

**GOAL #4 - Provide kids with an introduction to selected outdoor skills**

1. Teach basic skills of map reading and compass use
2. Introduce GPS units and their use
3. Teach kids and their parents the importance of preparation and common sense
4. Teach basic survival skills
5. Teach basic aspects of animal and plant identification
6. When possible, introduce kids to the skills of indirectly discovering animals

**GOAL #5 - Instill a sense of wonder and appreciation for nature in kids**

1. Provide activities and experiences that introduce kids to the beauty, magic, and mystery of wild animals and plants as well as the majesty and serenity of natural places (incl. wilderness)
2. Point out amazing natural relationships and processes

**PWV Trail Patrolling [J Shaklee; 23 Jan 2011]**

**GOAL:** Maintain a strong on-the-ground presence patrolling trails and hosting at trailheads throughout PWV's area of operations.

Objectives:

- 1) Identify and promote a high expectation for member's participation in trail patrolling and/or trailhead hosting/trail use assessment.
- 2) Communicate the expected commitment to all members and recognize those meeting or exceeding the expectation.
- 3) Facilitate and encourage trail patrolling and trailhead hosting by developing efficient and flexible means for trail patrol scheduling, identifying patrol partners, and submitting trail patrol reports.
- 4) Provide education, training, and logistical support to promote safe and effective trail patrolling, trailhead hosting, and public contact and education.

**GOAL:** Maximize PWV's stewardship of trails and education of trail users.

Objectives:

- 1) Define, regularly update, and effectively communicate PWV's trail patrolling tasks and expectations (incl. the relative importance of each).
- 2) Develop and communicate trail-specific expectations to achieve optimal trail patrol coverage.
- 3) Annually determine actual trail patrolling effort (# of patrols for each trail), evaluate effort against identified target coverage, and communicate results to members.
- 4) Develop and implement communication and recognition processes to encourage optimal trail patrol coverage by members.

## **PWV Membership** [J Shaklee; 23 Jan 2011]

**GOAL:** Broaden and strengthen PWV's membership by developing and promoting opportunities and roles for non-patrolling members.

Objectives:

- 1) Identify, create, and expand roles and activities whereby former, current, and new members can meaningfully contribute to PWV's Mission and goals, whether by patrolling trails or performing other tasks and functions that advance PWV's operations and service.
- 2) Actively recruit new members who: a) embrace PWV's Mission, vision, and goals; b) have knowledge, experience, skills, or abilities relevant to PWV's operations; and c) who may or may not want or be able to patrol trails or conduct other forms of field work.
- 3) Treat all members regardless of their organizational role(s) as valued resources of PWV and develop expectations and forms of recognition that honor their service.
